## How do you get around?

More people are choosing to walk, ride and use public transport in the City of Belmont. This map will help you to get to know your local area on foot, bike or using public transport.

## Catching the bus or train

On the public transport side of the map, the thick coloured lines represent bus routes. Bus stops are shown as coloured squares along the route. Follow where the bus goes by tracking the thick coloured lines. For more information on bus accessibility visit the Transperth website.

You can plan your journey online (visit [transperth.wa.gov.au](http://transperth.wa.gov.au)), by phone (call the Transperth InfoLine 13 62 13) or by using the Transperth app for iOS and Android.

Download Transperth's free app for iOS and Android devices which shows the latest bus, train and ferry information.

Live tracking on the app allows you to track your bus, train and ferry in real time. Simply look for the yellow LIVE icon next to your service, or the blue 'live data available' link when using the JourneyPlanner.

## Walking and riding

Walking and riding are great ways to get active. This map identifies walking and bike friendly routes, including quiet streets, on-road bicycle lanes and shared paths.

Think about the local trips that you make such as going to the shops, to work, dropping the kids at school or visiting friends. Which of these could you do by walking or riding?

For more information go to: [yourmove.org.au](http://yourmove.org.au)

## Tips for the ride

- Slow down when passing people walking
- Bike riders can now legally ride on footpaths in WA
- Make sure you and your family wear a helmet
- Ring your bell to let others know you're approaching
- Use a white headlight and a red tail light when riding at night
- Stop on the diamonds at traffic lights to activate light change

## Types of rides

- Principal Shared Path (PSP)
- High Quality Shared Path
- Shared Path
- Bicycle Lane or Sealed Shoulder
- Safe Active Street
- Bike Friendly Route
