

BALBUK WAY ROAD CLOSURE

Please be advised that works on the 'Belmont Park Racecourse Redevelopment – Precinct A' are scheduled to commence on 21 January 2023.

The project site is largely located within the Town of Victoria Park, however initial works will include the simultaneous installation of infrastructure to facilitate wastewater disposal along with gas and electricity supplies to the project site, which will require the closure of Balbuk Way from **21 January 2023 until early May 2023**.

While most of the work is located within the Town of Victoria Park, it will prohibit access to Goodwood Parade Park. The aerial map below indicates the affected works area (Balbuk Way).

Please note: Although the Goodwood Boat Ramp will be closed, pedestrian access will be maintained within the City of Belmont boundaries, albeit with some minor detours. The public toilets in Goodwood Parade Park will also remain open to pedestrians and cyclists.

All enquiries should be directed to Civcon (Project Contractor) on 08 6500 1388 or via email: civconwa@civconwa.com.au

A handwritten signature in black ink, appearing to read 'John Christie', written over a horizontal line.

**JOHN CHRISTIE
CHIEF EXECUTIVE OFFICER**
