I'm a politically independent community leader. I know how to keep downward pressure on rates, while maintaining good services. In 21 years of elected service to Belmont we had consistently good rates. I've worked for Red Cross, Salvation, Chamber of Commerce and myself.

I am committed to being transparent, and accountable to you. I have traditional Australian values and make thoughtful evidence based decisions for us all without fear or favor, and my record proves it.

Belmont must be lit properly at night to be SAFE. This is my urgent priority-CRIME.

Vote in this election to elect a community leader who takes your rights seriously and will oppose policy to restrict them. Contact me with you concerns, I have helped many people and can assist you too.
