

Immunisation

The Department of Health provides **FREE** immunisation to all children aged from six weeks to four years.

Clinics are held twice a month every second Thursday between 9:30am and 2:15pm (see over-leaf for dates).

Clinics are held at: Rivervale Community Centre
100 Gerring Court, Rivervale

IMPORTANT

An appointment is required. Contact the Immunisation Booking Line on

6151 1308

Bring your child's immunisation card (purple baby book) and your Medicare card.

All immunisations are government funded and reported to the Australian Immunisation Register.

Walk-ins are accepted with the following conditions:

1. No appointment time will be given – clients will be asked to wait for an unspecified amount of time until a nurse becomes available.
2. As the quantity of vaccines available at each clinic is limited, walk-ins will only be accepted if it is considered that there are enough vaccines to service both them and those who pre-booked.

For information about your child's immunisation status, contact Medicare's Immunisation Register on 1 800 653 809.
