The Chief Executive Officer's employment contract at Clause 4.2 also states:

The CEO's performance under this Contract must be reviewed by the Reviewer:

- (b) at least annually; and*
- (c) more frequently if the Council or You perceives there is a need to do so and, in that case, gives to the other party a Review Notice.*

The introduction of a six month interim review was agreed by the Chief Executive Officer and the Executive Committee on 25 August 2010.

Item 11.1 Continued

BACKGROUND

At the Executive Committee Meeting of 25 August 2010, the Chief Executive Officer verbally agreed to the introduction of a secondary process into the annual Performance Appraisal Review process on an ongoing basis. This arrangement is allowable by agreement, under both the *Local Government Act 1995* and the Chief Executive Officer's contract of employment.

This interim review was developed as an information sharing process to allow the Committee to be updated on progress to date and to be advised of any impediments to achievement of the Goals and Targets. It does not include an assessment of the performance of the Chief Executive Officer. This arrangement is designed to facilitate discussions at the annual Performance Appraisal Review that takes place in August each year.

The process adopted for this arrangement included agreement that the same external consultant be engaged to facilitate the review to provide continuity with the annual review process.

OFFICER COMMENT

The Chief Executive Officer will present a summary of progress to date against the Goals and Targets set by Council at its meeting of 27 September 2016, by addressing the individual Success Indicators. His submission (circulated as separate [Confidential Attachment 1](#)), includes details of any potential impediments to achieving the outcomes by the target date(s) as well as any changes resolved by Council in the interim period that have had, or will have, a significant impact. He will also answer any Councillor questions on his submission in order to clarify any issues under consideration.

Executive Committee Members should discuss any issues relevant to the Success Indicators with the Chief Executive Officer at the Committee meeting however the Executive Committee will be unable to make any significant changes without referring the matter back to Council. Comments can however, be made to reflect the Committee Members' considerations on any particular matter for Council's information.

It is important to note that this interim process does not include any assessment by Committee Members of the Chief Executive Officer's performance to date, as this will remain the province of the annual Performance Appraisal that takes place later in the year.

The information provided by the Chief Executive Officer at this meeting will be included in the annual review process.

FINANCIAL IMPLICATIONS

There are no financial implications evident at this time.

ENVIRONMENTAL IMPLICATIONS

There are no environmental implications at this time.

Item 11.1 Continued

SOCIAL IMPLICATIONS

There are no social implications at this time.
