CITY OF BELMONT
PUBLIC NOTICE

POWERLINE PRUNING PROGRAM
NORTH SIDE

The City will be conducting street tree powerline pruning within the north side area of the City of Belmont as shown in the map below. The works will be conducted during 2 March through to 28 May 2021.

To ensure the City's tree pruning contractor has the required access please ensure that vehicles, boats, trailers and other potential obstructions are not left parked on the associated verges during the day.

A small amount of leaf debris is to be expected following pruning.

If you would like to discuss this further please contact the City's Parks Supervisor, Todd Holmes on 9477 7121.
