The City of Belmont has been my home for over a decade, and it's where I'm proud to be raising my young family. I love our community for its diversity, multiculturalism, and strong spirit. It's a wonderful place to live and grow. I want to help make sure it continues to be safe, welcoming, and vibrant for everyone. With experience as both a lawyer and a teacher, I bring strong communication, organisation, and people skills, and I care deeply about listening and working together. I believe in honesty, accountability, and making decisions that put our community first. I am especially passionate about celebrating diversity, protecting our environment, supporting animal welfare, and being mindful of cost-of-living pressures by spending ratepayers' money wisely. Local government is about people, and I will work hard to make sure every voice is heard and respected. I care about fairness, inclusion, and creating an atmosphere where everyone feels they belong.
