

Profile (as it will appear in the election materials)

FAQIRI, Fatima

FAQIRI, Fatima is eligible to stand for election as a resident of the City of Belmont.

I am a passionate community advocate who stands side by side the community to address social & local issues that are concerning & holding us back from progression.

As a mother of 3 children, I understand the importance of local government's impact on quality of life for the residents.

I migrated to Australia 18 years ago and have lived in Belmont for 7 years.

I've completed my secondary graduation & have an undergraduate degree in Accounting & Finance. I volunteered and worked for various NGOs, Private companies, and Government. I understand the challenges of dealing with all levels of organisations. I currently work as a coordinator for BGC.

If elected, my priority is to address local community's concern with infrastructure, family services, youth engagement, safety, & accountability.

I want to hear from you as your community advocate on council issues. I will work with you to come up with solutions to address your concerns, so that we live in a future proof Belmont.

Vote Fatima No 1.
