

Ordinary Council Meeting

Agenda

26 August 2025

Notice of Meeting

An **Ordinary Council Meeting** will be held in the Council Chamber of the **City of Belmont Civic Centre**, 215 Wright Street, Cloverdale, on **Tuesday 26 August 2025**, commencing at 6:30pm.

Wilmot Loh
Acting Chief Executive Officer

Please read the following important disclaimer before proceeding

Any plans or documents in agendas and minutes may be subject to copyright. The express permission of the copyright owner must be obtained before copying any copyright material.

Any statement, comment or decision made at a Council meeting regarding any application for an approval, consent or licence, including a resolution of approval, is not effective as an approval of any application and must not be relied upon as such.

Any person or entity who has an application before the City must obtain, and should only rely on, written notice of the City's decision and any conditions attaching to the decision and cannot treat as an approval anything said or done at a Council meeting.

Any advice provided by an employee of the City on the operation of a written law, or the performance of a function by the City, is provided in the capacity of an employee, and to the best of that person's knowledge and ability. It does not constitute, and should not be relied upon, as a legal advice or representation by the City. Any advice on a matter of law, or anything sought to be relied upon as a representation by the City should be sought in writing and should make clear the purpose of the request. Any plans or documents in agendas and minutes may be subject to copyright.

Alternative Formats

This document is available on the City of Belmont website and can be requested in alternative formats including electronic format by email, in hardcopy both in large and standard print and in other formats as requested. For further information please contact the Community Development team on (08) 9477 7219. For language assistance please contact TIS (Translating and Interpreting Service) on 131 450.

Elected Members are reminded to retain any confidential papers for discussion with the minutes.

1 Official Opening

The Presiding Member will read aloud the Acknowledgement of Country.

Acknowledgement of Country

Before I begin, I would like to acknowledge the Whadjuk Noongar people as the Traditional Owners of this land and pay my respects to Elders past, present and emerging.

I further acknowledge their cultural heritage, beliefs, connection and relationship with this land which continues today.

The Presiding Member will cause the Affirmation of Civic Duty and Responsibility to be read aloud by a Councillor.

Affirmation of Civic Duty and Responsibility

I make this affirmation in good faith and declare that I will duly, faithfully, honestly, and with integrity fulfil the duties of my office for all the people in the City of Belmont according to the best of my judgement and ability.

I will observe the City's Code of Conduct and Standing Orders to ensure efficient, effective and orderly decision making within this forum.

2 Apologies and leave of absence

Mr J Christie (apology) Chief Executive Officer

3 Declarations of interest that might cause a conflict

Councillors/Staff are reminded of the requirements of *s5.65* of the *Local Government Act 1995 (WA)*, to disclose any interest during the meeting when the matter is discussed, and also of the requirement to disclose an interest affecting impartiality under the City's Code of Conduct for Council Members, Committee Members and Candidates and the Code of Conduct for Employees.

3.1 Financial Interests

A declaration under this section requires that the nature of the interest must be disclosed. Consequently, a member who has made a declaration must not preside, participate in, or be present during any discussion or decision-making procedure relating to the matter the subject of the declaration.

Other members may allow participation of the declarant if the member further discloses the extent of the interest and the other members decide that the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

Name	Nature of Interest (and extent, where appropriate)

3.2 Disclosure of interest that may affect impartiality

Elected Members and staff are required (Code of Conduct), in addition to declaring any financial interest, to declare any interest that might cause a conflict. The member/employee is also encouraged to disclose the nature of the interest. The member/employee must consider the nature and extent of the interest and whether it will affect their impartiality. If the member/employee declares that their impartiality will not be affected then they may participate in the decision-making process.

Name	Nature of Interest (and extent, where appropriate)

4 Announcements by the Presiding Member (without discussion) and declarations by Members

Nil.

5 Public question time

5.1 Responses to questions taken on notice

5.1.1 Ms L Harding, Rivervale

The following questions were taken on notice at the 22 July 2025 Ordinary Council Meeting. Ms Harding was provided with a response on 14 August 2025. The response from the City is recorded accordingly:

- 2. Could the City advise whether there is a single consolidated map that displays all public comments submitted through the Belmont Connect mapping function regardless of the consultation event?
 - i) Is the same data integrated within the City's IntraMaps planning system and the record keeping system?

Response

The City does not have a consolidated map showing all public comments submitted through Belmont Connect.

- i) No, see above.
- 3. Does the City keep a record of each of the public feedback items that are submitted via Belmont Connect?
 - i) And whether those feedback items are being addressed and the status of each of the items?

Response

Engagement results are retained by the City.

i) Engagement activities help inform decisions but do not directly translate to committed action, so a status register on actions related to consultation inputs may not be appropriate.

5.1.2 Mr M Cardozo, Redcliffe

The following questions were taken on notice at the 22 July 2025 Ordinary Council Meeting. Mr Cardozo was provided with a response on 13 August 2025. The response from the City is recorded accordingly:

1) The City has previously indicated that comparisons with neighbouring Local Government Areas are only valid if those Local Government Areas are also Band 1. Can the City publish a table listing all 23 Band 1 Local Government Areas in Western Australia, indicating which ones provide public access to their Agenda Briefing Forums via livestream or recorded video or audio?

Response

Further to your request for a table listing all 23 Band 1 Local Government Areas in Western Australia, indicating which ones provide public access to their Agenda Briefing Forums via livestream, we provide the following:

No Public ABF	Public ABF with Livestream	Public ABF with No Livestream
Stirling	Canning	Belmont
Cockburn	Joondalup	Bayswater
Gosnells	*(audio only)	
Rockingham	Melville	
Kwinana	Perth	
Mandurah	Swan	
Fremantle	Wanneroo	
Armadale	Bunbury	
Albany	Geraldton	
Busselton	Kalgoorlie-Boulder	
Port Hedland	Karratha	

This information was compiled by the City of Belmont in March 2025 and may have changed since that time.

The information regarding the holding of agenda briefings by a local authority is a matter of public record and available from each authority.

- 2) Can the City confirm what percentage of Local Government Areas currently provide public access to Agenda Briefing Forums via livestream or recording?
 - i) and where there City of Belmont sits in relation to that?

Response

Based on the City's review of the 23 Western Australian Tier 1 Local Governments' approach to agenda briefings undertaken in March 2025:

- 11 Local Governments do not hold publicly accessible Agenda Briefings,
- 12 Local Governments hold Agenda Briefings open to the public, and,
 - 2 of those Local Governments Bayswater and Belmont do not livestream Agenda Briefings.
- 3) Can the City confirm what percentage of the 15 Perth metropolitan Band 1 Local Government Areas currently provide public access to their Agenda Briefing Forums via livestream or recording and whether Belmont is now in the minority within this group?

Response

Referring to the figures obtained by the City in March this year, of the 15 Metropolitan Tier 1 Local Government Authorities:

- 7 metropolitan Local Governments do not hold publicly accessible Agenda Briefings.
- 8 metropolitan Local Governments hold Agenda Briefings open to the public and 2 of those Local Governments - Bayswater and Belmont - do not livestream Agenda Briefings.

5.1.3 Mr Cardozo on behalf of Belmont East Ward Connect

The following question was taken on notice at the 22 July 2025 Ordinary Council Meeting. Mr Cardozo was provided with a response on 14 August 2025. The response from the City is recorded accordingly:

2. Will the City commit to publishing the full community feedback in relation to the Sustainable Transport Strategy and corresponding officer's responses, when the Sustainable Transport Strategy returns to Council as has been done with previous strategies?

Response

When the Sustainable Transport Strategy is ready for Council review it is intended that the Council report will include an engagement report that summarises the engagement undertaken and community feedback.

5.1.4 Ms J Gee, Cloverdale

The following question was taken on notice at the 22 July 2025 Ordinary Council Meeting. Ms Gee was provided with a response on 13 August 2025. The response from the City is recorded accordingly:

1. How many staff does the City currently employ and how many of those live in the City of Belmont?

Response

The City currently employs 258 staff, recruited on merit regardless of whether they live in the City of Belmont or not.

5.2 Questions from members of the public

6 Confirmation of Minutes/receipt of Matrix

6.1 Matrix for the Agenda Briefing Forum held 19 August 2025

Officer Recommendation

That the Matrix of the Agenda Briefing Forum held on 19 August 2025, as printed and circulated to all Elected Members, be received and noted.

6.2 Ordinary Council Meeting held 22 July 2025

Officer Recommendation

That the Minutes of the Ordinary Council Meeting held on 22 July 2025, as printed and circulated to all Elected Members, be confirmed as a true and accurate record.

Council role

Quasi-Judicial Decision Making The judicial character arises from the

obligation for Council to abide by the principles of natural justice in making a decision on an application, e.g. development applications, building permits, applications for other permits/licences (under *Health Act*, *Dog Act* or Local Laws) and other decisions that may be appealed to the State Administrative

Tribunal

Purpose of report

For Council to determine a development application for a 'Brewery' at Lot 15 (159) Abernethy Road, Belmont.

Summary and key issues

- The City has received an application for a 'Brewery' at 159 Abernethy Road, Belmont.
- The site currently operates as an 'Office', 'Warehouse' and 'Training Centre'
- The proposed 'Brewery' involves the following key elements:
 - Conversion of an existing 30m² patio area.

- The distillation of spirits, with a production capacity of up to 13 kilolitres per annum.
- Operations limited to one day per week for a maximum of eight hours (9:00am-5:00pm), with typically one employee on site.
- No on-site sales or public access, with all products to be sold online or through wholesale supply to restaurants and taverns.
- While the term 'Brewery' is commonly associated with beer production, the land use definition under Local Planning Scheme No. 15 (LPS 15) includes the production of spirits.
- The site is zoned 'Mixed Business' under LPS 15, and 'Brewery' is a 'Use Not Listed'. Given this, the application must be advertised for public comment.
- The application was advertised to surrounding properties within a 200m radius. One submission was received from Water Corporation, which provided advice on technical requirements.
- The proposal is considered to be generally consistent with the zone objectives.
- It is recommended that the Council approve the proposal.

Officer Recommendation

That Council approve planning application 98/2025 as detailed in plans dated 12 March 2025, submitted by George Roy Distilling Pty Ltd on behalf of the owners Blue Water Super Pty Ltd and Riverwell Nominees Pty Ltd for a 'Brewery' at Lot 15 (No.159) Abernethy Road, Belmont subject to the following conditions:

Conditions

- 1. Development/land use shall be in accordance with the attached approved plan(s) 12 March 2025 and 19 March 2025 subject to any modifications required as a consequence of any condition(s) of this approval. The endorsed plans shall not be modified or altered without the prior written approval of the City.
- 2. All storage associated with the site shall occur within the building or beneath an approved roofed enclosure. The open-air storage of equipment, materials and stock in yard areas is not permitted unless otherwise approved by the City.
- 3. All stormwater from roofed and paved areas shall be collected and disposed of on-site in accordance with the City of Belmont's engineering requirements and design guidelines.

- 4. Prior to occupation or use of the development, vehicle parking, manoeuvring and circulation areas shall be designed, constructed, sealed, drained, line marked and kerbed in accordance with:
 - (a) The approved plan;
 - (b) Australian Standard AS/NZS 2890 and AS/NZS 1428;
 - (c) Schedule 7 of City of Belmont Local Planning Scheme No. 15; and
 - (d) The City's engineering requirements and design guidelines.

The areas must be sealed in bitumen or concrete in accordance with the City's specifications and thereafter maintained for the life of the development, to the satisfaction of the City.

5. The premises shall not be used for the sale or tasting of alcohol to or by members of the public.

Location

The subject site currently accommodates an Office, Warehouse and Educational Establishment (Training Centre). The surrounding area contains a mix of businesses operating from similar office/warehouse buildings.

Figure 1 shows an aerial image of the subject site and its surrounds, while Figure 2 provides an extract of the LPS 15 zoning map. In both figures, the subject site is outlined in red.

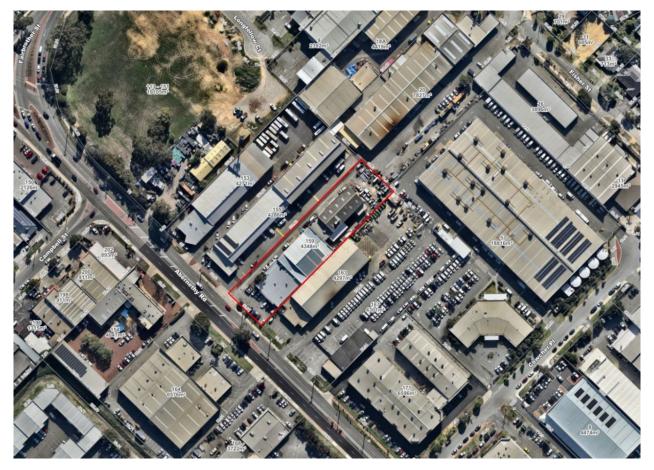

Figure 1: Aerial image showing the subject site outlined in red

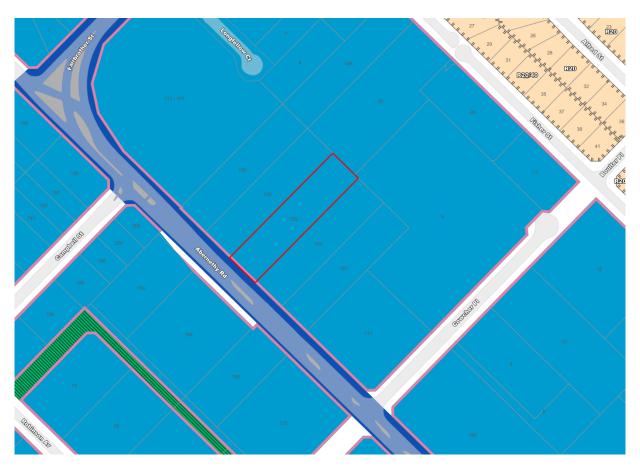

Figure 2 - Extract of LPS15 Zoning Map with the subject site outlined in red

Consultation

This application was advertised for 28 days between 22 June 2025 and 20 July 2025 in accordance with Clause 64(1)(a) of the *Planning and Development* (Local Planning Schemes) Regulation 2015 (WA) Schedule 2 – Deemed Provisions for Local Planning Schemes.

The consultation area covers surrounding properties that are within a 200m radius of the subject site, as illustrated by Figure 3 below.

Figure 3: Consultation Referral Map - subject site outlined in yellow

At the conclusion of the advertising period, one submission was received from the Water Corporation. While the submission did not express support or objection to the proposal, it included the following advice:

- Reticulated water is available for the subject lot.
- Reticulated sewerage is also available to the subject lot.
- Any works carried out in proximity to Water Corporation assets must receive prior approval from Water Corporation.
- The applicant is required to lodge a building approval application to Water Corporation.

A copy of the Water Corporation's submission is available in Attachment 12.1.1.

Strategic Community Plan implications

In accordance with the 2024–2034 Strategic Community Plan:

Key Performance Area: Prosperity

Outcome: 9. A progressive, vibrant and thriving economy with active participation in lifelong learning.

Key Performance Area: Performance

Outcome: 11. A happy, well-informed and engaged community.

Policy implications

There are no policy implications associated with this report.

Statutory environment

Local Planning Scheme No. 15

Local Planning Scheme No. 15 (LPS 15) defines a 'Brewery' as:

"premises the subject of a producer's license authorising the production of beer, cider or spirits granted under the Liquor Control Act 1988."

The proposal involves the production of spirits onsite, and the applicant has advised they will be seeking a 'producer's licence' under the *Liquor Control Act* 1988 should the application be approved. As such, the 'Brewery' land use is the most appropriate classification for the proposed use.

The subject site is zoned Mixed Business under LPS 15. 'Brewery' is a Use Not Listed in the Zoning Table (Table 1), meaning it must be assessed under Clause 3.4.2 of the Scheme. This clause allows the local government to determine whether the use is consistent with, may be consistent with (subject to advertising), or is not consistent with the objectives of the zone.

LPS15 outlines the objective of the 'Mixed Business' zone as:

"The 'Mixed Business' zone is intended to allow for the development of a mix of varied but compatible business uses such as offices, showrooms, amusement centres, eating establishments and appropriate industrial activities which do not generate nuisances detrimental to the amenity of the district or to the health, welfare and safety of residents and workforce. Uses can mix on adjacent lots of land or on the same lot and uses may mix horizontally or on the same or separate lots and/or vertically in buildings. Buildings should be of a high standard or architectural design set in pleasant garden surrounds with limited vehicular access from properties to primary roads."

Planning and Development (Local Planning Schemes) Regulations 2015 (WA)

Matters To Be Considered

Schedule 2 Part 9 Clause 67(2) of the *Planning and Development (Local Planning Schemes) Regulations 2015* (Regulations) states the matters to be considered by local government in determining a development application. The following matters are relevant to this application:

- a) The aims and provisions of this Scheme and any other local planning scheme operating within the Scheme area;
- b) The requirements of orderly and proper planning including any proposed local planning scheme or amendment to this Scheme that has been advertised under the Regulations or any other proposed planning instrument that the local government is seriously considering adopting or approving;
- c) The compatibility of the development with its setting, including
 - i) The compatibility of the development with the desired future character of its setting; and
 - ii) The relationship of the development to development on adjoining land or on other land in the locality including, but not limited to, the likely effect of the height, bulk, scale, orientation and appearance of the development;
- d) The amenity of the locality including the following
 - i) Environmental impacts of the development;
 - ii) The character of the locality;
 - iii) Social impacts of the development;
- e) The adequacy of
 - i) The proposed means of access to and egress from the site; and
 - ii) Arrangements for the loading, unloading, manoeuvring and parking of vehicles
- f) The adequacy of -

The availability and adequacy for the development of the following -

- i) Public transport services;
- ii) Public utility services;
- iii) Storage, management and collection of waste;
- iv) Access for pedestrians and cyclists (including end of trip storage, toilet and shower facilities);
- v) Access by older people and people with disability;
- g) Any submissions received on the application;
 - (za) The comments or submissions received from any authority consulted under clause 66;
 - (zb) Any other planning consideration the local government considers appropriate.

Deemed Refusal

Under Clause 75 of the deemed provisions of Regulations, an application is 'deemed to be refused' if it is not determined within a 90 day period.

The only exception is where there is a written agreement for a further time between the applicant and the City of Belmont. Whilst the deemed refusal date for the application passed on 18 June 2025, the applicant was notified that this application is to be determined by Council on the 26 August 2025 and did not raise any concerns.

Right of Review

Is there a right of review? \square Yes \square No

The applicant/owner may make an application for review of a planning approval/planning refusal to the State Administrative Tribunal (SAT) subject to Part 14 of the *Planning and Development Act 2005 (WA)*. Applications for review must be lodged with SAT within 28 days. Further information can be obtained from the SAT website–www.sat.justice.wa.gov.au.

Lodgement Date:	20 March 2025	Use Class:	`Brewery'
Lot Area:	4 348m²	TPS Zoning:	Mixed Business
Estimated Cost of Development:	\$15,000	MRS:	Industrial

Proposal

The applicant seeks approval to establish a 'Brewery' land use at 159 Abernethy Road. The key aspects of the proposal include:

- Enclosing an existing 30m² patio area to create the brewery space.
- Reconfiguring on-site parking to provide a total of 35 bays servicing both existing and proposed uses.
- Operating hours limited to one day per week, from 9am to 5pm.
- The production of up to a maximum of 13kL of spirits annually.
- One employee will be required in the normal operation of the site, with another employee joining them occasionally.
- Conducting deliveries via a utility vehicle driven by the onsite employee.

Relevant information associated with the application is available at Attachments 12.1.2, 12.1.3 and 12.1.4. A copy of the development plans is available for viewing at Attachment 12.1.5.

Report

The key planning considerations relating to the application are discussed below.

Compatibility of the Use within the 'Mixed Business' Zone and Subject Site

As the application proposes a 'Use Not Listed', it must be assessed against the objectives of the Mixed Business zone. The Mixed Business zone is intended to accommodate a mix of varied but compatible business uses such as offices, showrooms, amusement centres, eating establishments and appropriate industrial activities which do not generate nuisances detrimental to the amenity of the district or to the health, welfare and safety of residents and workforce.

The proposed Brewery is a small-scale operation situated within an existing patio area, which is not visible from the street. It will operate only one day per week, with generally a single employee on site. No public tastings are proposed, and production volumes will remain limited. These operational characteristics ensure that the use will not generate undue noise, traffic or other impacts that could detract from local amenity.

In this context, the Brewery aligns with the objectives of the Mixed Business zone by introducing a low-impact, small-scale use that is compatible with other businesses and activities in the area. It does not conflict with, or compromise, the function of surrounding uses or the intent of the zone.

In addition to aligning with the zone objectives, the proposal is considered appropriate in the context of the subject site and its immediate surrounds.

The locality features a typical range of Mixed Business zone uses, including offices, warehouses, and training centres (Figure 4).

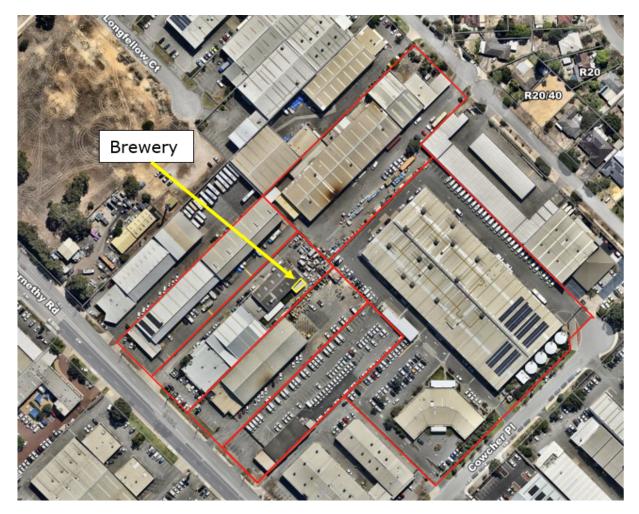

Figure 4: Location of the proposed Brewery relative to the locality outlined in red

The proposed use is consistent with the established and intended character of the area. It is well integrated with the existing built form and generates negligible operational impacts. As such, the Brewery can be readily accommodated on the site without compromising local amenity or the strategic intent of the zone.

Vehicle Movement and Parking

There is no prescribed car parking standard for the 'Brewery' land use under LPS 15. In these instances, Clause 4.16.4(1) allows the City to determine an appropriate parking requirement based on the nature of the use and the likely volume of people or goods moving to and from the site.

For the purposes of assessment, the Industry-Light parking standard has been used as a guide. This standard is considered the most relevant given the Brewery's production-based nature, limited scale, and absence of customer visitation or on-site consumption. The standard is:

"1 space for every 50m² of open space used for industrial purposes, plus 1 space for every 50m² of GFA; or 1 space for each employee, whichever is the greater."

The site currently accommodates 35 parking bays. Based on the above standard, the Brewery would generate a requirement for an additional two bays. No new bays are proposed as part of this application. In considering the appropriateness of this, the following is relevant:

- The site currently accommodates 15 full-time employees, who collectively require 15 bays during standard hours (9:00am-5:00pm), leaving other bays available for visitors, contractors, and deliveries.
- The Brewery's maximum operational parking demand is limited to two bays, one day per week.
- Any future changes to the site's land use mix would require further development approval, allowing a reassessment of parking as needed.

Given the low intensity and infrequent nature of the 'Brewery' use and the controlled nature of the existing 'Office/Warehouse/Training Centre' operations, the proposed parking provision is sufficient and consistent with Clause 4.16.4(1) of LPS 15 and can be supported.

Conclusion

It is considered that the proposed 'Use Not Listed – Brewery' is consistent with the objectives of the 'Mixed Business' zone, and the proposed works are consistent with the relevant development standards and requirements. It is therefore recommended that the application be approved with conditions.

Financial implications

There are no financial implications evident at this time.

Environmental implications

There are no environmental implications associated with this report.

Social implications

There are no social implications associated with this report.

Re: 157-9 ABERNETHY RD BELMONT LOT 15

Thank you for your letter dated 20th June 2025. We offer the following comments regarding this proposal.

Water

Reticulated water is available to the subject lot. A 25mm water service exists on the property.

Wastewater

Reticulated sewerage is available to the subject lot. Any portion of the proposed building which is within the zone of influence to sewer main may require suitable footings in accordance with our technical guidelines. Please refer to our website: www.watercorporation.com.au/Developing-and-building/Working-near-assets.

Approval for works

Any works carried out in proximity to our Assets must receive prior approval by applying for an Asset Protection Risk Assessment (APRA). To assess whether the proposed development will require an APRA, details of the Prescribed Proximities are available on our website: www.watercorporation.com.au/Developing-and-building/Working-nearassets/Approval-for-works.

Building Approval Application

The applicant is required to submit an Additions/Alterations Application by using our online portal, BuilderNet:

login-buildernet.watercorporation.com.au.

Attachments required for approval will include:

- Final construction site & architectural floor plans
- Engineer certified piling detail plans (if required)
- Hydraulic Plans Water & Wastewater
- Trade Waste Application Form Application forms (watercorporation.com.au)
- Trade Waste Supplement Form

Document Set ID: 6008004 Version: 1, Version Date: 03/07/2025

DCE Electrical | Leopard Controls 159 Abernethy Road, Belmont WA 6104

T: 08 9277 2233 ABN: 82 109 054 462

12/03/2025

To City of Belmont,

The below is a written submission to accompany the Development Application documents submission to shire.

Detailed Description of land use:

The proposed secure building is to be used as a small scale commercial distillery, housing a distillery, lockable cabinetry for ethanol storage, manual bottling facility and stainless steel benches etc.

Proposed Hours and Days of Operation:

The days and hours of operation will be 8 hours for 1 day per week.

Maximum Number of employees at any one time:

Majority of the time will be one employee with a second required on a very rare occasion, if any.

Maximum Number of Expected Visitors/Customers/Clients at the premises at any given time: Nil

Any Equipment to be used:

Distillery equipment, see attached FF-GEORGE-RevB-GA drawing in submission

All other relevant information regarding the Land Use:

The area is at the rear of the property, on an enclosed side. Access is through an automated security gate and the pathway to the distillery area is monitored by approximately 8 cameras capable of remote access.

Yours Sincerely

Lindsay Dick

Director

George Roy Distilling Pty Ltd

CITY OF BELMONT RECEIVED 12/03/2025 Application No: 98/2025

GEORGE ROY DISTILLING PTY LTD

DISTILLERY

BUSINESS CASE

PREPARED BY JASON DICK AND LINDSAY DICK

Background

George Roy Distilling is located at 159 Abernethy Road, Belmont, Perth, a property that consists of a commercial business with a large office space as well as multiple large adjoining warehouses where the distillery space has been created and built to suit. Perth business owner and operator Lindsay Dick, alongside long-time experienced Hospitality Venue Manager and son Jason Dick, owns and operates the business of George Roy Distilling, controlling both the freehold and leasehold.

Craft spirit distillation has long been a dream of George Roy Distilling co-owners (and family members) Jason and Lindsay, who both share a passion in creating bespoke and quality beverages.

Through installation and operation of the proposed distillery, George Roy Distilling hope to create a striking and recognisable craft spirits brand that is sold through the company of George Roy Distilling to spirit lovers and spirit enthusiasts throughout Perth.

StillCraft 200 Craft Distillery

George Roy Distilling has engaged the professional services of Flying Foam, an experienced Perth based craft distillery designer, installer and equipment supplier.

Flying Foam are proposing installation of a StillCraft 200, which is a highly polished copper and stainless-steel combined pot and column still piped and arranged for both aesthetics and ergonomics. The still has an indirectly heated 200 litre pot via an electrically fired oil bath and comes with two 159mm Ø columns and a vapour basket as options for distilling. StillCraft is fully piped for product, CIP, condensate and drainage and is easy to operate and clean. Columns are selected with the overhead valves to direct vapor flow to the desired configuration.

Designed to cast out approximately 220 bottles of 37.5% spirits over a single run StillCraft 200 delivers efficient accurate process.

StillCraft's control panel is a client embossed satin polished stainless-steel panel built to Australian wiring standards. Switches with indicator lights are used to control the heating elements, pump, paddle and light. Heating element current is displayed and controlled using an adjustable dial. The oil bath temperature is displayed and automatically managed by thermostatic control maintaining accurate set points. StillCraft's motors and electrics are designed to be explosion proof ensuring safe production of ethanol.

The StillCraft 200 package includes the following peripheral equipment;

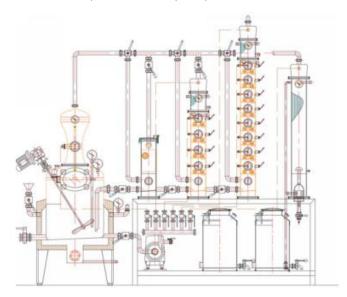

- 300 litre stainless-steel blending tank with CIP spray ball
- 1 x 50 litre stainless-steel transfer vessel
- 6 x 25 litre stainless-steel transfer vessels
- Stainless-steel mixing paddle
- Transfer Set
- Product hoses
- · Tri-clamps and seals Spare heating element

In addition to the StillCraft 200 package, the following ancillary equipment will be supplied;

- Anton Par DMA35 Density Meter
- Reverse Osmosis Water Small Batch System 300 Litre

- Manual Round Bottle Labeller
- Tenco Enolmatic Single Head Vacuum Filler & Filter
- Proofing Scales 100kg Calibrated
- Ingredient Scale 2kg
- Cutting Jars 2 litre
- Ethanol Drum Pump
- Measuring Jugs

Photos and general arrangement drawings are available in subsequent sections of this document, however the below illustration depicts the distillery setup.

Distillation

Whilst the StillCraft 200 proposed to be installed is capable of producing any spirits, George Roy Distilling plan to distil primarily white spirits (gin + vodka) for use in mixed beverages and cocktails at the George Roy Distilling site.

We plan to engage Flying Foam's experienced team to assist with distillation processes, menu development, ingredient supply, bottling and labelling.

George Roy Distilling will be responsible for all ATO excise return lodgements.

Production, Use and Expected Sales

George Roy Distilling plan to distil primarily white spirits (gin + vodka) for use in mixed beverages and cocktails in hospitality venues around Perth. Our target production ABV for all products will be 37.5%.

The products will be marketed as hand crafted locally produced spirits, capitalising on the growing craft beverage trends.

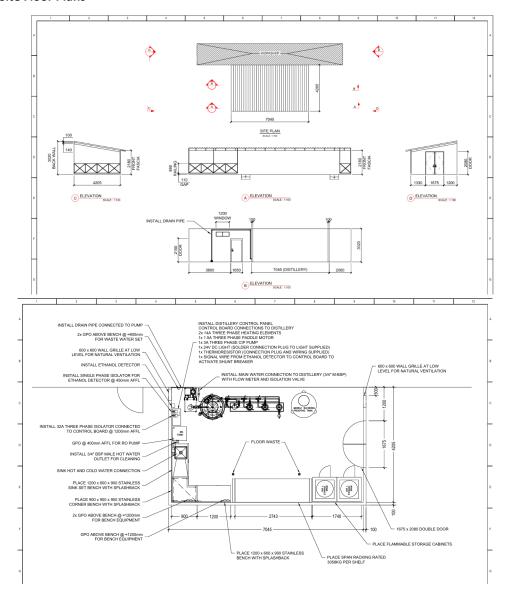

At this stage we plan to sell the finished spirit in bottle form to venues around the Perth Metro area.

Based on current sales of substitute products, we expect to produce and sell approximately 13,000 litres of spirits per year.

Security

George Roy Distilling, including the areas proposed for the distillery, is thoroughly protected by a monitored burglar alarm system, monitored and regularly tested fire system and approximately 8 CCTV cameras which can be viewed on site and remotely, as well as key locked steel frame wooden doors and a perimeter fence with electronic gate which is locked after business hours.

Site Floor Plans

DISTILLERIES

StillCraft TRADE WASTE BRIEF

OCTOBER 2021

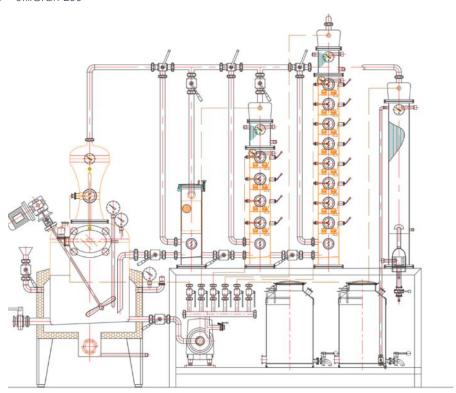

StillCraft Trade Waste Brief

StillCraft

Flying Foam StillCraft is a range of quality small scale distilling platforms designed to operate within the hospitality or retail arenas. StillCraft is engineered to Australian design codes and is supplied, installed, and commissioned by the professional experienced Flying Foam team.

The StillCraft range is available in two different sizes and are named accordingly based on the approximate number of 700 ml bottles that are produced in a distillation run. The StillCraft range includes...

- o StillCraft 100
- o StillCraft 200

Indicative drawing StillCraft 100

Designed over two distinct areas a typical StillCraft installation would see a distillation area front of house and a process packaging area back of house.

Page 1 of 5

Distillation Area – Front Of House

To enhance the connection of the distilling process and its connection with the client base of each installation the front of house distilling area is intentionally designed to be clean and architectural. The front of house distilling area houses the distillery on a purpose designed platform which incorporates hydraulic, mechanical (as required) and electrical services.

Hydraulic Supply

Comprising a 15 mm potable water feed to supply condensing and wash down water.

Hydraulic Discharge

Comprising...

- Stainless-steel channel drain circa 150 mm wide by 50 mm deep with stainless-steel heel guard grates the length of the distilling platform.
- Stainless-steel bucket trap for the collection and removal of solids to general waste.
 Please note In installations where service access prohibits the installation of below ground bucket traps a removable above ground bucket trap infrastructure is used ensuring all solids are collected for disposal in general waste.
- Discharge is connected using trapped HDPE piping to the house waste system before discharge to sewar at the boundary of the property.

Process & Packaging – Back Of House

This area is designed to facilitate the blending and packaging of final product. The area comprises infrastructure including...

- o Low volume reverse osmosis water filtration and storage (300 litres per 24 hours)
- o Blending tank
- o Stainless-steel sinks and benches
- Product shelving

Hydraulic Supply

Comprising a 15 mm potable cold-water feed to supply...

- Hot water system
- o Small scale reverse osmosis water filtration (300 litres per 24 hours)
- o General sink supply of hot and cold-water services
- Washdown supply

Hydraulic Discharge

Comprising of...

- o General sink waste connection
- Floor waste
- o Tund dish Reverse osmosis rejection

Discharge is connected using HDPE piping to the house waste system before discharge to sewar at the boundary of the property.

Page 2 of 5

Distillation Process Description

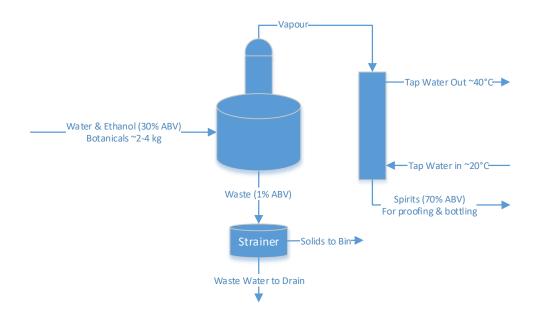

The distillation process is as follows;

- o Ingredients are placed into the still pot (StillCraft 100, StillCraft 200)
- o Reverse osmosis water (70 litres 140 litres)
- o Food grade ethanol (30 litres 60 litres)
- o Mixed botanicals (1 kg 2 kg)

Examples of botanicals include coriander seeds, juniper, orange peel, lemon peel, bay leaf, pepper, mint.

- The vessel is sealed, and heat source activated, the mixture boils and the vapour collected.
- Vapour is condensed using a vapour condenser which is cooled by a constant flow of scheme water. Flowrates are adjusted to maintain a discharge temperature of approximately 40 degrees Celsius. The vapour condenser is closed circuit, discharged water is potable scheme.
- o Cuts are collected (fore-shots, heads, body, tails).
- o Unused fore-shots, heads and tails collected for re-distillation.
- Process is run until pot temperature reaches 99 degrees Celsius indicating that all the remaining ethanol has been removed and distillation process is complete.
- Heat source is turned off and the remaining liquid (50 litres 100 litres) is diluted with ambient scheme water before discharge into solid arrestation infrastructure (above or below ground site specific) at a temperature of approximately 50 degrees Celsius.
- o Solids are collected and removed to general waste.
- The distillery is then rinsed with ambient scheme water in preparation for the next process run.

Process Diagram

Page 3 of 5

Typical Distillation Process Breakdown

Component	StillCraft 100	StillCraft 200
Process liquid in still (litres)	100	200
Solids in Still (kg)	1	2
ABV in Still (% ABV)	33%	33%
Distilled liquid collected final process (litres)	49	98
ABV of collected Liquid (% ABV)	74%	74%
Liquid discharge from still post process including	150	250
rinsing water (litres)		
ABV of discharge (% ABV)	< 1%	< 1%
Temperature of still discharge (degrees Celsius)	40°C	40°C
Solids collected in strainer basket (kg)	1	2
Solids sent to discharge (kg)	0	0
Condenser water at approximately 40 degrees	150	300
Celsius (L)		
Final cleaning & rinsing cold water (litres)	100	100

Distillation Trade Waste

The process discharge is a combination of water, ethanol and botanical residue. Ethanol is collected such that less than 1% ABV of ethanol is discharged to waste with all solids collected in strainers and discarded to general waste.

Distillation Wastewater Quantities (per process run)

	StillCraft 100	StillCraft 200
Ethanol (% of overall composition)	< 1%	< 1%
Solids (kg)	0	0
Water (L, Total)	< 400L	< 800L
Reverse Osmosis Rejection Water	< 150L	< 300L
Combined waste temperature	< 40°C	< 40°C

Cyclic Maintenance

On a monthly cycle the still is cleaned and passivated using a 30 litre solution of 1% food grade citric acid and water. The Solution is recirculated through the still with in situ CIP infrastructure. The solution is discharged to waste and the still is rinsed with approximately 50 litres of ambient scheme water discharged to waste.

Process & Packaging Description (back of house)

Collected distilled product is transferred from the front of house area to the Process & Packaging area (back of house).

This product is diluted (proofed) using reverse osmosis water to the required ABV in a stainlesssteel blending tank

The entirety of product is packaged into the specified format containers.

During and post this process equipment is hot water rinsed using potable scheme water at a temperature of approximately 50 degrees Celsius before a final cold-water rinse of ambient potable scheme water, with waste discharged to the back of house hydraulic infrastructure described above.

Page 4 of 5

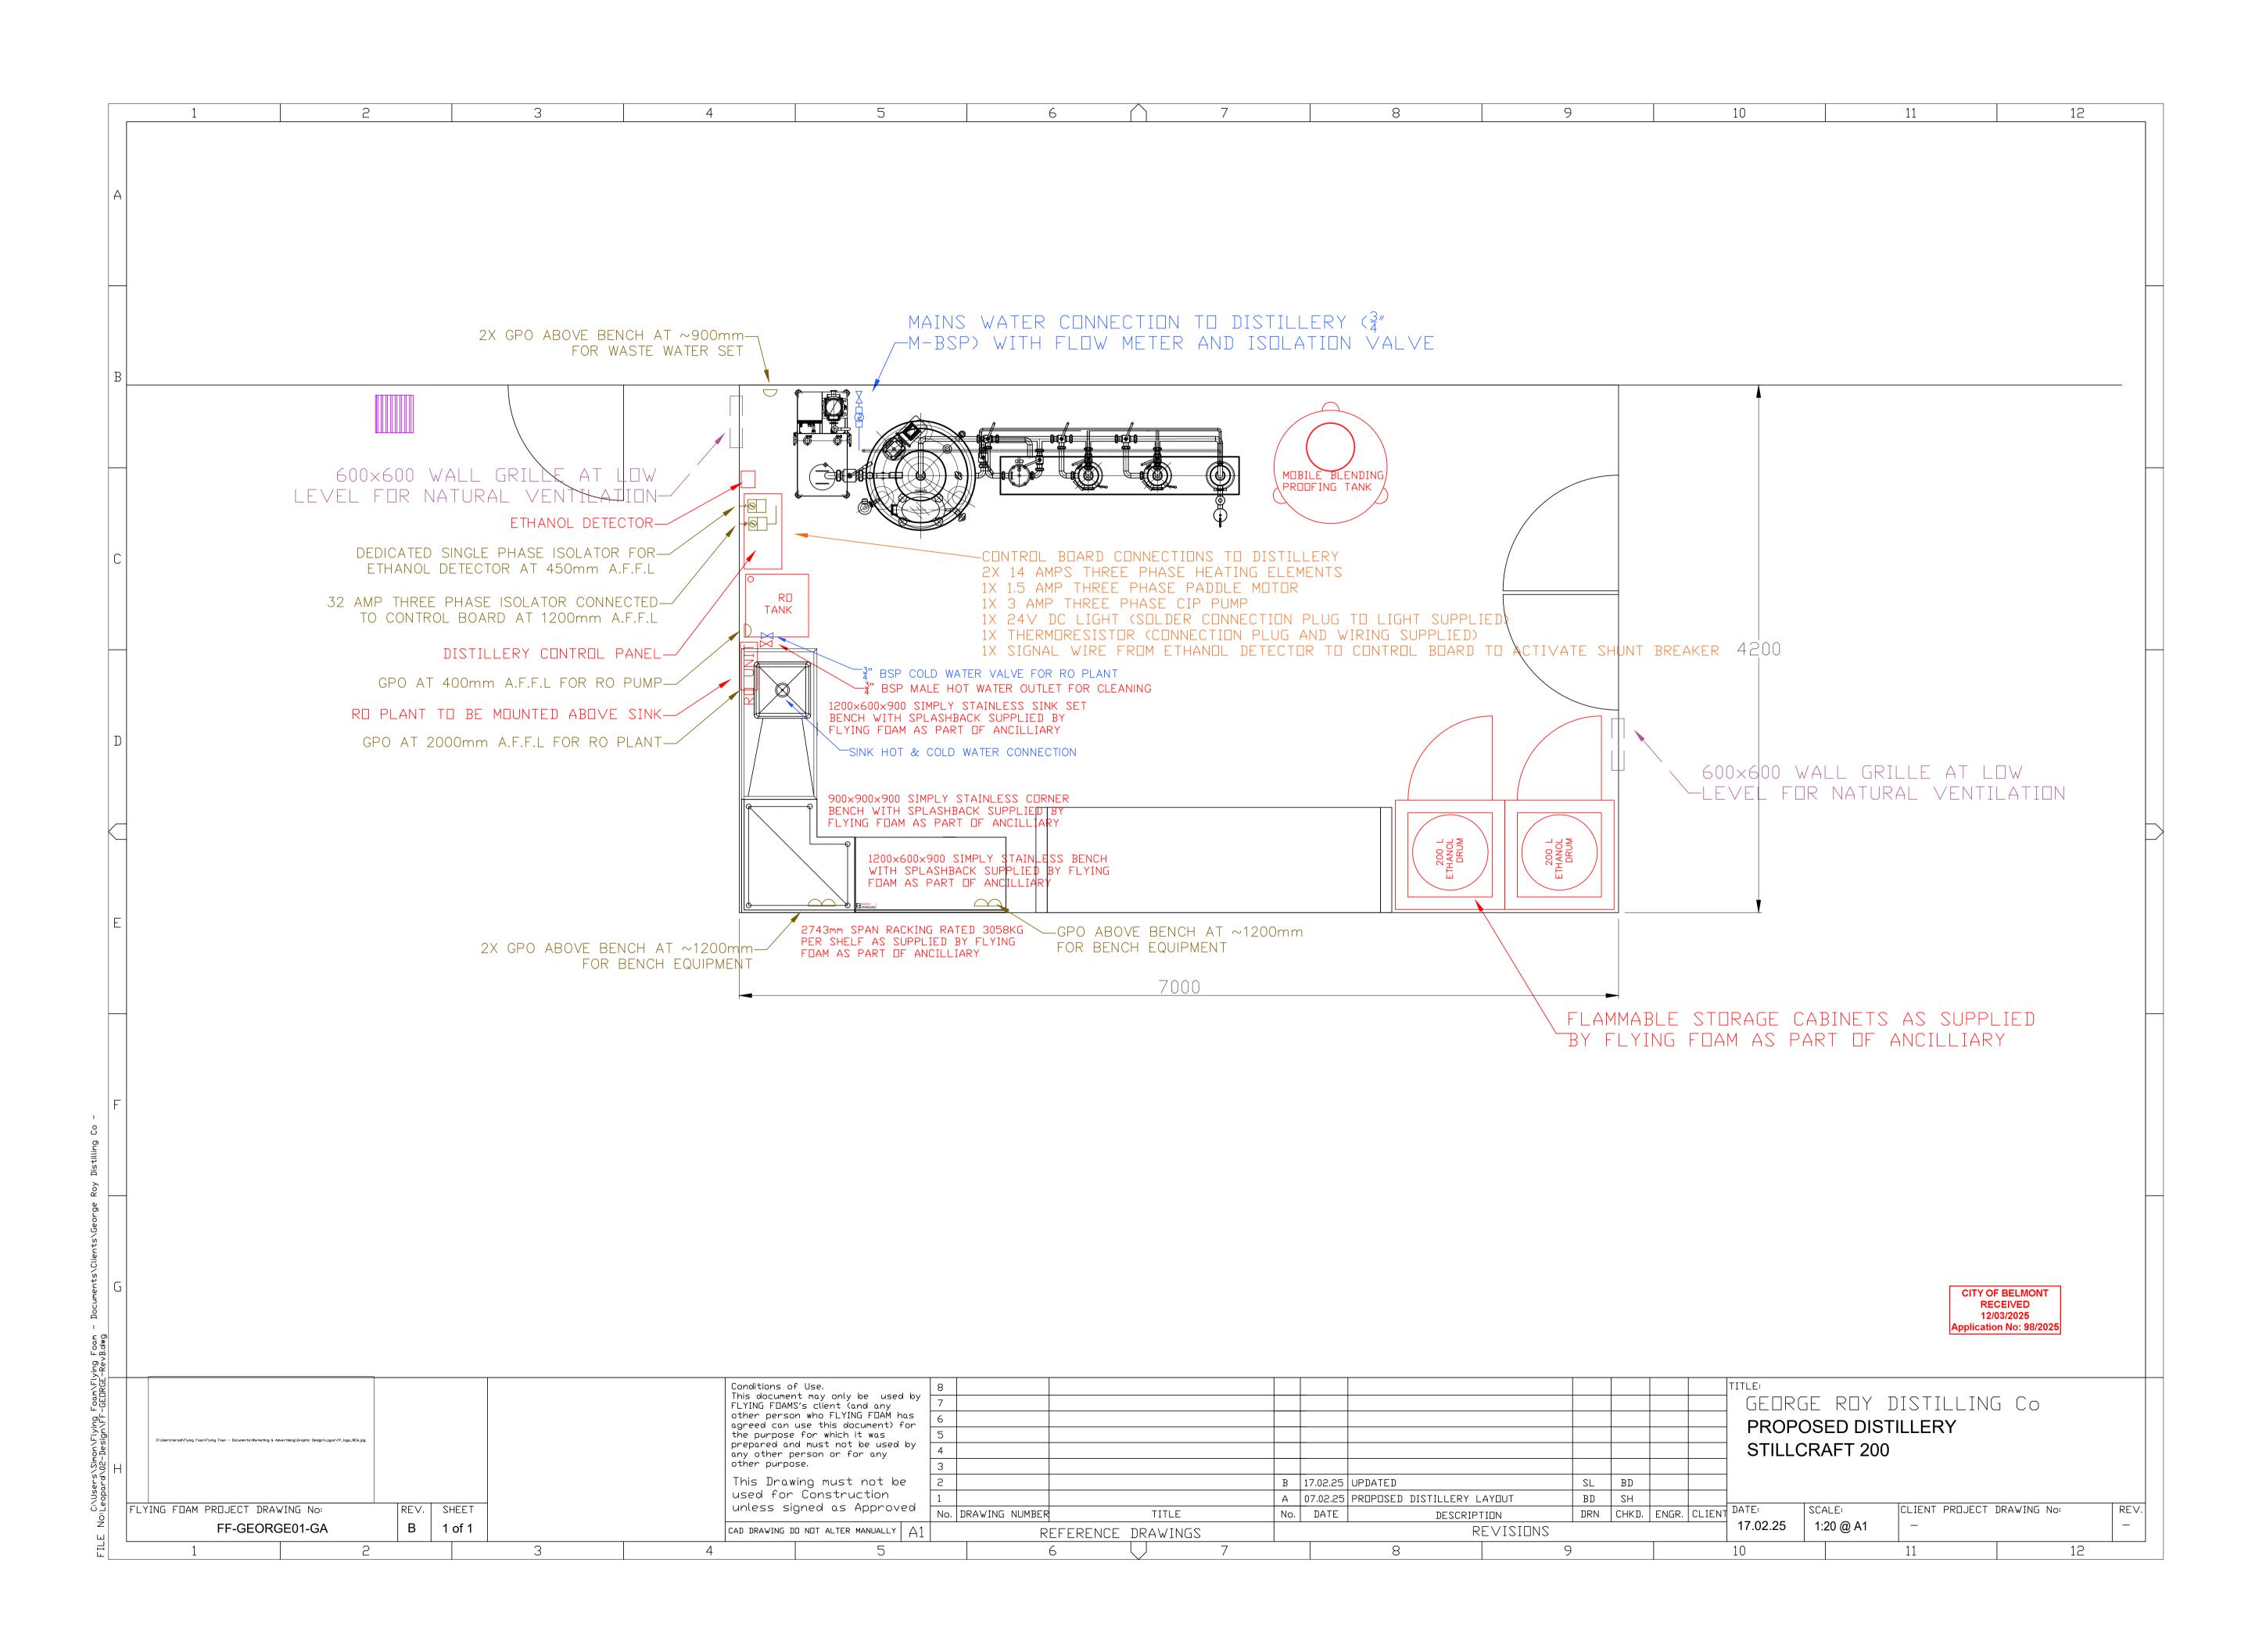

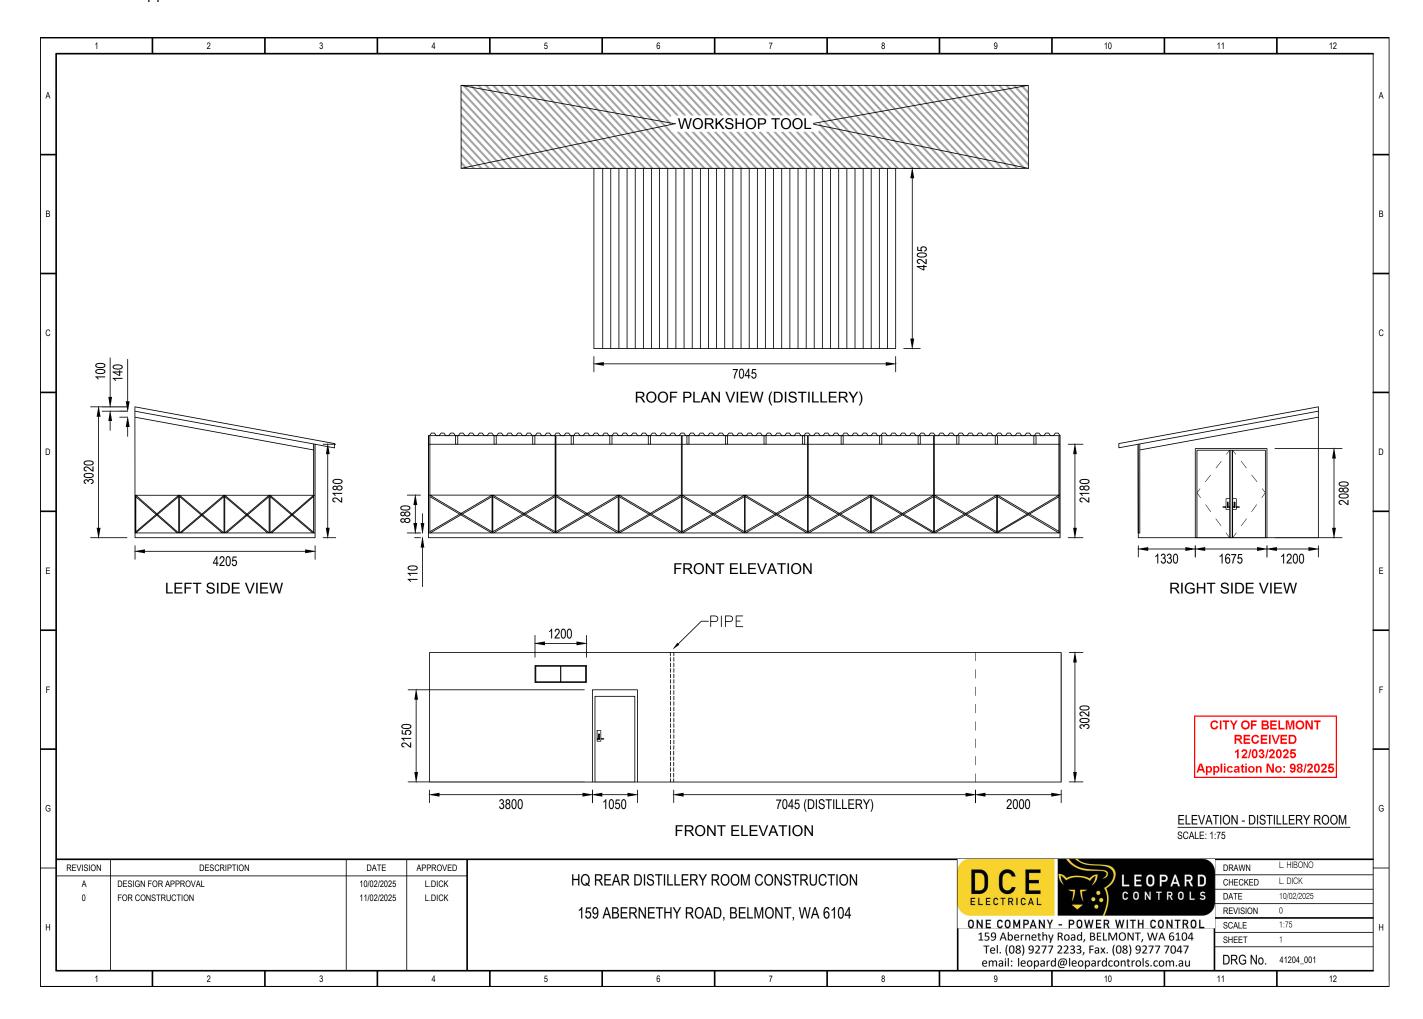

Disclaimer

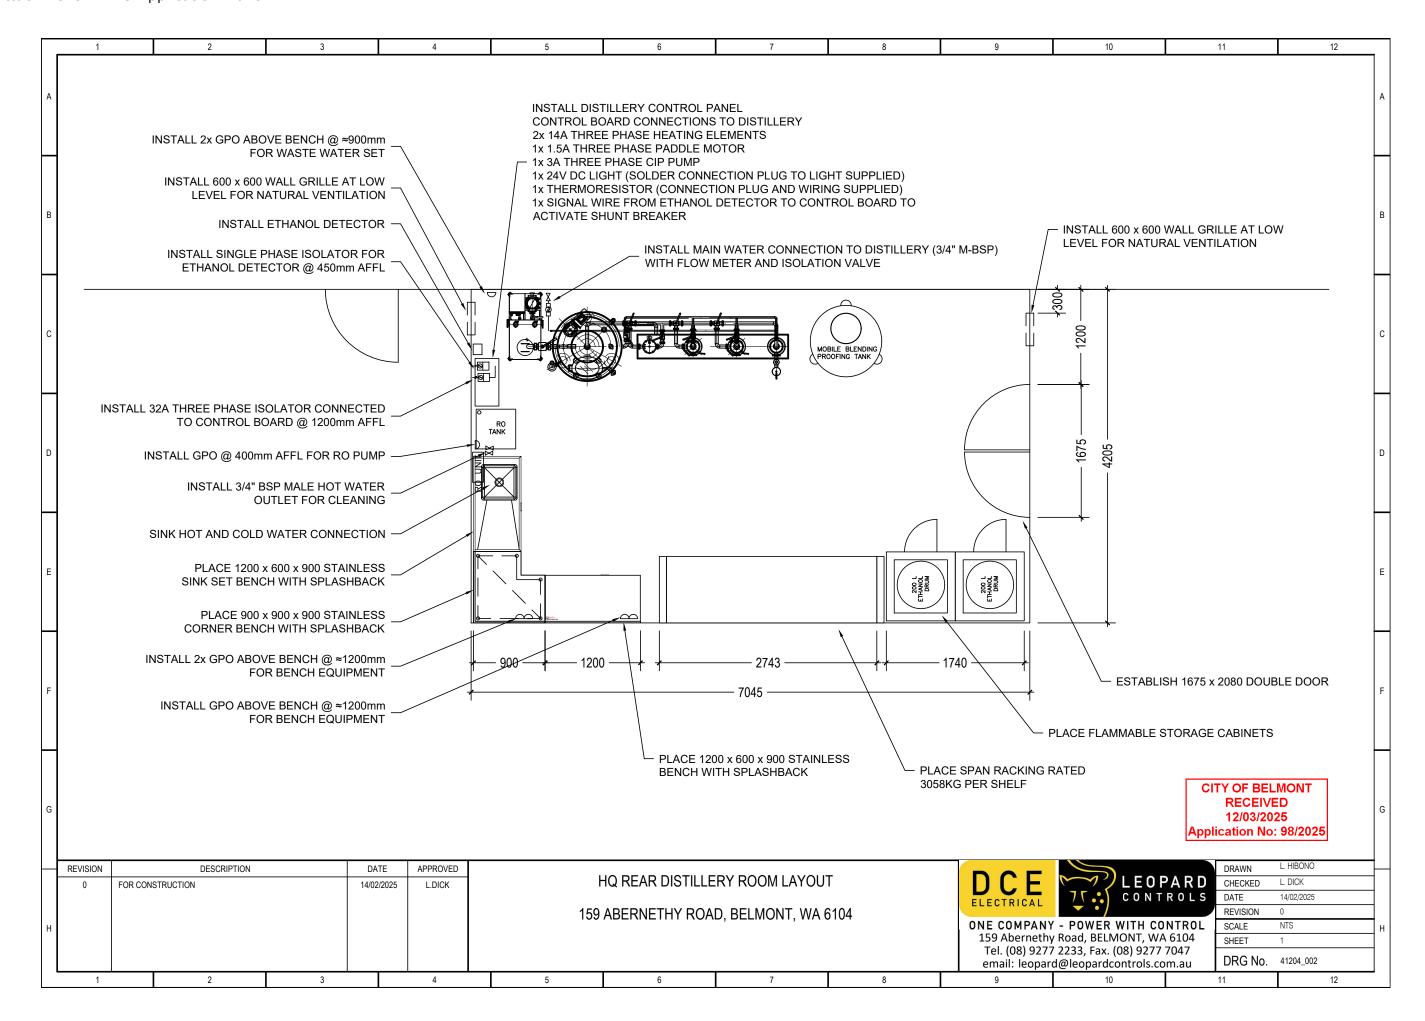

This document has been written by Flying Foam as a general description with regards the hydraulic infrastructure and consumption/discharge of trade waste for inclusion in trade waste license applications. Flying Foam are not nor do represent themselves as hydraulic consultants.

Ordinary Council Meeting Tuesday 26 August 2025

12.2 Community Safety Strategy 2025-2030

Voting Requirement Simple Majority

Subject Index 36/002 - Community Safety and Crime

Prevention Plan

Location/Property Index N/A Application Index N/A Disclosure of any Interest Nil Previous Items N/A Applicant N/A Owner N/A

Responsible Division **Development and Communities**

Council role

Strategic

Planning strategically for the future of the City or

providing strategic direction to the CEO e.g. approving the Strategic Community Plan, advocating to another

level of government/body/agency.

Purpose of report

To seek Council endorsement of the Community Safety Strategy 2025-2030, as provided in Attachment 12.2.2.

Summary and key issues

- The City's Community Safety Strategy 2025-2030 is an informing strategy developed to address the Strategic Community Plan 2024-2034, Desired Outcome 1: A safe healthy community. It outlines the City's commitment to improved community safety outcomes for the local community.
- The development of a new Community Safety Strategy is listed as Action 1.1.1 within the City's Corporate Business Plan 2024-2028.
- Community engagement for the Strategy was undertaken from mid-2024 and focused on a series of pop-up events, presentations to key advisory groups and online feedback, all culminating in a community workshop in August 2024.

The Strategy has been drafted under four key pillars of: Deliver, Empower, Partner, and Advocate. This identifies where the City is the lead agent of change and where collaboration or advocacy with other agencies is required to affect better community safety outcomes.

Unlike previous Community Safety Strategies, this Strategy has been developed as a City-wide approach to community safety. It includes actions for various City departments and references other City strategies that influence community safety outcomes.

Officer Recommendation

That Council:

- 1. Endorses the Community Safety Strategy 2025-2030.
- 2. Authorises the Chief Executive Office to:
 - a. Approve minor changes to the Community Safety Strategy 2025-2030 as required.
 - b. Arrange for the Community Safety Strategy to be graphically designed prior to publication.

Location

Not applicable.

Consultation

The strategy review was informed by the MARKYT Community Perceptions and MARKYT Business Scorecards of 2023 and 2024 and the MARKYT Wellbeing Scorecard of 2023.

The first engagement for this Strategy was held from May to June 2024 and included:

- Survey and pin boards (digital and hardcopy).
- Multiple pop ups at events and public places (such as Bunnings Belmont, Belmont Forum, Belvidere Street and Love Street).
- Meetings with key stakeholders (Belmont Business Advisory Group, local school Principals, Youth Champions at Belmont City College, local seniors, and Southern Cross Care).

Feedback was invited through online and in-person engagement methods.

The second engagement saw an Expression of Interest promoted for community members and stakeholders to take part in a Community Safety Strategy workshop to refine the results of the consultation and identify key inclusions in the strategy. The workshop was facilitated on 8 August 2024 by engagement consultant, The Collab Effect.

To close the loop with those who participated in the development of the Strategy, the City distributed the draft Strategy and Community Engagement Report to the 63 participants who had previously provided their contact details. This occurred on 18 July 2025. The documents were shared via email, with recipients encouraged to view the materials and, if they wished, provide any further comment.

Email tracking data showed:

- 35 recipients opened the email
- 19 viewed the documents
- 9 downloaded the draft Strategy
- 5 downloaded the Community Engagement Report.

No comments or feedback have been received at the time of writing this report.

Further details on the engagement approach and how community input has been addressed by the draft Strategy are outlined in the Engagement Report (Attachment 12.2.2).

Strategic Community Plan implications

In accordance with the 2024–2034 Strategic Community Plan:

Key Performance Area: People

Outcome: 1. A safe, healthy community.

Policy implications

There are no policy implications associated with this report.

Statutory environment

There are no specific statutory requirements in respect to this matter.

Background

The City's first Community Safety Strategy was developed in 2012. The draft Community Safety Strategy 2025-2030 is the third iteration of a Community Safety Strategy for the City and seeks to build on the successes of previous strategies.

When the City undertakes the regular MARKYT Community Perceptions Scorecard, community safety continually ranks as the number one priority issue for our local community. The second priority is street lighting, which has strong links to people's perceptions of safety. The development of a new Community Safety Strategy is listed as Action 1.1.1 in the City's Corporate Business Plan 2024-2028. The Community Safety

Strategy 2025-2030 has been developed as an informing strategy that steers actions towards addressing the Strategic Community Plan 2024-2034 Desired Outcome 1: A safe healthy community.

Feedback obtained from the engagement process helped establish the key priorities our community considered necessary in addressing safety concerns within the City of Belmont.

Report

During the engagement period for this strategy the community acknowledged the City's current efforts in:

- Developing and building partnerships.
- Investing in and expanding the CCTV network.
- Implementing Belmont Community Watch Patrols.
- Providing additional community safety resources and funding.
- Delivering new crime prevention initiatives, such as security appraisals.
- Regularly reviewing performance and strategic focus within community safety.
- Collaborating closely with key agencies on social drivers linked to crime and perception concerns.

The community suggested improvements in:

- Developing community resilience towards crime and safety.
- Increasing promotion, education, and engagement regarding community safety services.
- Offering localised engagement approaches, supporting multicultural communities and older people.
- Targeting key contributing factors to crime and antisocial behaviours.
- Enhancing relationships with WA Police, domestic violence services, young people, and neighbourhood groups.
- Maintaining and potentially increasing resources for certain service areas.

Key actions in the strategy include:

- **1. Deliver:** City-led crime prevention and community safety initiatives.
 - **Key Investments:** 630 fixed CCTV cameras, 24/7 security patrols, graffiti removal program.
 - Action Outcomes: Nine focus areas.

- **2. Empower:** Build safety resilience through education, promotion, and support.
 - **Key Investments:** Security assessments, bike and e-bike registration, security floodlights.
 - Action Outcomes: Seven focus areas.
- **3. Partner:** The City develops strategic partnerships with key agencies and supporting organisations to improve community safety outcomes.
 - **Key Investments:** 24/7 CCTV link with WA Police Force, family and domestic violence support, youth programs.
 - Action Outcomes: Seven focus areas.
- **4. Advocate:** The City listening and monitoring community safety needs to advocate to other tiers of government.
 - **Key Investments:** Support for Belmont Police Station, liaison with state agencies, lighting programs through Western Power.
 - Action Outcomes: Seven focus areas.

The attached Strategy has been developed to be a City-wide approach to community safety. It includes actions for various teams and references other City strategies that influence community safety outcomes.

The City will monitor the implementation of the strategy over the next five years and annually review its performance in line with the City's Corporate Business Plan and annual budget process.

Financial implications

All activities are currently budgeted for, however any changes required will form part of the future annual budget process.

Environmental implications

There are no environmental implications associated with this report.

Social implications

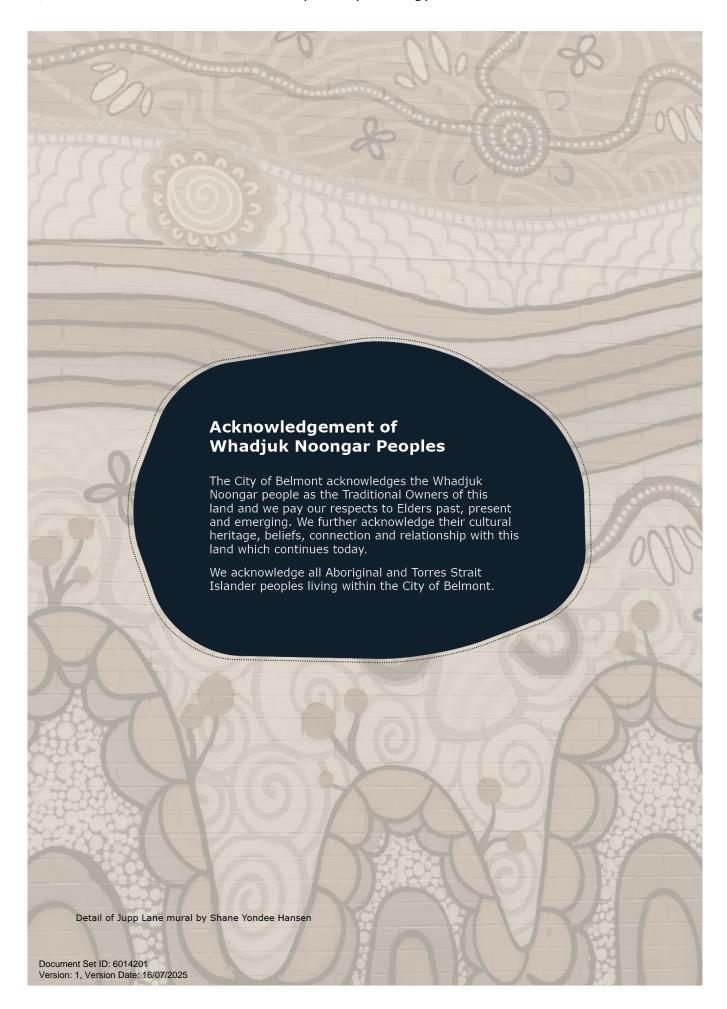

The Community Safety Strategy 2025-2030 supports the objectives within the Key Performance areas of People, Place, Prosperity and Performance.

Attachment details

Attachment No and title

- 1. Draft Community Safety Strategy 2025 2030 [**12.2.1** 28 pages]
- 2. Community Safety Strategy Engagement Report [12.2.2 21 pages]

Executive summary

The City of Belmont is the City of Opportunity. It is home to a diverse and harmonious community with thriving industrial and commercial precincts, and is situated on the banks of the Derbal Yerrigan (Swan River).

Community safety is a key concern in the City, with it consistently ranking as our highest community priority and many in the local area reporting that they don't feel safe when out and about in the City of Belmont.

Community safety is a complex area and requires a coordinated and collaborative approach that sees the City working with a wide range of stakeholders and members of the community to foster safer spaces and build safety resilience.

The Community Safety Strategy 2025-2030 (Strategy) outlines where the City will focus efforts over a five year period to deliver, empower, partner or advocate for improved community safety outcomes for the local community.

The Strategy aims to build on the success of previous Community Safety Strategies with community consultation indicating strong support for existing City services and activities as well as highlighting areas for additional investment.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Introduction

Working together to make our community safer.

Community safety is a key concern for City of Belmont residents and a priority area of focus for the City.

The City's first Community Safety Plan was developed over a decade ago, in 2012, and since that time the City has invested substantially in community safety initiatives.

The City of Belmont has an important role to play in helping people feel safer in their local community. This Community Safety Strategy outlines how the City will focus its resources to best support, facilitate and address community safety concerns.

Actions we can take include:

©	2	ini	
Deliver	Empower	Partner	Advocate
The City delivers high quality community safety initiatives and services, which are widely promoted throughout the community	Build safety resilience through education, promotion, and support	Develop strategic partnerships with key agencies and supporting organisations to improve community safety outcomes.	Listening and monitoring community safety needs to advocate to other tiers of government.

For the Strategy to succeed, it requires meaningful stakeholder support and engagement, particularly with the WA Police Force, key state and local agencies, local businesses, not-for-profit and community groups and members of our community.

Community safety and crime prevention is directly influenced by the actions and behaviours of the whole community. Community safety and crime prevention go hand in hand, so improving safety, reducing crime, and identifying the factors leading to these behaviours or actions are all equally important.

Through these efforts, we aim to make the City of Belmont a safe and welcoming place for everyone to work, live, and conduct business.

The Australian Safe Communities Foundation defines a safe community as:

"...one in which all sectors of the community work together in a coordinated and collaborative way, forming partnerships to promote safety, manage risk, increase the overall safety of all its members and reduce the fear of harm. The key feature is the creation of a local infrastructure (i.e., coalition of community, business, government, and non-government leaders) that combine their resources and interests to address local concerns about injuries, crashes, anti-social behaviour, and crime in a coordinated and sustainable manner."

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Strategic alignment

The Strategic Community Plan 2024-2034 outlines our community's shared vision and aspirations.

It details the City's plan for the future with five key performance areas of People, Place, Planet, Prosperity, and Performance. The primary area of alignment for community safety under the Strategic Community Plan is People with supporting alignment under Place, Prosperity and Performance.

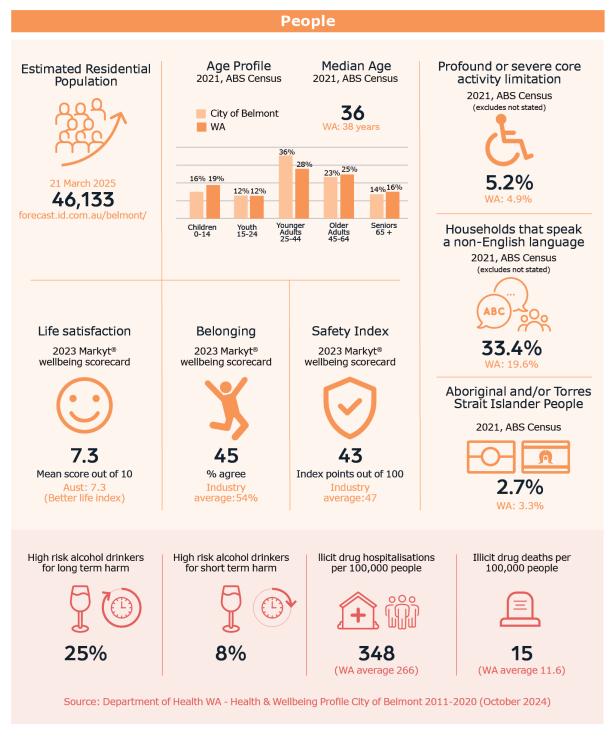

This Strategy acts as an additional focus area to the Strategic Community Plan 2024-2034 and the City's Corporate Business Plan, designed to help steer the outlined outcomes of those plans.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Our community

The City of Belmont is located six kilometres east of the Perth CBD and covers 40 square kilometres. It includes the suburbs of Ascot, Belmont, Cloverdale, Kewdale, Redcliffe, and Rivervale, and the majority of the Perth Airport precinct.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Community safety context

Local governments in Western Australia operate under the *Local Government Act 1995 (WA)* and other relevant legislation, which outlines their responsibilities and powers. Some services, such as waste collection, maintaining local roads, and animal control, are mandated by law and are known as statutory services. These services must be provided to meet community needs and comply with legislation.

In addition to statutory services, local governments can offer discretionary services that are not legally required but are implemented to benefit the local community. Many initiatives from the City's Community Safety Strategies fall under the discretionary category, aimed at enhancing quality of life in the City of Belmont.

- Animal control
- Parking management
- · Amenity management
- · Fire compliance
- · Illegal camping

- Community Watch patrols
- CCTV
- Graffiti removal
- · Security appraisals
- Bicycle and e-ridable registrations
- Safeguarding families advocacy service
- Youth programs and projects
- Neighbourhood grants

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Community safety history

For over a decade the City has committed to invest in community safety, this includes services like the Belmont Community Watch security patrols, fixed CCTV and several community safety related initiatives or programs.

Since the inception of the Belmont Community Watch service, the community safety services and programs provided by the City have continued to develop to be adaptable to the changing community environment and needs.

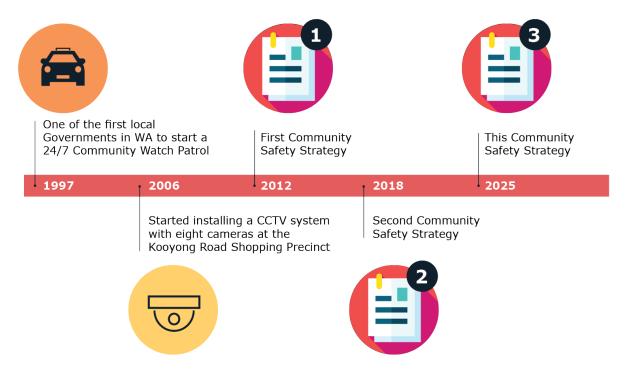

Community safety timeline

Over time, the City has identified that the approach to community safety needs to be more than crime prevention or reporting. It requires an approach which includes understanding the causes or contributors to issues as well as what influences perceptions of safety.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Review of the Community Safety Strategy

To help the City understand the evolving needs of its community, the City regularly engages with residents. This approach ensures adaptability to the community's ever-changing needs.

Community engagement has formed a critical part of the review process for the Strategy.

May - June 2024: Broad consultation

The first engagement for the Strategy was held from May to June 2024 and included the following formats.

- Survey and pin boards (digital and hardcopy)
- 5 x pop ups at events and public places
- · Meetings with key stakeholders

Feedback was invited through online and in-person engagement methods.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

August 2024: Strategy workshop

Following the broad consultation, a workshop was held with community members and stakeholders to review the results of the engagement process and consider inclusions for the Strategy.

Particular focus was paid to where the City could deliver services and where the City needed to work with other stakeholders and community to influence better community safety outcomes.

Many of the actions outlined in this Strategy stem from the outcomes of this engagement.

September 2024 - May 2025: Strategy development

To develop the Strategy, the City has considered:

- community engagement (pop up events, forums, online methods, and workshops)
- consultation with key agencies and advisory groups
- data related to demographic trends and changes
- performance of previous community safety and crime prevention plans
- WA Police Crime statistics
- City of Belmont Community Watch data, and
- evaluation of current safety and security initiatives.

Community Workshop August 2024

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

WA Police Force crime statistics

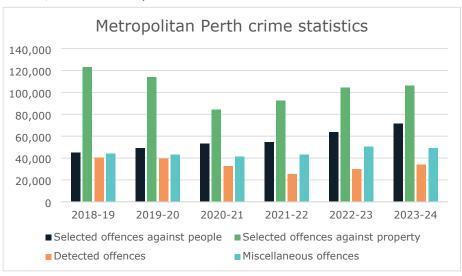

The main reported crimes affecting the community in the City of Belmont are:

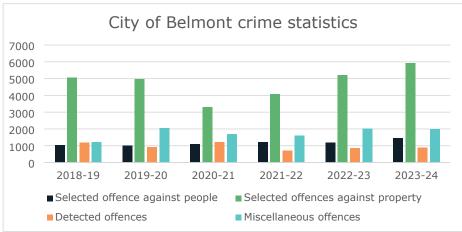

- 1. Stealing (all types)
- 2. Other property related offences (burglary, damage, etc.)
- 3. Drugs (all types)
- 4. Offence against a person (assaults)
- 5. White collar related crimes (such as fraud)

Over the last 10 years WA Police Force reported statistics confirmed stealing as the most prevalent crime, followed by other property related offences. Tracking crime statistics over time reveals a consistent pattern, with the only decreases observed during the COVID-19 pandemic.

Stealing-related offences (opportunistic crimes) had increased the most over the past years, with a continuing upward trend across the metropolitan area.

The below graphs offer a comparison between the WA Police Force reported Perth Metropolitan results, versus the City of Belmont.

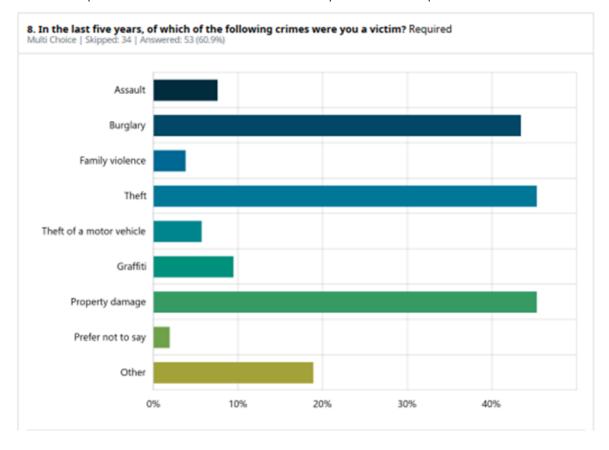

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

- Offences against the person include homicide, assault, sexual offences, robbery and threatening behaviour.
- Offences against property include stealing, burglary, property damage and arson.
- Detected offences include drug offences, possession of stolen property and weapons.
- Miscellaneous offences include graffiti and fraud.

Levels of crime experienced in the City of Belmont is similar to other areas. One area of noting is that opportunistic offences against property trends higher than the metropolitan average.

This is reflected in the results of the Community Safety Strategy Survey which asked participants if they had been a victim of crime in the last five years and what types of crime people had personally experienced. Theft, property damage and burglary were the highest recorded experiences of crime from those who responded to this question.

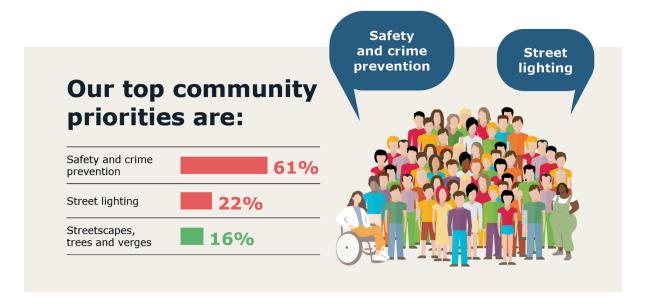

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025

Community perceptions of crime

The highest community priority

When asked what their top priorities are for the City through the MARKYT® Community Perceptions Scorecard, safety and crime prevention has been the highest ranked response for a number of years.

Despite continued investment in community safety initiatives, the MARKYT® Community Perceptions Scorecard has seen a decline in community safety ratings over the past three years.

The City of Belmont is not alone in this trend of perceptions towards crime and safety. Other West Australian local governments participating in the scorecard have also seen a decline with a drop in community safety perceptions from an average score of 48 in 2021 to 43 in 2024. The City of Belmont has seen a drop from 51 in 2021 to 40 in 2024.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Feelings of safety

The Community Safety Strategy survey asked participants about their experience of crime and if they felt safe in the City of Belmont.

A high proportion of respondents (61%) indicated that they had been a victim of crime in the past five years.

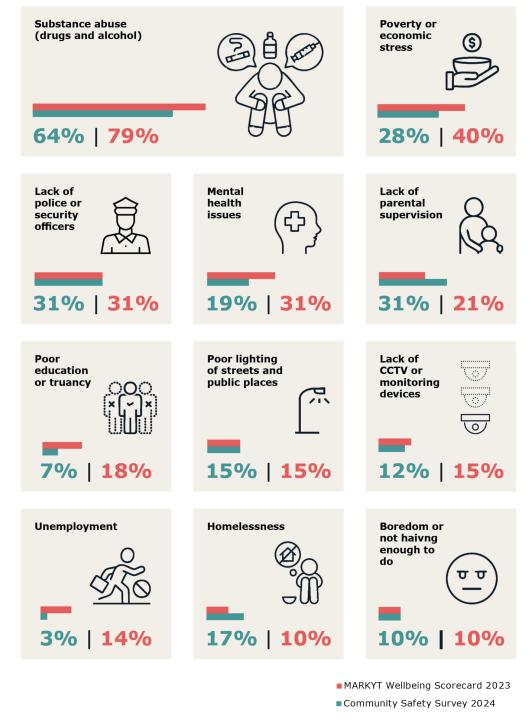

Another key result was that most people felt safe in their homes, however the majority of respondents indicated that they felt unsafe when out and about in the community.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Contributors to community safety issues

Participants who were surveyed either via the MARKYT® Wellbeing Scorecard 2023 or via the survey for this strategy were asked what they thought the main contributors to community safety issues were. The results of the community safety survey and scorecard were very similar with substance abuse ranked as the top result.

Community Safety Strategy

Our performance

Through the consultation process for this strategy, participants were asked what the City did well and what the City should focus on improving in relation to community safety.

What is the City doing well?

- Development and building of established partnerships.
- CCTV with a desire to keep investing and expanding the CCTV network.
- Belmont Community Watch Patrols.
- The opportunities for additional community safety resources and funding.
- The delivery of new initiatives regarding crime prevention, such as security appraisals.
- Regular review of performance and resetting of strategic focus within community safety.
- Close collaboration with key agencies on the various social drivers linked to the causes of crime, and perception of concerns.

What should the City focus on improving?

- Developing community resilience towards crime and community safety.
- Increased promotion, education, and engagement regarding the City's community safety services, and how to better access and connect with other agency's services.
- Offering a localised approach to community engagement, which also supports multicultural communities and older people.
- Targeting the key contributing factors to crime and antisocial behaviours.
- To develop and enhance its close working relationships with the WA Police, domestic violence services, young people, and neighbourhood groups.
- To maintain and potentially increase the resources provided to some service areas.

Community safety patrols

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Community safety actions

The following pillars have been established to guide City actions to address crime and safety concerns in the local community.

- 1. Deliver City-led crime prevention and community safety initiatives
- 2. Empower build safety resilience through education, promotion, and support
- 3. Partner develop strategic partnerships with key agencies and supporting organisations to improve community safety outcomes
- 4. Advocate listening and monitoring community safety needs to advocate to other tiers of government.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Deliver

Community feedback highlighted preferred areas of investment to deliver City led crime prevention and community safety initiatives.

Some of the results of the consultation and strategy review were:

Learnings

Highlights	Continue and invest	Focus and improve
630 fixed CCTV cameras in operation	CCTV networkSecurity patrolsGraffiti removal	 Better promotion of community safety initiatives Local engagement on
- 24/7 security patrols	City projects to activate public areas	solutionsInvestment in lighting
graffiti removal program	Attractive streetscapes and safer roads	Activation of public spaces

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Initiatives

Pillar	Action	Responsible
	1.1 Regular promotion of City led	Manager Safer Communities
	community safety initiatives to the community.	Manager PR & Stakeholder Engagement
1. Deliver	1.2 Continue to improve and enhance	Manager Safer Communities
City-led crime prevention and community	the City's CCTV network and coverage within the public realm based on identified needs.	
safety initiatives	1.3 Improve lighting in public places where the City owns lighting infrastructure.	Director Infrastructure Services
	1.4 Ongoing implementation and review of the Belmont Community Watch (BCW) service.	Manager Safer Communities
	1.5 Proactive ranger services with a focus on local engagement.	Manager Safer Communities
	1.6 Deliver safer public spaces through	Director Infrastructure Services
	contemporary planning, design, and activation.	Manager of Planning Services
	1.7 Deliver attractive streetscapes to foster civic pride.	Manager Parks, Leisure & Environment
	1.8 Continued investment in swift graffiti removal service with a 24 hour removal target.	Manager Safer Communities
	1.9 Deliver road safety programs and initiatives.	Manager Design, Assets & Development

Desired outcomes:

- 1. A happy, well informed and engaged community who are aware of City led community safety initiatives and how to find information on what the City is doing.
- 2. A safe and healthy community where City led community safety initiatives are focused on local needs.
- 3. The City is creating safe, attractive and welcoming public places.
- 4. A city that is easy to get around safely due to road safety programs and initiatives.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025

Empower

Community feedback highlighted preferred areas of investment to advocate to other tiers of government on crime prevention and community safety.

Some of the results of the consultation and strategy review were:

Learnings

Highlights		Continue and invest	Focus and improve
	Security assessments Bike and ebike registrations and free locks Security floodlights provided to residents and businesses	 Home and business security assessments Cyber security education Community education Bike and scooter registrations Neighbourhood grants and programs 	Better promote how to report crime Engagement tailored to different community groups and different types of community safety concerns Neighbourhood grants and programs Subsidies for home and business security

Home security assessment and floodlights

Street lighting

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Initiatives

Pillar	Action	Responsible
	4.1 Advocate for continued police presence and State Government support for the Belmont Police Station.	CEO
4. Advocate The City is listening and monitoring community safety needs toadvocate to other tiers of government	4.2 Advocate for continued improvements to State owned streetlights and lighting infrastructure.	Director of Infrastructure
	4.3 Encourage drug and alcohol prevention services and programs in the City.	Manager Economic & Community Development
	4.4 Advocate for support and services for people facing homelessness.	Manager Economic & Community Development
	4.5 Advocate for more support for mental health programs.	Manager Economic & Community Development
	4.6 Encourage State Government to consider safety and amenity of our local area in State planning decisions.	Manager Planning
	4.7 Ongoing advocacy to State Government for management and allocation of public housing in the community.	CEO

Desired outcomes:

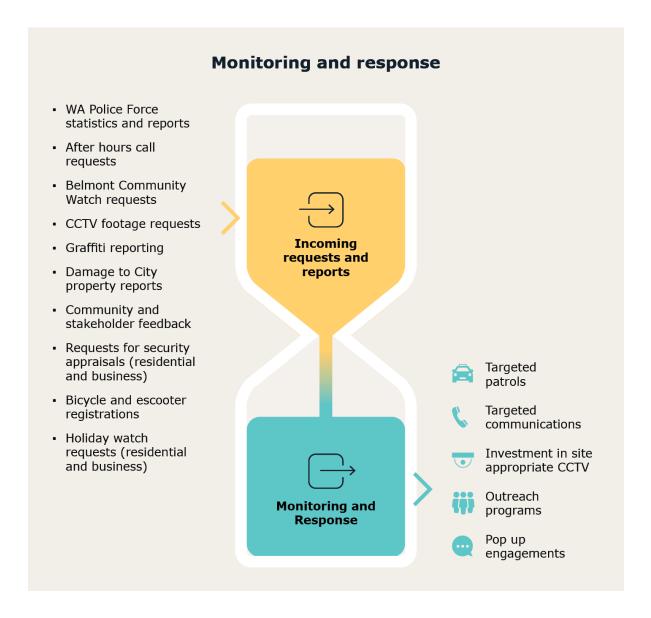

- 1. All tiers of government are working together to improve community safety outcomes in the City of Belmont through effective leadership and governance.
- 2. Government support tackles complex community safety issues to deliver a safe, healthy community.
- 3. Responsible urban planning includes community safety considerations.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025

Measuring performance

The City will monitor the implementation of the Strategy over the next five years and annually review its performance in line with the City's Corporate Business Plan and annual budget process.

The Strategy is activated through the Community Safety Implementation Plan. This is an operational document aligned to the actions in this strategy.

Document Set ID: 6014201 Version: 1, Version Date: 16/07/2025 Community Safety Strategy

Community Safety Strategy - Engagement Report

Community Safety Strategy

Overview

In 2024-2025 the City completed a review of its Community Safety Strategy. The purpose of the review was to examine priority areas to focus on to improve community safety over the next five years.

As part of the review, the City undertook a broad engagement process to understand the needs and experiences of residents, local businesses and visitors across the local area. Included in this process was a focus on where the community felt the City should prioritise its efforts across the following areas; deliver, empower, partner and advocate.

This recognises that community safety is a complex area and requires meaningful stakeholder support and engagement, particularly with WA Police Force, key state and local agencies, local businesses, not-for-profit and community groups and members of the community.

The engagement was undertaken by City staff and the support of an engagement consultancy The Collab Effect to review consultation results, facilitate a community workshop and deliver insights to the City.

Methods

The planning phase of the review including reviewing engagement results relating to community safety in the 2023 City of Belmont MARKYT® scorecards:

- 2023 MARKYT® Community Perceptions Scorecard
- 2023 MARKYT® Business Perceptions Scorecard
- 2023 MARKYT® Wellbeing Scorecard

The results of the 2024 Community and Business Scorecards also informed the draft strategy.

The engagement approach for the strategy had two phases. A broad consultation to gather a wide range of community views and experiences and a community workshop to refine the feedback collected.

Phase one - broad consultation

The first phase included several face-to-face engagements as well as online channels and hard copy surveys to capture people who may engage in different ways.

The first engagement was open for six weeks from 20 May 2024 to 29 June 2024. People could provide feedback through:

- Priority pin boards online and in person
- Survey online and hard copy versions
- Suggestion box online and in person
- Email or written submissions.

The consultation was promoted in the following ways:

- Belmont Connect project page
- Website news item
- Social media
- 2 x BeNews email newsletter articles
- · Belmont Bulletin article
- Emails to stakeholder groups requesting they spread the word
- Presentations to City Advisory Groups and the Community Safety Alliance
- 5 x pop ups at community events and shopping areas
- Targeted engagements with seniors and high school students

Document Set ID: 6014202 Version: 1, Version Date: 16/07/2025 Community Safety Strategy - Engagement Report

Phase two - community workshop

A community workshop was held on 8 August 2024 to review the results of the broad consultation and to identify shared themes and insights with City staff. The workshop was facilitated by The Collab Effect, an engagement consultancy who drew together the experiences of community, stakeholders and staff.

The workshop was open for any community member to nominate to take part, it also included key stakeholders including members of the WA Police Force, youth services and members of the Community Safety Alliance.

The workshop was promoted through:

- Emails to people who had participated in the initial engagement
- Social media
- Emails to stakeholders and advisory groups

Inputs received

The pin boards had the largest engagement. The boards included a collection of actions that the City could progress across the four areas of Deliver, Empower, Partner and Advocate. Respondents could also propose new ideas for consideration.

Each person was given four points to spend for each priority area (total 16 points) to spend on where they thought the City should focus its efforts. The City received 4,661 points spent on service ranking and collected 84 new ideas.

For those who had more to contribute, a survey asked about their sense of safety, experiences of crime and thoughts on contributors to community safety issues. The City received 87 survey responses.

The community workshop had 39 people register to attend.

Engagement results

Survey

The survey received a total of 87 online and hard copy responses of this:

- 21% of respondents work within the City of Belmont.
- 95% of respondents live within the City of Belmont.
- Most respondents were female (74%).

Other insights include:

- People who participated in this engagement process are more likely to have lived experience of crime. Over half of the survey participants (60%) have been victims of crime within the last five years.
- Participants believe the City of Belmont is more unsafe than other Perth Metropolitan areas, although crime statistics show otherwise.
- Survey participants see substance abuse as a top contributor to community safety issues in the City (73%), followed by mental health issues (22%).
- Participants tended to prioritise services that deter crime over services that directly address the issues they perceive to be the causes of crime.
- People feel safe in their homes and on their streets, but shopping centres, carparks and public spaces are felt to be unsafe.

Community Safety Strategy - Engagement Report

Priority pin boards

What we heard:

- There was consistency in perceived community value of most services and the current level of investment (time and money) by the City.
- There is consistency in the focus of City staff and the priorities highlighted through this ranking.

Ideas posted

84 ideas were tabled. The ideas covered similar themes of:

- Crime prevention a high priority.
- Support for lighting, patrols, action in public places, traffic and transit.
- Community development initiatives to support elderly and address housing.
- Advocacy to other tiers of government on contributors toward safety issues.
- Highlighting concerns around shopping centres such as Belmont Forum.
- Community activation ideas.
- · Making crime reporting easier.

Workshop

The three-hour workshop was facilitated by The Collab Effect to examine the community feedback.

- There was strong consistency between the results of the community engagement period and key sentiments from this workshop.
- The attendees felt the greatest community priority is for clear and simplified information from the City on its community safety services, efforts and actions.
- The workshop also highlighted a desire for community education that considers the needs of multi-cultural and intergenerational groups.

Key findings presented by The Collab Effect:

Overall, this engagement process found the following key findings:

- The community value the range of successful community safety programs and initiatives currently being provided.
- The community want the City to continue delivery of crime prevention activities like sustainable street lighting, CCTV and Belmont Community Watch Patrols.
- There was a desire for increased community communications, education and engagement regarding the community safety services it provides, and how to more easily connect with other services.
- There is a distinct request for improved communications and engagement which supports multi-cultural communities and older people.
- The community want the City to develop and advance its close working relationship with the WA Police, domestic violence services, young people, and neighbourhood groups.
- There is a need to maintain and potentially enhance the City resources within some service areas, and the community would like a greater visual presence within the community.

Community Safety Strategy - Engagement Report

Document Set ID: 6014202 Version: 1. Version Date: 16/07/2025

How the feedback informed the Strategy

City staff with the assistance of The Collab Effect reviewed all contributions and noted consistent themes within the pillars of Deliver, Partner, Advocate and Empower. Given strong themes emerged around empowerment, including perceived desire for personal safety and community initiatives, the Empower pillar was moved from the fourth pillar to the second pillar of the strategy.

The priority pin boards helped staff identify what community safety initiatives were most valued by the community. The ideas posted added additional context around where the City could explore.

The priority pin board rankings and additional ideas are provided in further detail at the end of this report.

Next steps

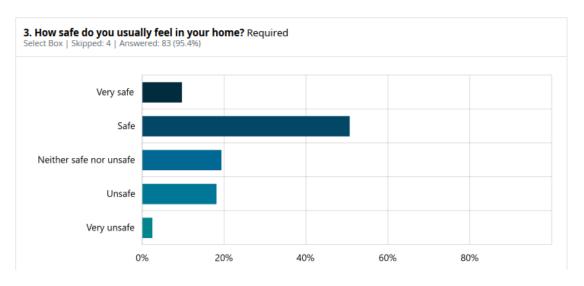

The Strategy will be presented to Council for endorsement.

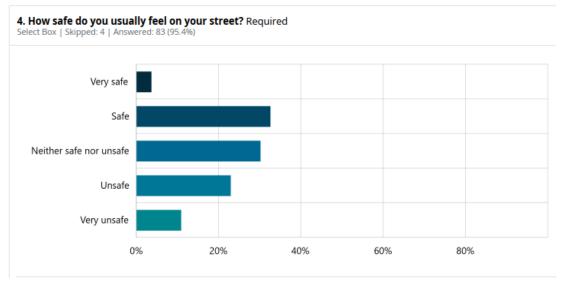

The actions in the Strategy will be developed further by City staff in an implementation plan for delivery.

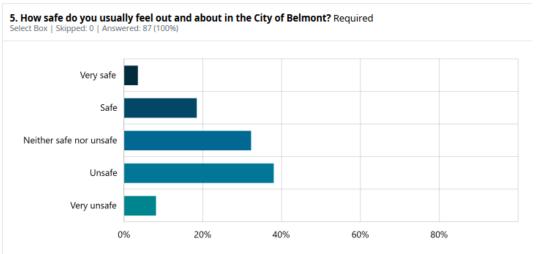

The implementation plan will be monitored, reviewed annually and key strategy outcomes shared with community throughout the life of the Strategy.

Suggestion box contributions

The table below lists the suggestions, ideas and comments the City received during the consultation period. Some suggestions have been omitted or amended to preserve anonymity, remove references to any specific person, or remove vulgar and inappropriate language. Apart from this, suggestions are listed verbatim, including spelling and grammar.

Suggestion/Idea/Comment	Officer comments
The criminals need to be made more accountable, and pay for their crime. They don't care who they hurt, young or old. They teach their kids to steal from the age they can walk.	Aligns to strategy action 1.4
They have no respect for hard-working people, and trash what they call their country. Rivervale looks and feels like a ghetto, it is a beautiful part of Perth and is getting ruined by the amount of low-lifes that frequent the area.	
There needs to be more patrols with officers that can take action. I'm unsure of what the Eyes on the Street have power to do, do they make any difference.	
The problem is, the crims are not scared of anyone, yet we are too scared to enjoy this beautiful area ourselves - that we pay for.	
Eyes on the street - we call when we see something suspicious and they come hours later. Or they tell you to call police. Call police to be told to ring Eyes on the Street!!! More power to security patrols on streets and in shops. In shops criminals are escorted out one entrance - without bags being searched - and come back in another entrance. Ridiculous. At least two retail assistants needed in each shop to keep an eye on things. Less social housing. Govt housing do nothing when they have many complaints against one house. Not all people are criminal in these houses but quite a few are. If there are multiple complaints against one dwelling, then the residents should be told to pack up and leave. They don't even look after these properties and it'll be my taxes that pay for the consistent damages.	Aligns to strategy actions: • 1.4 • 3.4 • 4.7
This is the mess place in Belmont. Trans Perth should deploy securities in the bus stop during trading hours of the shopping centre. Not occasionally vist. Should deploy securities always! It will improve the unsecure situation.	Aligns to strategy action 3.4
Improve the street lighting and exterior lighting to ensure you can't hide in the shadows. Lights on every pole Close all the alley ways to make it harder for them to escape from the law. More patrols and better visibility for deterring the thieves.	Aligns to strategy actions: • 1.3 • 1.4 • 4.2

Community Safety Strategy - Engagement Report

1.stop approving social housing in the area in future and minimise existing social housing. There are some genuine people but majority of criminals coming from social housing. This is the route cause of the problem 2.Strengthen legal system, give more power to police. Criminals no longer afraid of police or been captured to cctv. Close loop holes in legal system for ex how some one enter to private property with out authorisation with intention of stealing. why can't they arrest by police. Doesn't make sense	Comment 1 aligns to strategy action 4.7 Comments 2 and 3 beyond advocacy influence of local government. Comment 4 aligns to 1.7
3.Remove identified criminals from area.	
4. Make the suburb clean and tidy .Remove illegal camps in the parks / grass lands / collected rubbish ,unauthorised gathering .this should be one of the duty for the ranger.	
You need eyes on the street vehicles. Fix the bloody crime.	Aligns to strategy action 1.4
Please do something to reduce the number of car break-ins that we are seeing throughout Rivervale, particularly between Gladstone rd and Acton ave, as this seems to be an almost daily occurrence recently. You call the police and they tell you to report to the council, but call the council and you are told to contact the police. This is obviously happening so much because the people responsible don't have any repercussions.	Aligns to strategy actions: 1.4 2.2 2.3 2.6
Suggest WAPOL increased & saturated nightly patrols by vehicle, mounted, push bike & C.O.P. sections. Work out ratio of Department of Community housing compared to other councils. If WAPOL cannot assist suggest patrols by Defence Force - Army units because that is where the uncontrolled behaviour, drugs & crime are headed. Eyes on the street have limited power & to be fair, one officer has no power when confronted by multiple or groups of criminals.	Aligns to strategy actions:
On Whiteside Street numerous cars speed at dangerous levels despite it been a 50km hour zone. Neighbouring children play in the Street and are at risk. Please consider putting in traffic slowing devices.	Aligns to strategy action 1.9
A policy of progressively undergrounding power poles should be implemented to build pride in the city and hence inhibit vandalism. For example, new shopping complexes have been built on either side of Hargreaves Street in Belmont but ugly power poles blight the environmental aesthetics.	Aligns to strategy actions: 1.3 1.7 4.2 4.6
Make opportunistic criminals feel unwelcome by making it feel like they are being watched all the time and that there is no where to hide for them. Invest in brightening up dark areas and investing in public and private security cameras that are very prominent and visible. To cap it off, either give security patrols more power or just cancel the whole thing	Aligns to strategy actions: • 1.2 • 1.3 • 1.4 • 2.3

Community Safety Strategy - Engagement Report

as it's currently a glorified bystander in uniform and a total waste of rate payer's money. I fully support either using the money for the installation of more lights and cameras and/or actually having council-paid police patrolling.	• 4.2
Street lights are not effective and not enough of them. Some of the streets one needs to use high beam lights to see the road in case any person dressed in dark clothing or on a bike Intervention by the Council regarding the situation of Community Housing tenants that continue to cause disruptive behaviour damage property and waste Police resources as the 3 strikes and out just goes over the department's head. Patrols I also agree that this is useless driving around as crime is rampant and offenders know what where and how to evade them so agree with other comments made in this thread.	Aligns to strategy actions:
The streets are extremely dark. My street in particular, feels very unsafe when coming home at night. Well lit streets would make it safer for residents. I'm currently trying to save for a fence at the front of my property so I can feel safe to go to the bin at night or get something from my car. All because it's so dark outside I don't know who could be out there.	Aligns to strategy actions: • 1.3 • 2.3 • 4.2
Action needed to improve street lighting, better subsidised security for residents, eliminating all the information needed to get security watch to do a drive-by, better collaboration between council and government agencies to monitor trouble spots/residents. Consider appointing community champions in suburbs who are willing to be a voice for area - collating information, making sure concerns are being action/progress moving forward. Information sessions with residents particularly elderly on ways to minimise potential for robbery especially in shopping centres. Increased security at shopping centres during high potential times and security staff who are able to actually act on potential crimes. Too many people currently in shopping centres visible committing crimes but being able to walk out.	Aligns to strategy actions:
Do a study on who are these offenders. Are they youngsters. Organise activities such as games or tradie work and ensure they participate. Are they locals of our suburb find means to relocate them.	Aligns to strategy action 3.3
I agree with the previous comments that the patrols are a waste of ratepayer's money. I cant believe it costs so much to be told to call the police. Use the funds to beautify our city like putting in underground power in our streets and put more CCTV cameras.	Aligns to strategy actions:
There have been a few occasions when I have contacted the security patrols for assistance and they told me to call the police. What a waste of ratepayers money. Please stop the patrols ASAP.	Noted. Community patrols ranked 2 nd in the pin board prioritisation exercise

Community Safety Strategy - Engagement Report

Document Set ID: 6014202 Version: 1, Version Date: 16/07/2025

	indicating support from other community members.
Please cease the local security patrols because they are too expensive and use the funds for alternative community projects instead. For example, some local governments now facilitate home safety equipment rebate programs to enable their residents to claim rebates towards the purchase and installation of safety/security equipment in their homes, such as alarms, deadlocks, window locks, security doors and screens, sensor lights and CCTV. We would welcome this rebate program in the City of Belmont. Only a few local governments in Western Australia currently facilitate security patrols, mainly larger local governments with significant financial resources such as City of Rockingham, City of Swan (The Vines only), City of Cockburn and City of Melville. Whilst security patrols provide certain benefits including providing a visible presence in the community ('eyes on the street') and assisting in the reporting of suspicious persons or vehicles, the patrols place a significant cost burden on the community, and it is unclear if they actually reduce crime.	Noted. Community patrols ranked 2 nd in the pin board prioritisation exercise indicating support from other community members. The City currently has a free giveaway program of home security devices to recognise that some in our community cannot afford to cover the majority of the cost. The community workshop identified we need to promote this initiative more. Comments noted regarding patrols.
We have loads of lighting on Francisco St end of Gladstone Rd, but cars on both sides of Gladstone Rd West end , is so dark and congested with cars parked both sides. Scooter riders doing wheelies all day and night don't help. Never had trouble until a few months ago, over 20cars vandalized in past week. More patrols/cameras or cctv for homes would be a good idea. Used to be a very safe place, but past few months have been hell.	Aligns to strategy actions:
Brainstorm ways to keep the offending youth occupied and off the streets. Alcohol and drug abuse is also a major concern. The bottle shop owner on Kooyong street is proactive in limiting supplies to known alcoholics, other bottle shops should also work along these lines. Clean the area up off the drug dealers, making it harder for the locals to access the drugs that cause anti social behavior. It is not possible to stop drug and alcohol abuse, just make it harder. Police are already doing a phenomenal job, but maybe a full on blitz off the area over a few weeks, give move on notices to non residents found in the area after midnight.	Aligns to strategy actions: • 3.1 • 3.3 • 4.1 • 4.3
Initiative to provide a subsidy for getting security cameras installed at home. Provide information on how and who to provide footage to. Rather than people asking on the community watch page, have a system set up for people to	The City currently has a free giveaway program of home security devices to recognise that some in our community

Commu

Document Set ID: 6014202 Version: 1, Version Date: 16/07/2025

add their issue, and add their footage. Or the police number to upload the footage to. There needs to be a way to have the repeat offenders charged. While is the courts to let these people out, there are ways that police under federal laws with bail conditions, that when they do it again, they are charged with breaching bail and taken more seriously. The City should be talking to the police as to why these charges are not done, especially with mail theft.	cannot afford to cover costs. The community workshop identified we need to promote this initiative more. Aligns to strategy actions: 2.1 2.3 2.6 3.1 4.1
On the corner of Gladstone road and Roberts road there's less street lighting and another famous place for crimes. There's bottles and syringes as well as breaking to cars. It's so dark at night that we use head lights when driving. We would greatly appreciate if you can consider increasing street lighting	Aligns to strategy actions: • 1.3 • 2.2 • 4.2
Would like to see some low level lighting on Smythe lake (so it doesn't affect surrounding homes). It is pitch black in there at night.	Aligns to strategy actions: • 1.3 • 4.2
Let's get some lights happening down at Selby park please. With the light disappearing around 6pm in the winter, it would be nice to be able to exercise my dog after work. It's very dark in the park and often has some interesting characters lingering about.	Aligns to strategy actions: • 1.3 • 4.2
The council need to do something with existing thoroughfares that can be trouble zones. Community gardens would be a nice idea on large empty council verges. Planting out the council strips around the DFES as it's pretty unsightly and a lot of empty space.	Aligns to strategy action: • 1.7
Get Belvidere precinct passed! Seriously an overhaul of the hostile and Barron area is the best way to bring in the right crowd. I see so many young families in the area, it would be nice to meet and greet maybe at my new local coffee shop (if that existed). I would love to support new small business in my area.	Aligns to strategy action: • 1.7 • 2.4 • 3.4
Needs way harsher penalties, mail- theft, rummaging through bins and skip bins on people property and leaves a trail of mess behind her on the street.	Noted
We need a community approach to problems and not simply a move of the problem from public to private. We as business owners pay the rates then pickup the fall out. What is the total cost of the security service and could the money be better spent?	Aligns to strategy action: • 3.4
Assist in organising committee of residents and provide guidance on how we can request changes to laws on how the offenders are charged and how to reduce social housing.	Aligns to strategy action: • 2.7 • 3.5

Community Safety Strategy - Engagement Report

	. . -
	• 4.7
Place to track and monitor all crime in the area, as police can't do anything about stolen mail/ bikes, broken windscreen's, antisocial behaviour. But if there was a central point for community to report and upload images then the size of the problem can be understood.	Aligns to strategy action: • 2.6
Council should run a campaign of getting to know your Neighbour maybe one next door and one over the road - or get residents organise a neighborhood morning tea or street party maybe supply small seedlings for residents for those who attend calling it to "beautify belmont inside and out" to create a sense of pride and belonging - I help at middle swan primary school and I notice how primary children take pride in watching plants grow and caring for their environment If you instill this caring into young children if should follow through to all other aspects in their lives	Aligns to strategy action:
Collaboration between council, housing, police, and Elders to intervene the repeat houses that continually disrupt destroy and damage the homes. Housing's policy of 3 strikes and out is a joke. Break ins and attempted break ins are becoming more common now and the police rely on resident's own footage to assist. These culprits are residents who have the privilege of living in Housing Authority accommodation.	Aligns to strategy action: • 4.7
It is annoying when you get put through that you have to give all your details which takes a while to register and then by the time you register it is too late. Cut the nonsense and get the patrols out there quicker.	Aligns to strategy action: • 1.4
Like some councils have, some outside security options subsidized for home owners eg: sensor lights, cameras. Also, a prompt service to respond to complaints of mail thieves in the area etc. campaigns to help encourage people to get to know their neighbours. Join forces with local schools & police due to kids wagging school and vandalizing property. Clean up notices served to the inhabitants of some filthy front yards.	Aligns to strategy action:
Please do something. increase night patrol, create community groups	Aligns to strategy action: • 1.4 • 2.4 • 2.7 Aligns to strategy action:
Patrols need to be more in depth, not just in busy areas. Mail is constantly getting stolen and cars are constantly getting broken into. It's not fair.	• 1.4 • 2.1 • 2.2
Perhaps collaboration between council, housing, police, elders, social workers, youth leaders and maybe more to	Aligns to strategy action: • 2.4

Community Safety Strategy - Engagement Report

create education and intervention program. Visit red flagged houses as well as surrounding neighbours, meet beggars out on the street, talk to roaming youth during school hours and after. Create campaigns on encouraging to connect street neighbours for safety and a sense of community.	 2.7 3.1 3.3 3.7 4.3 4.4 4.5
The Community Patrols don't appear to be working very well, maybe this needs a thorough review and perhaps look utilising Rangers that have training with skills appropriate for security and diffusing anti-social behaviour. They should also have assurance to work closely with police assistance if required for more difficult situations. They would need more Rangers employed, but worthwhile they would work more much effectively than current situation with the security patrols.	Noted. Aligns to strategy action: • 1.4 • 1.5
The Belmont City Vehicle Patrols - drive around streets. Not sure how effective they are unless something is happening right in front of them. Most of the offenders hide when they see them or the Police coming so unfortunately, apart from being the Eyes on the Street, one wonders their value and costs associated with the service. CCTV installation on the known trouble areas would assist Police instead of having to rely on residents to provide them with such. This will catch hoons as well as the pot stewers and break-ins to identify them. Wright Street is one (including hoons) as well as Hardy Road and of course, the poor IGA on Belvedere Street. There are other major hot spots. I feel money spent on more CCTV installations will be beneficial not only for residents but reducing crimes.	Noted. Aligns to strategy action: • 1.2 • 1.4 • 1.9
Security around the Belmont Hub is far from perfect. Every day when I am in doing work on a computer you have incidents occurring daily and sometimes multiple times. The staff have also said the Belmont security patrol are not allowed to intervene which I find bewildering. I have started going to the State Library as I feel safer getting on a train into the city.	Noted. Aligns to strategy action 1.4
	Noted. The City currently has a free giveaway program of home security devices to recognise that some in our community cannot afford to cover costs. The community workshop identified we need to promote this initiative more.
better response times by Community Watch and subsidised security cameras, screens, tinting and roller shutters.	Aligns to strategy action 1.4

	-
	Noted.
The council subsidising items for home security such as; cameras, security screens on doors and windows, alarms, security lights.	The City currently has a free giveaway program of home security devices to recognise that some in our community cannot afford to cover costs. The community workshop identified we need to promote this initiative more.
Instead of only having these services in busy areas, patrol other quieter areas that are getting crime reports but may not be high traffic areas to the general public. If an area is getting constant reports; it should be getting patrolled or monitored.	Aligns to strategy action: • 1.4
Trainer professionals on the streets/in cars to monitor drug activity in Belmont. It's been on the increase & police/community watch aren't qualified to help, we need people who can keep users safe but also the wider community & discourage dealing.	Aligns to strategy action: • 3.7 • 4.3
Empower small neighbourhoods to communicate and support each other to enhance security in a street. Facilitate community watch/police to join in these conversations to update and listen to members of the community. Engage the youth in positive programs to prevent delinquency and provide mental health and substance abuse services to address some of the root causes of crime.	Aligns to strategy action:
Promote and actively facilitate street parties to get neighbours to talk, exchange contacts, and ultimately help each other out. A close-knit community is a much stronger place (especially against crime) than one where people feel disconnected and without a sense of belonging/shared responsibility.	Aligns to strategy action: • 2.7 • 2.4
I need to see an independent, third-party audit of how the Watch spends its time in order to justify expenditure on the service. I pass them all the time sitting in the Centenary Park carpark but the few times I've tried to call them to be a visible presence on my street has been frustrating and pointless.	Noted. Aligns to strategy action: • 1.4
Putting bolards/zig zag poles on walk ways/foot paths that are commonly used by unlicensed motorbikes.	Aligns to strategy action 1.9
I don't else want value in the community watch I have had to call on them for a number of incidents if they get out of car your are lucky! Just get nothing I can do. If you want anything done in Belmont call the Ranger direct or the Police community watch are only helpful if an alarm goes off at a community centre.	Aligns to strategy actions: • 1.4 • 2.6
Aware that the responsibility of State Government. It needs to be changed. Our neighbourhoods are continuously	Aligns to strategy action: • 2.1

trashed, we don't feel safe, I won't even shop at Belmont Forum. Belmont cannot grow when business are sick of being stolen from and abused. They will go somewhere else = less growth on local economy, less property value growth, less rates to reinvest back into great infrastructure, support and activation. We could be so, so much more.	• 2.3 • 3.4
	Aligns to strategy action:
The public housing commission does not remove the troublemakers even after being notified and constant police visits to the houses.	• 4.7
More effective than any of the listed options is a closely networked local street or community. The City of Belmont should facilitate networking by devising a template for use on Facebook (or elsewhere) so that families in one street can alert each other to issues or safety concerns. The Council's promotion of annual street parties, through a small grant, is an excellent initiative (although not one my street has ever taken advantage of). I would like to see new ideas to bring groups of less than 20 or 30 houses in one street together to look out for their children and properties.	Aligns to strategy action: • 2.4 • 2.7
The current issues with reporting crime right now in	Aligns to strategy action:
Belmont are:	• 2.6
 - It's too cumbersome. Too many hoops and loops to go through. - Report doesnt get acknowledge and/or resolved. - If reports are looked at, they take too long to get anything worthwhile. 	• 2.0
The above list are the biggest hurdle to getting people to report. You need to make it simple enough that it should only take few minutes maximum, and that response and resolution is guaranteed, or else whats the point of reporting?	
There needs to be a better system for reporting crime. Sometimes the wait to get through to someone deters people from calling	Aligns to strategy action: • 2.6
	Noted
The more homes that have external street facing cameras the better. We are not all tech savvy and do not need to be faced with fear mongering sales people to make improvements. Some resources and funding around this would be great and assist in some way regarding all the vehicle break-ins and damage.	The City currently has a free giveaway program of home security devices to recognise that some in our community cannot afford to cover costs. The community workshop identified we need to promote this initiative more.
None of these suggestions will help with the root cause, which is the people committing crime that are ruining it for the rest of us. There's needs to be harsher deterrence.	Noted.
Place to easily report issues so that Council and police can see what is happening in the community.	Aligns to strategy action:

	• 2.6
Supporting residents to activate their streets encouraging neighbours to get to know each other. Active streets where people spend time out the front and are aware of their neighbours routines so can be more aware of suspicious activity	Aligns to strategy action: • 2.4 • 2.7
Residents want safety in their streets (local) and places of work, shopping or recreation. They want to be empowered to protect their homes through effective community watch groups, a well-equipped police (including visible council patrols) service, and shops and parks which have space and are easily accessible. Achieving these things requires pro-active activities to prevent crime occurring (ranging from lighting to youth services to awareness programs), to stop crime when it occurs, and strong advocacy for improvements to the corporate and government sectors whenever necessary. We do not hear enough about advocacy on behalf of residents.	Aligns to strategy action:
Extra security for elderly shoppers Post extra security on dedicated shopping days when elderly are doing their weekly shopping.	Aligns to strategy action: • 3.4
Elderly people Engagement with our local elderly residents in conjunction with the services they use (or would like to) to gauge what they require to feel/be safe. Not all are tech savvy or have family. I know my neighbours, many people do not know theirs. Set up check in calls by phone and/or in person or screened volunteer neighbours via schools etc. Make sure our old folks know what is already available before their situation deteriorates further.	Aligns to strategy action: • 2.7 • 2.5
More power to security I have lived in the Belmont area for nearly 30 years and have seen it change drastically. Shopping at Belmont is unsafe with blatant crime-and the store security has no power to prevent this from happening. We also have undesirable govt housing on our street. The property has been trashed, the police are there every couple of days, the people renting are high each day and usually yell and scream at each other and the locals. Police are helpless and we have put up with this for a few years. The community watch patrols do nothing but drive thru, stay in their cars.	Aligns to strategy action: • 1.4 • 3.4 • 4.7
I try to stay away from Belmont Forum and go to other areas. Dont feel safe there.	Aligns to strategy action: • 1.6 • 3.4
Have noticed a significant increase in anti social and criminal behaviour in the city in the past few years. It's	Aligns to strategy action:

always been around but now it seems a more frequent occurrence. Shopping at Belmont Forum is particularly unpleasant at times as criminal behaviour appears to go mostly unchallenged. The city should work with the owners to try and find ways to deter this behaviour or run the risk of losing customers. Smaller shopping precincts such as Belvedere St are also unpleasant places to visit.	• 3.4
Safety and parking issues at Belmont Forum are primarily the responsibility of the owners and while management does a great job of involving itself with the community, it is the owners who are responsible for ensuring parking is safe and controlled and any errant behaviour inside the forum is stepped out.	Aligns to strategy action: • 3.4
Accountability for residents to maintain properties, keep noise level down at appropriate times, and restrict number of residents per house.	Noted.
We are one of the richest countries in the world, and this State is one one of the best financial positions its been in for years (or so we keep getting told). so why are there beggers at most intersections around the Forum, and why do we have homeless people living in our parks and streets? why cant the City apply for LotteryWest grants to top up the	Noted Aligns to strategy action: • 4.3 • 4.4 • 4.5
LGA coffers to support these issues?	Noted and corrected.
so many typos in this survey	Noted and corrected.
In all my years living in this area, an area less than half an hour from the CBD which in any other major city would be high value properties, I am constantly confronted, at all times of the day and night, with alcohol or drug fuelled, aggressive, out of control people, who upon investigation are associated with a property owned by the Govt (public housing)!	Aligns to strategy action: • 4.6 • 4.7
This area has so much potential but the government seem to want to keep it as a lower socio-economic area despite its proximity to well everything really!!	
We need more police on the street and visiable Tighter penalties for criminals so we are safe.	Aligns to strategy action: • 4.1
Do something about social housing. Whilst there is many good tenants she could be getting her government to come up with tighter tenancy laws for their properties. Actually the laws are already there perhaps those adminstrating the laws could enforce them. When the DA6 is done, that area will be filled with social housing and putting a lot together in one area is a disaster waiting to happen. The State has taken over the DA6 so lets see them do it properly.	• 4.6 • 4.7
The City of Belmont has a disproportionately high percentage of social housing and it should advocate loudly and vigorously for the WA Government to locate and relocate social housing evenly across the metropolitan area.	Aligns to strategy action: • 4.6 • 4.7

12.3 Internal Audit Report 2025

Voting Requirement : Simple Majority

Subject Index : 19/006
Location/Property Index : N/A
Application Index : N/A
Disclosure of any Interest : Nil
Previous Items : N/A
Applicant : N/A
Owner : N/A

Responsible Division : Executive Services

Council role

Overseeing Overseeing the allocation of the City's finances and

resources e.g. setting the annual budget, accepting

tenders, determining what services and facilities the City is to provide, annual reports, selecting the CEO and reviewing

the CEO's performance.

Purpose of report

To submit seven completed internal audit reports to Council. These audits have been completed in accordance with the Council approved 2024-25 internal audit plan.

Summary and key issues

At the Audit, Risk and Improvement Committee Meeting held on 28 July 2025, the Internal Audit Report 2025 was endorsed for recommendation to Council.

Findings for the completed audits are detailed below.

Infrastructure Services Division – Development Applications Engineering (report issued 7 February 2025)

Good practices observed:

Appropriate controls in place to ensure Development Application (DA)
assessments comply with the engineering approval process and relevant
legislation.

This included:

- List of standard development approval conditions maintained to ensure accurate and complete decision making in DA approval conditions.
- Development Control Group (DCG) having a strong Governance framework (i.e. strong representation, Terms of Reference, chair responsibility for determining authority) to ensure appropriate oversight of all DAs.
- Appropriate supervision was undertaken for the Projects sampled.
 - Planning Services Department monitored and coordinated the clearance of development approval conditions for 'The Point' and 'Wyndham LUX Hotel' projects.

Technical officers conducted project site visits to verify such approval conditions.

Findings:

- Internal audit noted inconsistencies between the 'engineering related development approval conditions' and 'advice notes' documented in the notice of determinations.
 - Current engineering related 'development approval conditions' and 'advice notes' do not clearly articulate the necessary requirements for submission and satisfaction of each condition. Hence increasing the risk of builders not meeting all legislative requirements.
- Internal audit also noted that the engineering related development approval conditions listed in the notice of determinations sampled were not in sequential order in relation to the projects' key stages.

Development and Communities Division – Structure Plans (report issued 19 March 2025)

Good practices observed:

- Coordinator Planning Projects is required to ensure that City-led Structure Plans are prepared in accordance with the Guidance Requirements. Additionally, the Coordinator Planning Projects prepares a detailed assessment table for applicant-led Structure Plans to determine compliance against the guidance requirements.
- Strong internal controls are in place (i.e. multiple approvals required) to ensure Regulation compliance.
- Regulations require specific processes to be followed within specific timeframes.
- Regulations require specific documents to accompany the Structure Plan (i.e. advertising details, consultation summary, Recommendation Report etc.) prior to submission to WA Planning Commission.

Findings:

- Internal audit noted the Coordinator Planning Projects structure plan assessment is not independently approved prior to the assessment results being issued, nor registered in the City's record management system.
- Internal audit also noted that core processes are not documented as standardised procedures.

Corporate and Governance Division – Regulation 5 Internal Audit Review (report issued 31 January 2025)

Good practices observed:

- Finance Function appears to be well organised with documented processes which set clear expectations.
- Policy was noted as being regularly reviewed.
- Adjusting journals are prepared and authorised independently on a timely basis.
- There is a reconciliation register to provide oversight of key reconciliations performed.
- Delegations within FinanceOne are aligned with documented delegations for purchase order authorisation.
- The Long-Term Financial Plan is current.
- Segregation of duties were noted throughout the processes reviewed.

- From a sample of 10 procurement processes, the following were noted:
 - o for sample 3 the first invoice date preceded the purchase order date.
 - o for samples 4 and 6, the proposer with the marginally lowest evaluation score was appointed, but there was no clear explanation as to why this is the case and the benefits of the preferred respondent over the others.
 - From a sample of 9 credit card acquittals tested, 1 sample was noted as being performed more than 15 days after the period end, which is the timeframe required by Policy Item 3(d). It was also noted that the date of review was not documented in 1 instance. Although there is currently no formal system in place for the acquittal of credit cards in CI Anywhere (CiA), the approval process for the acquittal of credit cards is being performed manually within an excel spreadsheet, which is inefficient and may lead to errors.

Corporate and Governance Division – Regulation 17 Internal Audit Review (report issued 31 March 2025)

Good practices observed:

- The City has a comprehensive Risk Management Framework aligned with ISO 31000:2018 to ensure effective identification, monitoring, and treatment of risks.
- The City has a comprehensive Business Continuity Plan (BCP) aligned with ISO 22301:2019 standards.
- The City's Fraud Control Plan is comprehensive and aligns with best practice guidance from the Public Sector Commission (PSC), Office of the Auditor General (OAG), and AS 8001-2008.
- Governance mechanisms, such as Codes of Conduct for employees and elected members, are well established and comply with the Local Government Act 1995. The Codes set clear standards for ethical behaviour, and employees formally acknowledge their understanding through signed declarations maintained by the People & Culture Department.
- The delegation of authority framework is annually reviewed and financial delegations are reflected accurately in the accounting system, supported by effective segregation of duties and oversight.
- A structured compliance framework integrates legal obligations into operations, supported by robust tracking tools, statutory lodgements, and transparent complaint management processes.

- CP38 Risk Management Policy and Risk Management Plan documents are in place and were last reviewed August 2023 (Risk Management Policy) and January 2022 (Risk Management Plan) as consistent with the Council policy review cycle (2 yearly) and the corporate document review cycle (3 yearly), respectively.
- Risk Management Plan refers to two future actions being Risk Management Training and Risk Management Software review to be performed and which will be captured in the next operational document review due in 2025.
- The date that a risk was last reviewed is documented within the risk register. These were analysed and the typographical errors which indicated that one last review date was September 2023 and another which did not contain a last reviewed date, when they are current, have been corrected in the master risk register.
- The following documents are currently being reviewed and updated:
 - Fraud Control Plan.
 - Employee Code of Conduct.
 - Asset Management Strategy 2021-2025.

Infrastructure Services Division – Construction Contract – Chiller unit replacement (report issued 24 April 2025)

Good practices observed:

- Chiller Unit Replacement contract was well managed and completed within the approved budget, with Practical Completion achieved on 01 July 2024.
- Contract Administrator conducted daily site visits to ensure that worksite practices complied with WorkSafe guidelines and maintained quality standards.
- City Facilities effectively coordinated planning for downtime to minimise disruption and scheduling of temporary cooling for the Civic Centre Administration building.

Findings:

• Risk register identified a financial viability risk. Internal audit noted that no financial assessment was undertaken prior to the contract being awarded.

Corporate and Governance Division – Procurement and Expenditure Cycle (report issued 4 June 2025)

Good practices observed:

- Comprehensive policies and procedures in place.
- Sound controls around the release of purchase orders and variations.
- Segregation of duties in place between:
 - the raising and approval of purchase requisitions; and
 - the approving, inputting and posting of invoices.
- Procurement Team reviews open purchase orders on a quarterly basis. Any
 possible inactive/completed orders are identified and communicated to the
 responsible officer. Once confirmed all goods/services have been received,
 the open purchase order is then closed.

- Internal audit noted a number of Technology One permission setting that require updating. The most significant being: System Administrators, Finance Officer Revenue, and Financial Accountant being able to modify vendor bank account details.
- Procurement maintains a late purchase order report to identify any purchase orders raised after the invoice date. Hence, there is the risk of officers not following correct procurement process. Of the 3799 purchase orders raised between July 2024 and January 2025, internal audit identified 271 instances (7.13%) that require review and investigation.

However, it should be noted that some of these exceptions may relate to 'emergency type' or 'exemption type' purchases and therefore will not relate to non-compliances.

- Internal audit noted that the Systems Accountant performs the following functions:
 - System Admin hence can modify vendor bank accounts.
 - In the absence of the Financial Accountant, can review, cross-check and approve all first-time vendor payments and changes to vendor bank accounts.
 - Is one of the authorised officers involved in the two-officer approval requirement for electronic fund transfers (EFTs).

Without appropriate segregation of duties, there is the risk of an unauthorised change to a vendor bank account prior to payment processing, hence resulting in misappropriation of funds.

Executive Services Division – Work Health and Safety Legislation Compliance (report issued 9 June 2025)

Good practices observed:

- Work Health and Safety Policy demonstrates the City's commitment towards ensuring that all workers have safe workplace conditions that minimise the risk of injury or illness. Internal audit confirms the policy is:
 - o current and effective in addressing emerging WHS risks.
 - materially aligned to the Work Health and Safety Act 2020 (WHS Act 2020).
- Safety Management Plan (SMP) applies to all City activities, services, and workplaces, aiming to protect the health, safety, and wellbeing of staff, volunteers, contractors, visitors, and other interested parties. Internal audit confirms the SMP is:
 - o current and effective in addressing emerging WHS risks and challenges.
 - materially aligned to the WHS Act 2020.
- RAPID Global Software provide WHS team with better oversight of contractor compliance whilst also ensuring a more efficient and user-friendly online experience for contractors.

- Internal audit noted that there was a lack of effective controls in place to ensure:
 - Low value contractors (i.e. \$50,000 or less):
 - Are registered in RAPID Contractor Management.
 - Have the required key documents.

- All contractors:
 - have completed online induction (via RAPID Induct) prior to commencing any high-risk-type work.
- From a sample of 10 on-site inspection reports on contractors engaged in high-risk work, internal audit identified two instances where the contractor had not completed online Work Health and Safety induction.

Committee Recommendation

That Council:

- 1. Receives the report (Confidential Attachment 12.3.1) titled Internal Audit Development Applications Engineering.
- 2. Receives the report (Confidential Attachment 12.3.2) titled Internal Audit Structure Plans.
- 3. Receives the report (Confidential Attachment 12.3.3) titled Regulation 5 Internal Audit Review.
- 4. Receives the report (Confidential Attachment 12.3.4) titled Regulation 17 Internal Audit Review.
- 5. Receives the report (Confidential Attachment 12.3.5) titled Internal Audit Construction Contract Chiller unit replacement.
- 6. Receives the report (Confidential Attachment 12.3.6) titled Internal Audit Procurement and Expenditure Cycle.
- 7. Receives the report (Confidential Attachment 12.3.7) titled Internal Audit Work Health and Safety Legislation Compliance.
- 8. Notes the City of Belmont management comments in Confidential Attachments 12.3.1, 12.3.2, 12.3.3, 12.3.4, 12.3.5, 12.3.6 and 12.3.7 and actions to be undertaken in response to the internal audit recommendations.

Location

Not applicable.

Consultation

All draft internal audit reports were reviewed by relevant staff, Managers, Directors and the CEO before being issued for action.

Strategic Community Plan implications

In accordance with the 2024–2034 Strategic Community Plan:

Key Performance Area: Performance

Outcome: 10. Effective leadership, governance and financial management.

Policy implications

There are no policy implications associated with this report.

Statutory environment

Local Government Act 1995 (WA)

- 7.1A. Audit committee
 - (1) A local government is to establish an audit committee of 3 or more persons to exercise the powers and discharge the duties conferred on it.

Local Government (Audit) Regulations 1996 (WA)

16. Functions of audit committee

An audit committee has the following functions —

- (a) to guide and assist the local government in carrying out —
 - (i) its functions under Part 6 of the Act; and
 - (ii) its functions relating to other audits and other matters related to financial management.
- (b) to guide and assist the local government in carrying out the local government's functions in relation to audits conducted under Part 7 of the Act;
- (c) to review a report given to it by the CEO under regulation 17(3) (the CEO's report) and is to
 - (i) report to the council the results of that review; and
 - (ii) give a copy of the CEO's report to the council.
- (d) to monitor and advise the CEO when the CEO is carrying out functions in relation to a review under
 - (i) regulation 17(1); and
 - (ii) the Local Government (Financial Management) Regulations 1996 regulation 5(2)(c);
- to support the auditor of the local government to conduct an audit and carry out the auditor's other duties under the Act in respect of the local government;

- (f) to oversee the implementation of any action that the local government
 - (i) is required to take by section 7.12A(3); and
 - (ii) has stated it has taken or intends to take in a report prepared under section 7.12A(4)(a); and
 - (iii) has accepted should be taken following receipt of a report of a review conducted under regulation 17(1); and
 - (iv) has accepted should be taken following receipt of a report of a review conducted under the Local Government (Financial Management) Regulations 1996 regulation 5(2)(c);
- (g) to perform any other function conferred on the audit committee by these regulations or another written law.

[Regulation 16 inserted: Gazette 26 Jun 2018 p. 2386-7.]

- 17. CEO to review certain systems and procedures
 - (1) The CEO is to review the appropriateness and effectiveness of a local government's systems and procedures in relation to
 - (a) risk management; and
 - (b) internal control; and
 - (c) legislative compliance.
 - (2) The review may relate to any or all of the matters referred to in sub regulation (1)(a), (b) and (c), but each of those matters is to be the subject of a review not less than once in every 3 financial years.
- (3) The CEO is to report to the audit committee the results of that review. [Regulation 17 inserted: Gazette 8 Feb 2013 p. 868; amended: Gazette 26 Jun 2018 p. 2387.]

Local Government (Financial Management) Regulations 1996 (WA)

- (2) CEO's duties as to financial management
 - (c) undertake reviews of the appropriateness and effectiveness of the financial management systems and procedures of the local government regularly (and not less than once in every 3 financial years) and report to the local government the results of those reviews.

Background

The internal audit function operates in accordance with Council approved Terms of reference (TOR) and Council approved annual internal audit plans.

The TOR requires the Senior Internal Auditor to be functionally accountable to the CEO and Council via the Audit, Risk and Improvement Committee

The TOR also requires final engagement audit reports to be issued to the CEO and Council via the Audit, Risk and Improvement Committee.

Report

Infrastructure Services Division – Development Applications Engineering (report issued 7 February 2025)

The audit objectives were:

- To determine if appropriate controls are in place to ensure development application assessments comply with the engineering approval process and key sections of legislation.
- To determine if appropriate supervision is undertaken for major development works.

Scope included:

- Assessment of the first and second lines of defence (i.e. internal controls in place to mitigate inherent risks as identified from the engagement risk assessment).
- Key sections of legislation.

Findings and Management Responses

- Internal audit noted inconsistencies between the 'engineering related development approval conditions' and 'advice notes' documented in the notice of determinations.
 - Current engineering related 'development approval conditions' and 'advice notes' do not clearly articulate the necessary requirements for submission and satisfaction of each condition. Hence increasing the risk of builders not meeting all legislative requirements.
 - Management has agreed to review all engineering related development approval conditions in consultation with Planning Services to ensure the use of contemporary terminology and to clearly articulate the necessary requirements for submission and compliance with each condition.
- Internal audit also noted that the engineering related development approval conditions listed in the notice of determinations sampled were not in sequential order in relation to the project key stages.
 - Management has agreed to make changes to the notice of determination by listing the development approval conditions sequentially.

Development and Communities Division – Structure Plans (report issued 19 March 2025)

The audit objective was:

- Determine compliance with the *Planning and Development (Local Planning Scheme) Regulation 2015 (Regulations).*
- Determine if the process for structure plan development, consultation, and approval is efficient and effective.

Scope included:

- Regulation compliance limited to Schedule 2 Deemed provisions for local planning scheme, Part 4 Structure Plans, Section 15 to Section 29.
- Review of Ascot Racecourse Precinct Structure Plan and Golden Gateway Local Structure Plan.

Findings and Management Responses

- Internal audit noted the Coordinator Planning Projects structure plan assessment is not independently approved prior to the assessment results being issued, nor registered in the City's record management system (ECM).
 - Management has agreed for working paper and assessment table to be independently reviewed by Manager Planning Services prior to assessment results being issued. Management has also agreed for such documents to be registered in ECM.
- Internal audit also noted that core processes are not documented as standardised procedures.
 - Management has agreed for processes to be documented as a high-level process map and/or detailed work instruction.

Corporate and Governance Division – Regulation 5 Internal Audit Review (report issued 31 January 2025)

Paxon were engaged to perform the Financial Management Review on the CEO's behalf. Regulation 5(2)(c) of the Local Government (Financial Management) Regulations 1996 states:

The CEO is to -

 Undertake reviews of the appropriateness and effectiveness of the financial management systems and procedures of the local government regularly (and not less than once in every 3 financial years) and report to the local government the results of those reviews.

Scope included:

- Proper collection of all moneys owing to the local government.
- Safe custody and security of all money collected or held by the local government.
- Maintenance and security of the financial records of the local government (whether maintained in written form of by electronic or other means or process).
- Ensure proper accounting for all income, expenditure, assets, liabilities of the municipal or trust funds.
- Ensure proper authorisation of the incurring of liabilities and the making of payments.
- Maintenance of payroll, stock control and costing records.
- Preparation of budgets, budget reviews, accounts and reports required by the Act of these regulations.

Findings and Management Responses

- From a sample of 10 procurement processes, the following were noted:
 - o for sample 3 the first invoice date preceded the purchase order date.
 - for samples 4 and 6, the proposer with the marginally lowest evaluation score was appointed, but there was no clear explanation as to why this is the case and the benefits of the preferred respondent over the others.

Management has agreed to recommunicate the importance of raising purchase orders in advance of services being delivered. The evaluation scorecard currently documents the reasoning for the selection of the preferred respondent. Therefore, the procurement team will continue to encourage a sufficient explanation is provided.

- From a sample of 9 credit card acquittals tested, 1 sample was noted as being performed more than 15 days after the period end, which is the timeframe required by Policy Item 3(d). It was also noted that the date of review was not documented in 1 instance.
- There is currently no formal system in place for the acquittal of credit cards in CiA. The approval process for the acquittal of credit cards is being performed manually within an excel spreadsheet, which is inefficient and may lead to errors.
- Management has agreed to communicate the importance of timely acquittals to credit card holders.

As a point of clarification, while there is a process in place to approve credit cards, there is no system with in-built approval workflows as credit card acquittals are entered in CiA.

While the suggestion of implementing a system for the acquittal of credit cards is noted, the City does not believe that cost of implementation is worthwhile given the City has only 6 corporate cards with no plans to increase. The City is also of the opinion that current processes provide an effective control of the use of credit cards.

Corporate and Governance Division – Regulation 17 Internal Audit Review (report issued 31 March 2025)

The audit objective of Paxon's Regulation 17 review was to provide a report to assist the CEO in reporting to the Audit, Risk and Improvement Committee on the appropriateness and effectiveness of the City's systems and procedures in relation to risk management, internal control and legislative compliance.

Regulation 17 of the Local Government (Audit) Regulation 1996 states:

- The CEO is to review the appropriateness and effectiveness of a local government's systems and procedures in relation to –
 - risk management; and
 - o internal control; and
 - o legislative compliance.
- The review may relate to any or all of the matters referred to in subregulation(1)(a), (b) and (c), but each of these matters is to be the subject of a review not less than once in every 3 financial years.
- The CEO is to report to the audit committee the results of that review.

Scope included:

- risk management.
- internal control.
- legislative compliance.

Findings and Management Responses

- CP38 Risk Management Policy and Risk Management Plan documents are in place and were last reviewed August 2023 (Risk Management Policy) and January 2022 (Risk Management Plan) as consistent with the Council policy review cycle (2 yearly) and the corporate document review cycle (3 yearly), respectively.
- Risk Management Plan refers to two future actions being Risk Management Training and Risk Management Software review - to be performed and which will be captured in the next operational document review due in 2025.

 The date that a risk was last reviewed is documented within the risk register. These were analysed and the typographical errors which indicated that one last review date was September 2023 and another which did not contain a last reviewed date, when they are current, have been corrected in the master risk register.

Management noted corporate documents are reviewed every three years.

- The following documents are currently being reviewed and updated:
 - Fraud Control Plan.
 - Employee Code of Conduct.
 - Asset Management Strategy 2021-2025.

Management noted that review of the Fraud and Control Plan and Employee Code of Conduct are in progress.

Review of the Asset Management Strategy is being undertaken including an Asset Management Maturity Audit and is due to be completed this financial year.

Infrastructure Services Division – Construction Contract – Chiller unit replacement (report issued 24 April 2025)

The audit objective was to determine if tender and contract management processes:

- are efficient, effective and compliant.
- cover material contract requirements including scope of work, quality control and agreed timeframes.
- cover non-specific contract requirements including contractor financial viability, environmental impact and Work Health and Safety (WHS) compliance.

Scope was limited to the chiller unit replacement contract (Tender 04/2023).

Assessment of tender and contract management compliance was limited to:

- Purchasing Policy CP29, dated 17/12/24.
- Contract Management System Procedure SP23, dated 29/01/25.
- Management of Contract Variations System Procedure SP24, dated 17/01/25.
- Delegation Register 2024-25.

Findings and Management Responses

 Risk register identified a financial viability risk. Internal audit noted that no financial assessment was undertaken prior to the contract being awarded.

Management has agreed to update the following documents:

- Work Instruction Tenders.
- Contract Management SP23.

Corporate and Governance Division – Procurement and Expenditure Cycle (report issued 4 June 2025)

The audit objective was to:

- determine if appropriate controls are in place for procurement and expenditure.
- determine compliance with policy and procedures.

Scope covered procurement and expenditure from 1 July 2024 to 31 January 2025 and included:

- Policy and procedures.
- Controls around the release of purchase orders.
- Controls around variations.
- Delegation of Authority.
- Control of user permissions within Technology One.
- Segregation of duties.
- Exception Reporting (creditor turnover report, late purchase order report).

Findings and Management Responses

- Internal audit noted a number of Technology One permission settings that require updating. The most significant being: System Administrators, Finance Officer Revenue, and Financial Accountant being able to modify vendor bank account details.
 - Management has agreed to amend such permission settings.
- Procurement maintains a late purchase order report to identify any purchase orders raised after the invoice date. Hence, there is the risk of officers not following correct procurement process. Of the 3799 purchase orders raised between July 2024 and January 2025, internal audit identified 271 instances (7.13%) that require review and investigation.

However, it should be noted that some of these exceptions may relate to 'emergency type' or 'exemption type' purchases and therefore will not relate to non-compliances.

Management has developed a 'Late Orders' report in CiA. Management has agreed to provide this report to managers monthly to raise with their teams. For all instances to January 2025, this listing will be provided to internal audit for review once included in the 2025-26 internal audit plan.

- Internal audit noted that the Systems Accountant performs the following functions:
 - System Admin hence can modify vendor bank accounts.
 - In the absence of the Financial Accountant, can review, cross-check and approve all first-time vendor payments and changes to vendor bank accounts.
 - Is one of the authorised officers involved in the two-officera pproval requirement for electronic fund transfers (EFTs).

Without appropriate segregation of duties, there is the risk of an unauthorised change to a vendor bank account prior to payment processing, hence resulting in misappropriation of funds.

In the absence of the Financial Accountant, management has agreed for approval of first time vendor payments and changes to vendor bank accounts to be performed by the Manager Finance.

Executive Services Division – Work Health and Safety Legislation Compliance (report issued 9 June 2025)

The audit objective was to:

- determine if the City's Work Health and Safety Framework (WHS Framework) is aligned to the WHS Act 2020.
- determine if appropriate procedures are in place to ensure compliance with the Framework.
- determine if appropriate controls are in place to protect contractors involved in high-risk on-site work.
- determine if the WHS software is functioning efficiently and effectively.
- determine compliance with ISO 45001 OH&S.

Scope covered:

- Key areas of the WHS Framework.
- Contractors involved in high-risk on-site work.
- WHS procedures.
- WHS software functionality.

Note – LGIS Mutual Services performed an independent audit to determine compliance with ISO 45001 OH&S in April 2025. Therefore, compliance with ISO 45001 OH&S Management Systems was excluded from scope.

Findings and Management Responses

- Internal audit noted that there was a lack of effective controls in place to ensure:
 - Low value contractors (i.e. \$50,000 or less):
 - are registered in RAPID Contractor Management.
 - have the required key documents.
 - All contractors:
 - have completed online induction (via RAPID Induct) prior to commencing any high-risk-type work.

Management has agreed to:

- Obtain access to a report to:
 - Periodically reconcile all contractor records with RAPID Contractor registration.
 - Conduct risk-based sample checks of key documents within RAPID Contractor to determine compliance.
 - Review and improve the effectiveness of the current process for identifying contractors engaged in high-risk work, regardless of the contract value.
- From a sample of 10 on-site inspection reports on contractors engaged in high-risk work, internal audit identified two instances where the contractor had not completed online Work Health and Safety induction.

Management has agreed:

- WHS team to ensure 2nd line defence inspection schedule is completed and Contract Administrators to complete 1st line defence inspections for all contractors currently undertaking high-risk work at the earliest opportunity.
- WHS to publish news on BelNet to increase staff awareness of the requirement for contractors performing high-risk type work to complete online WHS induction.
- WHS to continue risk-based sampling checks on contractors performing high-risk type work.

Financial implications

There are no financial implications evident at this time.

Environmental implications

Subject Index : 19/003 Audit, Risk and Improvement

Committee

Location/Property Index : N/A Application Index : N/A Disclosure of any Interest : Nil

Previous Items : Item 12.2 OCM 10 December 2024

Applicant : N/A Owner : N/A

Responsible Division : Executive Services

Council role

Overseeing Overseeing the allocation of the City's finances and

resources e.g. setting the annual budget, accepting

tenders, determining what services and facilities the City is to provide, annual reports, selecting the CEO and reviewing

the CEO's performance.

Purpose of report

To submit the 2025–26 Consolidated Assurance Map to Council. Refer Attachment 12.4.1.

Summary and key issues

The Audit, Risk and Improvement Committee recommended the 2025-26 Consolidated Assurance Map to Council at their meeting on 28 July 2025.

The Institute of Internal Auditors defined an assurance map as "a high level document that identifies the holistic risk coverage across the organisation by a range of assurance providers. It helps to identify gaps and duplication of assurance coverage."

Committee Recommendation

That Council endorses the City of Belmont's 2025–26 Consolidated Assurance Map at Attachment 12.4.1.

Location

Not applicable.

Consultation

Assurance providers have advised timing of assurance activities.

Strategic Community Plan implications

In accordance with the 2024–2034 Strategic Community Plan:

Key Performance Area: Performance

Outcome: 10. Effective leadership, governance and financial management.

Policy implications

There are no policy implications associated with this report.

Statutory environment

Section 7.2 of the *Local Government Act 1995 (WA)* requires annual financial audits.

Regulation 14 of the *Local Government (Audit) Regulations 1996 (WA)* requires that a compliance audit for the period 1 January to 31 December is completed each year in a form approved by the Minister.

Regulation 17 of the *Local Government (Audit) Regulations 1996 (WA)* states the following:

- 17. CEO to review certain systems and procedures.
 - (1) The CEO is to review the appropriateness and effectiveness of a local government's systems and procedures in relation to:
 - (a) risk management; and
 - (b) internal control; and
 - (c) legislative compliance.
 - (2) The review may relate to any or all of the matters referred to in subregulation (1)(a), (b) and (c), but each of these matters is to be the subject of a review not less than once in every 3 financial years.
 - (3) The CEO is to report to the audit committee the results of that review.

Regulation 5(2) of the *Local Government (Financial Management) Regulations* 1996 (WA) states the following:

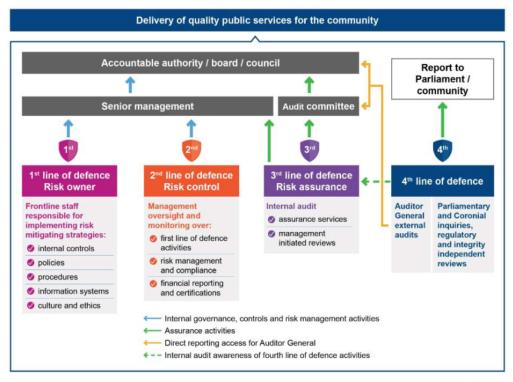

- (2) The CEO is to:
 - (a) ensure that the resources of the local government are effectively and efficiently managed; and
 - (b) assist the council to undertake reviews of fees and charges regularly (and not less than once in every financial year); and
 - (c) undertake reviews of the appropriateness and effectiveness of the financial management systems and procedures of the local government regularly (and not less than once in every 3 financial years) and report to the local government the results of those reviews.

In addition, under the International Standard ISO 9001:2015, Quality Management Systems, the City is required to conduct an annual program of internal and external audits to maintain certification of ISO Standards.

Background

The 2025–26 Consolidated Assurance Map (refer Attachment 12.4.1) provides an overview of the audits and reviews planned for financial year 2025-26 and was reviewed by the Audit, Risk and Improvement Committee at their meeting on 28 July 2025.

Referencing in the Consolidated Assurance Map reflects the WA Public Sector Audit Committees – Better Practice Guide, issued by the Office of the Auditor General (25 June 2020) "Lines of Defence Model" as shown in Figure 1 below.

Source: OAG

Report

The 2025–26 Consolidated Assurance Map gives Council oversight of the scope and focus of assurance activities for financial year 2025–26.

Assurance drivers are requirements for:

- Internal control and legislative compliance.
- Statutory external audit requirements.
- External certifications of Quality, Environmental and Occupational Health & Safety management systems.
- The need to support the City's chosen governance approach.
- The requirement to provide a comprehensive solution that can be undertaken with existing resources.

There are a number of focus audits that any area of the City could be subject to each year. These could be conducted as internal audits or reviews, operational comparison reports, or by external third parties, the Department of Local Government, Sport and Culture Industries, the Corruption and Crime Commission, Public Sector Commission or the Western Australian Office of the Auditor General. As these audits are carried out as required, they are not identified on the Consolidated Assurance Map.

Financial implications

There are no financial implications evident at this time.

Environmental implications

There are no environmental implications associated with this report.

Social implications

There are no social implications associated with this report.

Council role

Overseeing Overseeing the allocation of the City's finances and

resources e.g. setting the annual budget, accepting

tenders, determining what services and facilities the City is to provide, annual reports, selecting the CEO and reviewing

the CEO's performance.

Purpose of report

To present to Council the list of expenditure paid for the period 01 July 2025 to 31 July 2025 under delegated authority.

Summary and key issues

A list of payments is presented to the Council each month for confirmation and endorsement in accordance with the *Local Government (Financial Management)* Regulations 1996 (WA).

Officer Recommendation

That the Authorised Payment Listing for July 2025 as provided under Attachment 12.5.1 be received.

Location

Not applicable.

Consultation

There has been no specific consultation undertaken in respect to this matter.

Strategic Community Plan implications

In accordance with the 2024–2034 Strategic Community Plan:

Key Performance Area: Performance

Outcome: 10. Effective leadership, governance and financial management.

Outcome: 11. A happy, well informed and engaged community.

Policy implications

There are no policy implications associated with this report.

Statutory environment

Regulation 13(1) of the Local Government (Financial Management) Regulations 1996 (WA) states:

"If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared:

- (a) the payee's name;
- (b) the amount of the payment;
- (c) the date of the payment; and
- (d) sufficient information to identify the transaction."
- (3) A list prepared under sub regulation (1) is to be presented to Council at the next ordinary meeting of Council after the list is prepared; and recorded in the minutes of that meeting.

Regulation 13A of the *Local Government (Financial Management) Regulations* 1996 (WA) effective from 1 September 2023 states:

- (1) If a local government has authorised an employee to use a credit, debit or other purchasing card, a list of payments made using the card must be prepared each month showing the following for each payment made since the last such list was prepared —
 - (a) the payee's name;
 - (b) the amount of the payment;
 - (c) the date of the payment;
 - (d) sufficient information to identify the payment.

- (2) A list prepared under subregulation (1) must be
 - (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
 - (b) recorded in the minutes of that meeting.

Background

Council has delegated to the Chief Executive Officer under Delegation 1.1.18 to make payment from the Municipal and Trust Fund account. In accordance with Regulation 13(1) of the *Local Government (Financial Management) Regulations* 1996 (WA), where this power has been delegated, a list of payments each month is to be compiled and presented to Council.

Report

The following summary of payments are recommended for confirmation and endorsement.

Payment type	Payment reference	\$
Municipal Fund Cheques	788899	41,192.75
Municipal Fund EFTs	EF096991 - EF097530	7,179,703.14
Municipal Fund Payroll	July 2025	3,114,374.41
Trust Fund EFT	EF097069- EF097070	16,537.62
Total Payments for July 2025		10,351,807.92

A copy of the Authorised Payment Listing is included as Attachment 12.5.1.

Financial implications

All expenditure included in the Payment Listing is in accordance with Council's Annual budget.

Environmental implications

There are no environmental implications associated with this report.

Social implications

There are no social implications associated with this report.

12.6 Monthly Financial Report for July 2025

Voting Requirement : Simple Majority

Subject Index : 32/009 Financial Operating Statements

Location/Property Index : N/A
Application Index : N/A
Disclosure of any Interest : Nil
Previous Items : N/A
Applicant : N/A
Owner : N/A

Responsible Division : Corporate and Governance

Council role

Overseeing Overseeing the allocation of the City's finances and

resources e.g. setting the annual budget, accepting

tenders, determining what services and facilities the City is to provide, annual reports, selecting the CEO and reviewing

the CEO's performance.

Purpose of report

To provide Council with relevant monthly financial information for the 2025-26 Financial year.

Summary and key issues

The following report includes a concise list of material variances for the month ending 31 July 2025.

Officer Recommendation

That the Monthly Financial Reports as at 31 July 2025 as included in Attachment 12.6.1 be received.

Location

Not applicable.

Consultation

There has been no specific consultation undertaken in respect to this matter.

Strategic Community Plan implications

In accordance with the 2024-2034 Strategic Community Plan:

Key Performance Area: Performance

Outcome: 10. Effective leadership, governance and financial management.

Policy implications

There are no policy implications associated with this report.

Statutory environment

Section 6.4 of the *Local Government Act 1995 (WA)* (the Act) in conjunction with Regulations 34 (1) of the *Local Government (Financial Management)* Regulations 1996 (WA) (the Regulations) requires monthly financial reports to be presented to Council.

Regulation 34(1) requires a monthly Statement of Financial Activity reporting on revenue and expenditure.

Regulation 34(5) determines the mechanism required to ascertain the definition of material variances which are required to be reported to Council as a part of the monthly report.

Background

The Regulations prescribe that a Local Government is to prepare each month a Statement of Financial Activity.

Regulation 34(2) requires the Statement of Financial Activity to be accompanied by documents containing:

- 1. Explanation for each material variance identified between year-to-date budgets and actuals
- 2. Any other supporting information considered relevant by the Local Government.

Regulation 34 (5) states that "Each financial year, a Local Government is to adopt a percentage or value, calculated in accordance with the Australian Accounting Standards, to be used in statements of financial activity for reporting material variances".

This regulation requires Council to annually set a materiality threshold for the purpose of disclosing budget variances within monthly financial reporting.

The materiality threshold has been set by Council at \$100,000 for the 2025-26 financial year.

Report

At the June 2025 Ordinary Council Meeting, Council adopted the materiality threshold for the 2025-26 financial year as \$100,000. The table below provides a summary of significant variances based on this materiality threshold. The detailed financial activity report is included at Attachment 12.6.1.

It should be noted that the figures contained within this report remain subject to finalization of end of financial year processing and financial audit.

Report Section	Budget YTD	Actual YTD	Report Comments							
OPERATING ACTIV	ITIES									
Revenue from operating activities										
Fees and charges										
Safer Communities	75,439	181,342	Income from Pool and Health inspections higher than anticipated.							
Interest earnings										
Finance	499,101	941,094	Interest accrual entry yet to be processed for the new financial year.							
Expenditure from o	perating activi	ties								
Employee costs										
Finance	(217,010)	(347,396)	Allocation of timecard employees to projects to be processed for full month.							
Safer Communities	(301,340)	(405,276)	Budget distributed evenly							
Library, Culture & Place	(265,268)	(439,503)	over year - 3 pay cycles in July.							
Materials and contr	acts									
Works	(778,205)	(59,671)	Timing variance due to Waste Services invoice for July yet to be received.							

Report Section	Budget YTD	Actual YTD	Report Comments					
Parks, Leisure & Environment	(752,463)	(95,599)	Awaiting contractor's invoices and completion of seasonal programs.					
Safer Communities	(137,604)	(395,717)	The CCTV Milestone licence was paid in advance of scheduled price increases.					
Economic & Community Development	(278,715)	(54,669)	Timing variance of some invoices, including youth services contract and Adachi student delegation visit.					
Library, Culture & Place	(255,837)	(152,988)	Projects in progress with some timing variances.

CITY OF BELMONT NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD ENDED 31 JULY 2025

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996, prescribe that the financial report be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the City to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 31 July 2025

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

MATERIAL ACCOUNTING POLICES

Material accounting policies utilised in the preparation of these statements are as described within the 2024-25 Annual Budget. Please refer to the adopted budget document for details of these policies.

Critical accounting estimates and judgements

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
- · Property, plant and equipment
- Infrastructure
- Impairment losses of non-financial assets
- Expected credit losses on financial assets
- · Assets held for sale
- · Investment property
- Estimated useful life of intangible assets
- Measurement of employee benefits
- Measurement of provisions
- Estimation uncertainties and judgements made in relation to lease accounting

CURRENT AND NON-CURRENT CLASSIFICATION

- Pensioner deferred rates

- Employee provisions

Non-cash movements in non-current assets and liabilities:

Total non-cash amounts excluded from operating activities

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the local governments' operational cycle.

CITY OF BELMONT NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD ENDED 31 JULY 2025

3 EXPLANATION OF MATERIAL VARIANCES

The material variance thresholds are adopted annually by Council as an indicator of whether the actual expenditure or revenue varies from the year to date actual materially.

The material variance adopted by Council for the 2025-26 year is \$100,000 and 0.00% whichever is the greater.

Description	Var. \$	Var. %	
·	\$	%	
Revenue from operating activities			
Fees and charges	(136,484)	1.70%	•
Safer Communities - Income from Pool and Health inspections higher than anticipated - \$105,904	(000 005)	Timing	
Interest revenue Finance - Interest accrual entry yet to be processed for the new financial year - \$441,993	(336,205)	(67.36%)	•
Finance - interest accrual entry yet to be processed for the new linancial year - \$441,995		Timing	
Expenditure from operating activities			
Employee costs	704,918	100.00%	
Finance - Allocation of timecard employees to projects to be processed for full month - (\$130,386)		Timing	
Safer Communities - Budget distributed evenly over year - 3 pay cycles in July - (\$103,936)		Timing	
Library, Culture & Place - Budget distributed evenly across year - 3 pay cycles in July - (\$174,235)		Timing	
Materials and contracts	1,687,389	97.04%	_
Works - Timing variance due to Waste Services invoice for July yet to be received \$718,534	,,	Timing	
Parks, Leisure & Environment - Awaiting contractors invoices and completion of seasonal		Timing	
programs - \$656,864		riiiiig

KEY INFORMATION

Initial recognition

An item of property, plant and equipment or infrastructure that qualifies for recognition as an asset is measured at its cost.

Upon initial recognition, cost is determined as the amount paid (or other consideration given) to acquire the assets, plus costs incidental to the acquisition. The cost of non-current assets constructed by the City includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with Local Government (Financial Management) Regulation 17A(5). These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Individual assets that are land, buildings and infrastructure acquired between scheduled revaluation dates of the asset class in accordance with the City's revaluation policy, are recognised at cost and disclosed as being at reportable value.

Measurement after recognition

Plant and equipment including furniture and equipment and right-of-use assets (other than vested improvements) are measured using the cost model as required under Local Government (Financial Management) Regulation 17A(2). Assets held under the cost model are carried at cost less accumulated depreciation and any impairment losses being their reportable value.

Reportable Value

In accordance with Local Government (Financial Management) Regulation 17A(2), the carrying amount of non-financial assets that are land and buildings classified as property, plant and equipment, investment properties, infrastructure or vested improvements that the local government controls.

Reportable value is for the purpose of Local Government (Financial Management) Regulation 17A(4) is the fair value of the asset at its last valuation date minus (to the extent applicable) the accumulated depreciation and any accumulated impairment losses in respect of the non-financial asset subsequent to its last valuation date.
