I have lived in Belmont my whole life. I went to Notre Dame Primary School and I worked at the Belmont Forum for almost 10 years. When my partner and I were fortunate enough to be able to purchase a house of our own, we chose to buy in Belmont. I would not want to live anywhere else.

I am a lawyer with almost 10 years of experience. I currently work at a community legal centre helping women who are experiencing family and domestic violence.

I am passionate about using my skills and experience to give back to my local community. If elected to Council, I will strongly advocate for:

- supporting our local businesses and local economy;
- increasing and protecting our parks and green spaces;
- better traffic management on our local roads;
- crime prevention and safer streets; and
- keeping rates low in the cost-of-living crisis.
