

Profile (as it will appear in the election materials)

MARKS, Phil

MARKS, Phil is eligible to stand for election as a resident of the City of Belmont.

Dear Resident, my name is Phil Marks and I have lived in Belmont for 48 yrs. I have been The Belmont Mayor for 12yrs and Deputy for 6yrs before that. This year I am a Candidate for the East Ward.

Belmont has the 2nd lowest Rates in Perth. I will be working to keep them low. I led the development of the new **Hub** (Museum, library, Seniors) and **Glasshouse**(Function Cntr).

I am backing a move of the **Belmont Oasis** to a sporting precinct

on cnr Leach Hwy and Abernethy Rd, next to the Bowling, Tennis and Athletics clubs and the BSRC.

The redevelopment of **Belvidere St** is about to happen at a cost of \$8.9mil and should be completed by 2026.

Crime and anti-social Behaviour are a scourge on our society and we have just introduced our 4th security car and will soon amalgamate Rangers and Security.

I am a believer in **open speech and democracy** and will maintain your right to ask questions without notice and of an unknown content at Council Meetings.

Please help me to continue the work.
