

**Profile (as it will appear in the election materials)**

**RUSSELL, Matt**

RUSSELL, Matt is eligible to stand for election as a resident of the City of Belmont.

I'm dedicated to **listening to residents**, improving green spaces, and **prioritising safety in our community**.

As someone who grew up in the City, I'm passionate about **connecting community groups**, local businesses, and residents to create a more cohesive community. I'm actively involved with community arts groups.

I believe in **transparent council** operations and **easy access to information**. My experience attending council meetings and serving on committees has given me insight into the decision-making process.

I support **preserving Belmont Trust** as recreational land and am committed to **protecting our tree canopy**, promoting green initiatives, and sustainability. I enjoy being involved in grassroots gardening initiatives that benefit the community.

My background in Computer Engineering and being a small business owner have given me a passion for efficiency and problem solving.

I'm eager to **collaborate with fellow councillors** and bring fresh energy to our council to serve you better.
