Message from the Mayor

As Mayor of the City of Belmont, it is my pleasure to welcome you to this year's Art Awards.

This exhibition showcases more than 300 artworks, each one reflecting the imagination, skill and dedication of artists from our community and beyond. Together, they remind us of the opportunity we all have to create, to share our stories, and to see the world through fresh perspectives.

I am proud of how the Art Awards have grown into a much-loved event in our community. This year, we are pleased to introduce a new category, the Resident Youth Award, to recognise and encourage the creativity of young artists in our city. They are our future, and the City is doing its part in fostering creativity and providing opportunities for them to showcase their talent, build confidence, and be inspired to pursue their artistic journeys.

The Art Awards bring people together, spark conversations, and provide opportunities to connect with local talent. Whether you are an artist, an art lover, or simply curious to explore, there is something here for everyone to enjoy and be inspired by.

I'd like to thank our artists, judges, sponsors, The Event Mill, PerthNow and Belmont Rotary, and most of all, you, for sharing in this celebration of creativity in our City of Opportunity.

Robert Rossi
Mayor

Welcome to the 2025 City of Belmont Art Awards

The Art Awards are a wonderful opportunity to celebrate the creative talents of people in our local community, as well as in the wider arts community across Western Australia.

The City of Belmont aspires to be innovative, creative, and progressive - and is proud to once again facilitate this

highly anticipated cultural event, which has proven to be one of the highlights of our arts calendar.

The Art Awards strive to be inclusive and accessible, with this year's exhibition including a wide range of traditional and contemporary media created by professional

and emerging artists, as well as a number of talented students artworks entered by local schools.

With over 300 artworks on exhibition we encourage you to support our artists, appreciate the wealth of creative talent on display and purchase an artwork.

The Art Awards encourages the community to engage in the and develop new artworks that celebrate the City of Belmont as a place of creativity and culture, and we recognise that art has the power to connect us through social interaction, contributing to the health, wellbeing, and general life satisfaction of our residents.

The Art Award's Public Programs deliver a range of educational and informative sessions leading up to and during the exhibition through a series of workshops, talks and accessibility tours have been designed to provide professional development opportunities for emerging artists and greater appreciation of the works on display.

For many exhibitors, the Art Awards is their first opportunity to show artwork in a public setting. For others, it is an opportunity to share their stories, show their skills and progress their careers.

For these reasons the Art Awards is an impactful event for the community and we congratulate all participating artists on your creativity and efforts in producing an outstanding variety of artwork for this year's exhibition.

Mentorship program

The 2025 City of Belmont Art Awards includes a mentorship prize which sees an established professional artist paired with a mentee. The City has appointed accomplished artist Joanna Lamb as the 2025 Mentor.

Joanna Lamb was born in Perth, Western Australia. She graduated in 1994 with a Bachelor of Arts (Visual Arts) from Edith Cowan University and a Bachelor of Arts (Design) from Curtin University in 1997. Since her first solo show in 1997, she has maintained a regular exhibiting schedule traversing the practices of painting, printmaking, collage and sculpture.

Joanna's hard-edged and highly refined compositions depict spaces of (sub) urbanity as an ongoing exploration of place. Stylistically, the works waver between realism and abstraction. Joanna's work draws on her family connection with printing and a preoccupation with the processes involved in the reproduction of imagery. Her work has a mechanical feel which often negates its handmade processes.

Joanna Lamb's works are included in prominent collections including the Art Gallery of Western Australia, Parliament House, TarraWarra Museum of Art, Macquarie University, La Trobe University, Edith Cowan University, The University of Western Australia and Murdoch University.

From the self-nominated entrants of the 2025 Art Award, Joanna will select an artist to provide professional mentoring to during October 2025.
