

CITY OF BELMONT

Whitegoods, Motor Oil, Plate Glass, Mattress, Bed Base, Car Battery and E-Waste Disposal Day

Date of Publication 13/10/2020

9am – 2pm, Sunday, 14 March 2021

Operations Centre, 180 Planet Street, Carlisle

City of Belmont residents and ratepayers only

Items which will not be accepted: Gas cylinders, paint and household hazardous waste. These items can be disposed of free at charge at Red Hill Waste Management Facility. Fluorescent light tubes can be disposed of at the City's Civic Centre.

Whitegoods, motor oil, car batteries, mattresses, ensemble bed bases and e-waste are recyclable so by using this service you are helping our environment as you clean up.

Plate glass is not a recyclable product but can be difficult to dispose of.

Please ensure mattresses and ensemble bed bases are dry and unsoiled.

Whitegoods includes refrigerators, freezers, washing machines, driers, ovens, dishwashers and microwaves.

There is no limit to the number of appliances you drop off, but remember to bring a helper if you have a heavy or large load.

Residents are required to pour **motor oil** into a large oil drum on site; contaminated empty containers are then disposed of on site. Up to 60 litres per resident will be accepted. Motor oil as waste from commercial operations will not be accepted.

Enclosed foot wear and proof of property ownership or residency within the City of Belmont is required.

For further information please contact Infrastructure Services on 9477 7118 or at belmont@belmont.wa.gov.au.
