

# Candidate Details

Ballot paper name	<b>OSTOIC, Jerko</b>
Candidate name	<b>Jerko Vinko OSTOIC</b>
District	<b>City of Belmont</b>
Nominating for	<b>Councillor for South Ward</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>OSTOIC, Jerko is eligible to stand for election as a resident of the City of Belmont.</b>

As a Belmont local of over 20 years, I’ve seen our community grow and evolve. I’m putting myself forward to represent South Ward and give back to the place my family and I love. I’ve spoken with many residents who share my vision for a better Belmont.

Better built form for developments, improve visual aesthetics and streetscapes.

Better parking controls around developments.

Better tree planting policies to create consistent tree avenues and maintain verge use.

Better adoption of Road Safety initiatives to reduce vehicle speeds on local roads and reduce ‘rat runs’.

Better Police presence in Belmont Forum.

Better opportunities for community engagement with a community poll to explore renaming the residential part of Kewdale.

I’m not affiliated with any political party, I’m simply a local with extensive experience in road safety and planning, committed to making balanced, pragmatic decisions for our community. I’m committed to listening, engaging, and delivering outcomes for a better Belmont.

### **Additional Information**

With 29 years of experience in road safety and urban planning, I bring a strong professional foundation to the role of Councillor for South Ward. As Director of Road Access and Planning at Main Roads WA, I've led initiatives to improve pedestrian safety, reduce traffic speeds, and enhance streetscapes across Western Australia. I developed the Low-Cost Urban Road Safety Program, which has delivered simple yet effective treatments like mini roundabouts to reduce crashes and save lives. This program was awarded a High Commendation by the Australasian College of Road Safety for its innovative and cost-effective approach.

In addition, I regularly contribute to road safety discussions on 6PR, helping inform the public on key transport issues, and was honoured with an award for outstanding media appearances on behalf of Main Roads.

I understand the complexities of transport and development, and I'm committed to applying this experience to make balanced, pragmatic decisions that benefit South Ward and the wider Belmont community.
