DA6 CRG meeting
18th May 2015

Taylor Burrell Barnett Town Planning & Design

Place making exercises

- Last CRG meeting formulated a list of places and activities which ought to be in DA6

- Today we can develop ideas on a couple of place concepts;

  - Not location specific

  - Could be first stage projects

  - Could be community led

- **Community Garden**

- **Dog friendly exercise area**

What
- Place vision
- Place characteristics

Who
- Leaders
- Partners

How
- Land
- Materials/Budget/Funds
- Operation
- Promotion

CRG Meeting – 20th April 2015 recap

Exercise 1 – Public Realm

Name 10 things that you would like to do in DA6 under the vision plan, can you find a place on the plan for this activity, are there any unique experiences?

Part 1: Parks and Open Space	Part 1: Parks and Open Space	Part 2: Station Spaces	Part 2: Station Spaces
Table 1	**Table 2**	**Table 1**	**Table 2**
1. Dog walking area	1. Community Garden	1. Alfresco dining/café	1. Trendy and simples cafes – a café strip
2. Skate Park	2. Covered Seating and Other Seating – for the oldies and mums	2. Outdoor Movies/Outdoor Television Screen	2. Gallery space
3. Community Garden – Central	3. Community Workshop	3. Farmer's Market	3. Farmers market – or in parks
4. Allotments	4. Retain Natural Bushland	4. Convenience Shopping	4. Music
5. Kids Play – Nature Playground	5. A place to relocate indigenous flora (esp. orchids)	5. Bars	5. Kid-interactive activities (educational)
6. Picnic/Barbeque	6. Interpretive content along a living stream	6. Street Art/Artists	6. Big screen
7. Walking Trail	7. Open-air theatre	7. Free WiFi	7. Showcase lighting on buildings
8. Outdoor Exercise Equipment	8. Art exhibition space – open air	8. Stage	8. Shops and groceries – village feel
9. Basketball / Tennis wall / Tennis Court	9. Dog park – fenced (~1500m^2)	9. Trees & Garden Spaces	9. Places to dine and gather
10. Native Parkland	10. Walk trails		

CRG Meeting – 20th April 2015 recap

Exercise 2 – Movement Network Design

Name 10 qualities and/or uses that you would like your street(s) to have/be used for.

Part 1: Name 10 qualities/uses that you would like your street(s) to have/be used for		Part 2: What aspects of the movement character plan are satisfactory or not satisfactory?	
Table 1	**Table 2**	**Table 1**	**Table 2**
1. Endemic trees – tall storey/under storey	1. Indigenous street names	1. Unsatisfactory: Left in-left out, out GEH	1. First Street (Central-Kanowna) = slow street
2. Underground power	2. Fruit trees and vegetable gardens		
3. Single side footpath	3. Productive streetscapes		
4. Cycle lane	4. Safe place for games – have some straight bits	2. Unsatisfactory: Another entry/exit along GEH (full intersection?)	
5. Zebra crossings	5. Underground power		
6. Meandering roads rather than speed humps	6. Occasional seats and sheltered seating		
7. Better street lighting	7. Munzee activity - interaction educational experiences	3. Satisfactory: Local traffic emphasis	
8. Kids able to play on slow streets	8. Resident-only parking		
9. Coolgardie as a slow street (east of First)	9. Adequate on-site parking – don't fill the streets with cars		
	10. Minimise lawned verges		

Community Garden

- **Lots of help available;**

  - **Community Gardens WA website (www.communitygardenswa.org.au)**

    - Community Gardens Good Practice guide 2002
  - **WA Community Gardens Network Facebook Group**

  - **grants@dlgc.wa.gov.au (up to $20,000 for new gardens) [tel: 6551](tel:6551) [8700](8700)**

    - November 2015 next round applications
    - Through City of Belmont or Primary School?

Exercise 1 Community Garden
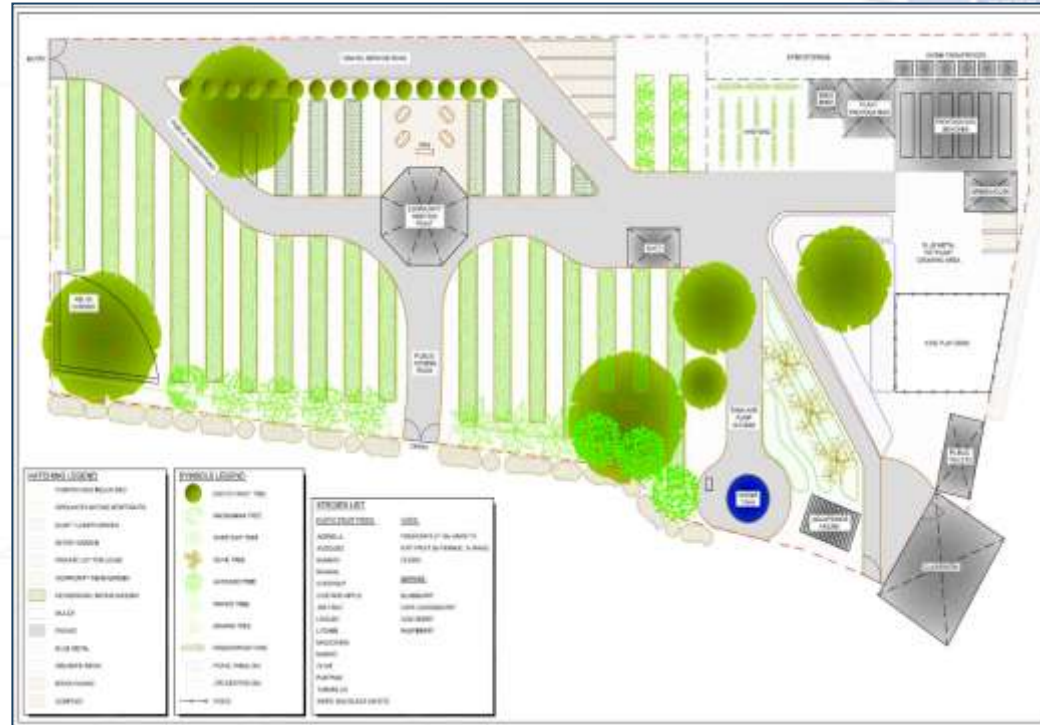

1. **What should it include?**

   - Communal gardens, fruit, herbs, veg..........

   - Allotments for rent

   - Passive/meeting spaces

2. **Who could lead us, join us and help us?**

   - The community

   - Government /organisations

   - Sponsors, donations....

3. **How could it operate and be promoted?**

   - Basic rules, membership, sustainability, accessibility

   - Web, events, news.....

Feedback

1. **What should it include?**

   - Communal gardens, fruit, herbs, veg..........

   - Allotments for rent

   - Passive/meeting spaces

   - The community

   - Government /organisations

   - Sponsors, donations....

3. **How could it operate and be promoted?**

   - Basic rules, membership, sustainability, accessibility

   - Web, events, news.....

Dog Friendly Exercise Area

• Approx 36% of all Australian households own a dog

• Tradition of dog friendly parks and facilities in Belmont – exclusive reserves
  - Brearley Avenue Reserve
  - Morgan Park
  - Redcliffe Park
  - Selby Park
  - Parkview chase

• Whiteman Park dog park contains obstacles and is fenced off

• Opportunity to extend exercise activity to economic development with a cafe, pet shop, room for dog training enterprises.....

Exercise 2 Dog Friendly Exercise Area

1. **What should it include?**

   - Obstacles (e.g. agility logs), dog drinking stations

   - Mix of sand/turf

   - Cafes, pet shops, BBQ's

2. **Who could lead us, join us and help us?**

   - The community

   - Government /organisations

   - Sponsors, donations....

3. **How could it operate and be promoted?**

   - Web, events, news.....
