Creating a Connected, Sustainable, and Thriving Community

As a dedicated Belmont resident for over 10 years, living here with my wife and four children, I am deeply committed to our community's prosperity. My work as a community activist, including leading annual cleanups at Tomato Lake and providing free driving lessons to enhance mobility for low-income residents, underscores my dedication to improving our environment and community life.

Commitments to Our Community: Strengthened Resident-Council Relations. Economic Efficiency & Enhanced Services. Reduce financial waste by optimizing operations. Enhance service quality & availability, maximizing community resource value. Cultural Harmony & Community Safety. Foster a welcoming, diverse community where all feel respected. Implement safety initiatives to protect and enhance communal spaces. Environmental Initiatives & Green Infrastructure.

Your support is vital for a vibrant, inclusive Belmont. Vote for ABEDIN, Khandoker.
