As a dedicated Belmont resident, I am committed to building a connected, sustainable, and thriving community. My vision is to create a Smart Park that blends nature, technology, and recreation, offering families innovative spaces to learn, play, and connect. I will keep rates affordable while driving smarter services through efficiency, digital solutions, and greener infrastructure. To ease school time traffic, I will champion creative initiatives such as flexible school zones, shared mobility hubs, safe walking corridors, and smart traffic management that make travel safer and quicker for families. I will promote cultural amalgamation by celebrating our diversity through inclusive events and programs that strengthen community pride. By investing in modern facilities, safer streets, and opportunities for every resident, I will ensure Belmont grows into a vibrant, welcoming, and future-ready city. Together, we can create a Belmont that is safer, greener, and smarter for all.
