## 5.2 Decision Making Functions

The Council of the City of Belmont is the decision-making body which makes decisions on behalf of the community.

The district of the City of Belmont is currently divided into three wards; South, West and East ward. Each ward is represented by three Councillors.

## 8.6 Exemptions

The most frequent exemptions applied to documents or reasons for refusal to provide access to information are:

- **Personal Information**

Information that would reveal personal information about an individual (e.g. their name, contact details, signature etc.) may be exempt under Schedule 1 Clause 3 of the FOI Act and s5.95 (8) of the Local Government Act 1995.

- **Commercial Information**

Information that would reveal trade secrets, information of a commercial value (e.g. documents containing technical designs that, if released, would harm the company), or the financial affairs of a person (e.g. debts owed to the City) may be exempt under Schedule 1 Clause 4 of the FOI Act.

- **Deliberative Process**

Information that would reveal a decision made during a deliberative process closed to the public (e.g. confidential Council meeting) may be exempt under Schedule 1 Clause 6 of the FOI Act and s5.23 of the Local Government Act 1995.

- **Legal Professional Privilege**

Information that would reveal legal advice may be exempt under Schedule 1 Clause 7 of the FOI Act.

## 8.7 Notice of Decision

A Notice of Decision is a written notice and will include details such as;

- the date on which the decision was made;
- the name and the designation of the officer who made the decision;
- the reason why a document is considered exempt, or the fact that access is given to an edited document; and
- If access is refused, the reason for claiming the document is exempt
- Information on the rights of review and the procedures to be followed to exercise those rights.

## 8.8 Access Arrangements

Access to documents can be by way of;

- Inspection;
- a copy of a document;
- a copy of an audio or video tape, or computer disk;
- a transcript of a recorded document or of words recorded in shorthand or encoded form, or a written document in case of a document where words can be reproduced in written form

It should be noted that the City is not obligated to provide the information in a format that is not held in at the time of the application or would not be practicable to provide.

## 8.9 Review Process

The FOI Act provides for a review and appeal process, as follows:

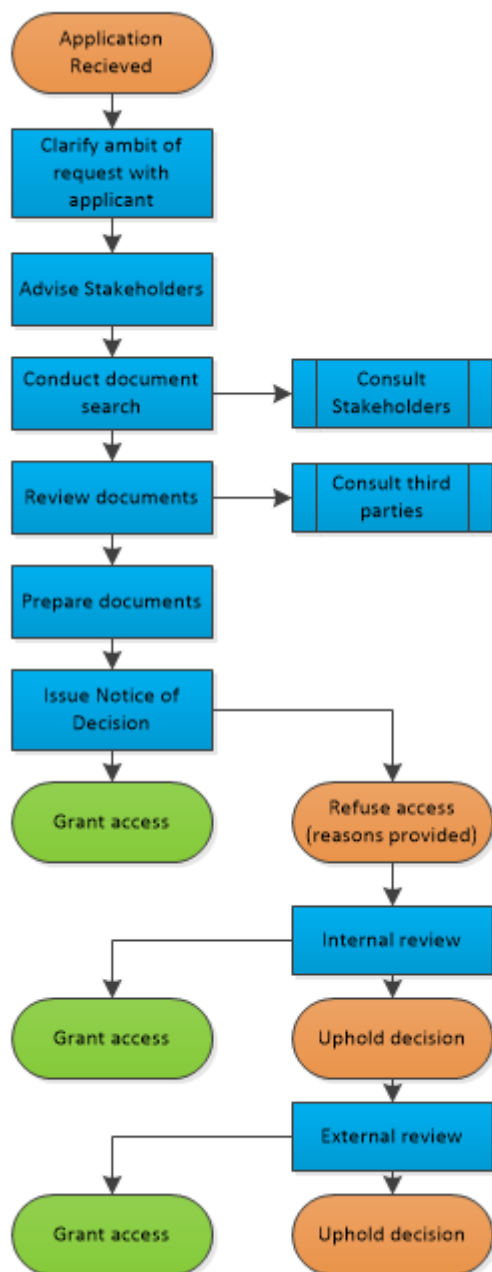

- **Internal Review**

Applicants who are dissatisfied with the initial decision of the City can submit an application for internal review. This must be made within 30 days of being notified of the original decision. The internal review will be carried out by the City's "Reviewer", who has 15 days to confirm, vary or reverse the decision under review. There is no charge for an internal review. Please note the reviewer is an officer who is not subordinate to the initial decision-maker.

- **External Review**

If after the internal review has been completed the applicant is dissatisfied with the City's Internal Review Decision, applicants have the right to lodge a complaint with the Information Commissioner seeking an External Review. The complaint is required to be lodged in writing within 60 days of being notified of the original decision and must give details of the decision to which the complaint relates. There is no charge for an external review.
