Perth Airport Runway Works – Update

Perth's airport's current work schedule requires the following closures as they focus on pavement renewal works.

To enable these works, the main runway (03/21) and the cross runway (06/24) will be temporarily closed at different times for periods between April 2024 and March 2025.

During the works, constituents may notice temporary changes to the frequency of flights (either an increase or a decrease), depending on which runway is closed.

The current works schedule at Perth Airport will require the following closures:

Date	Cross Runway 06/24 Closure	Main Runway 03/21 closure
1 August to 18 December 2024		Between 7:30am and 5:00pm daily (except Sundays)
4 February – 4 March 2025		Between 7:30am and 5:00pm daily (except Sundays)

**Please note that these closures may change or vary due to operational requirements.*
