

Profile (as it will appear in the election materials)

**SEKULLA,
George**

SEKULLA, George is eligible to stand for election as a resident of the City of Belmont.

My family has lived continuously in Belmont for **more than 70 years**. I'm a Justice of the Peace; proud member of the Belmont RSL and I'm involved with the Notre Dame Parish. As **your Councillor** and **Deputy Mayor**, I provided **proven leadership** in the community.

As your Mayor, I'm committed to creating **safe neighbourhoods** against crime through improved LED and solar powered street lighting, a 24-hour **Ranger Service** & more **police** on our streets; protecting our natural environment by improving **tree canopy**; growing a strong and resilient community through initiatives addressing **social isolation** in **elderly** communities & those facing **social vulnerability**, maintaining & expanding our **free community events** program; and grow our local economy by continuing to fight for even **lower Council rates**, attracting growing innovative & **green industries** of the future & lobby for a **trackless tram service**. I will protect residents from poor planning decisions & I'll always **listen** and **act in YOUR best interests**.
