Being a land owner of 56 Hay Rd, Ascot since 2015 this deputation is in support for the R60 rating for DA9. The points that are being made that the precinct underwent many changes that strengthen the resolve for an R60 or above rating. In particular the following highlights:

- 1) Third party stopped the original structure plan from progressing and declare funding of DA9 process. They have since purchased 5 properties at \$12.5 million abutting and paid more than \$1 million to complete the interconnecting road between Ivy St and Fauntleroy Rd. This has freed up urban land which may be developed between 5 and 12 stories. [Figure 1]
- 2) The Great Eastern Hwy Hwy Corridor strategy - although in draft is seeing an employment centre and activity center both within 800 meters from DA9. With buildings of up to 12 stories in height along Great Eastern Hwy abutting DA9. [Figure 2]
- 3) A Petrol Station has been developed providing additional amenities
- 4) Upgrades and road widening of Great Eastern Hwy has now been completed.
- 5) Redcliff train station is nearing completion this year. This ~1km as the crow flies to the station with planned feeder buses and green connections allowing interface [Figure 2].
- 6) Beautification of Garvey Park and the Bicycle & Footpath along Hay Rd and Fauntleroy Rd has been completed.

This intensity of the likely development immediately abutting DA9 makes R60 more palatable as it provides for better transition with higher density development. In addition the proximity to the CBD, activity & employment centers, Upgraded Garvy Park, Redcliff Train station and

feeder buses will provide future residents of DA9 with much more amenities. Unfortunately these future rate payers could not be consulted during the advertisement period of DA9. I hereby request the councilors support R60 and make these benefits available to many more people and residents of the City of Belmont. Thank you.
