Candidate name	Jenny Peta DAVIS
District	City of Belmont
Nominating for	Councillor for South Ward
Election type	Ordinary
Enrolment status	DAVIS, Jenny is eligible to stand for election as a resident of the City of Belmont.

As your Councillor of 8 years, I have ensured sensible budgeting to ease cost-of-living pressures whilst delivering on my pledges.

I initiated the upgrade of Abernethy Road intersections occurring 2025/2026, prevented development on environmentally sensitive areas, kept rates low, delivered community and crime prevention programs, discounts for seniors, provided vital grants for sporting clubs and volunteer-based organisations, improved accessibility for residents with mobility challenges and approved well-planned housing developments, meeting community needs without compromising liveability.

If re-elected, I will improve street lighting for safer public spaces, continue the community safety initiatives, extend our tree canopy and native fauna, protecting habitats for the endangered black cockatoo and improve school zone traffic safety and pedestrian accessibility on Fulham Rd near the Forum.

I'll fight to keep the cost of Council services to a minimum and ensure a better lifestyle for you.
