Upgrades and regular maintenance of our runways are essential in ensuring continued safe operations at Perth Airport.

To enable these works, the main runway (03/21) and the cross runway (06/24) are temporarily closed at different times.

During the works, residents and businesses may notice temporary changes to the frequency of flights (either an increase or a decrease), depending on which runway is closed.

We appreciate your understanding as we undertake these important works.

**Please note that these closures may change or vary due to operational requirements.*
