

Access and Inclusion Plan Feedback Form

The City of Belmont (the City) is committed to being an accessible and welcoming community where people feel respected and be a valued member of their community. The Access and Inclusion Plan guides the City to respond to the existing and changing needs of our community members over their lifetime.

The plan is available on our website ([link](#)) and in hardcopy upon request.

We invite you to offer feedback on how we are progressing or to share any concerns or ideas on how to improve access and inclusion within the City.
