

## **SEKULLA, George**

It has been a privilege to serve as your Councillor and Deputy Mayor. For the **first time in 125 years**, Belmont **residents and ratepayers** will decide **who will be their Mayor**. I am seeking your support for election as Mayor.

My family has **lived continuously** in the Belmont area for **more than 70 years**. Three generations have called Belmont home. I am the father of three young children.

During the past six years, I have worked tirelessly and passionately for residents, business, and community groups to deliver results and make a positive difference in our community, including:

- ✓ Campaigned to **save the wetlands at Garvey Park**.
- ✓ Cleaned up Willow Lake, Kewdale
- ✓ Increased the **street tree planting** program
- ✓ Lobbied funding to save the heritage-listed **Ascot Kilns**
- ✓ Lobbied funding to complete the **netball court upgrades** at Wilson Park
- ✓ Provided **vital funding grants** to the Belmont Tennis Club, Belmont City Bowling Club and the Mens' Shed.
- ✓ Provided funding for **facility upgrades** at Centenary Park, Belmont; Forster Park, Cloverdale; Miles Park, Cloverdale; and Peet Park, Kewdale.
- ✓ Upgraded **playground facilities** at Cracknell Park, Rivervale and Tomato Lake, Kewdale
- ✓ Provided funding for a **Seniors Exercise Park** (a first for the City) at Harman Park, Belmont.
- ✓ Successfully worked with Cassie Rowe MLA for better resourcing of our local **Belmont Police Station**
- ✓ Successfully advocated for medium density development which protects our **natural environment**
- ✓ Successfully moved a motion to **improve and expand consultation with residents** about the use of the Belmont Trust Land
- ✓ Successfully advocated for the **Terracycle box** at Big W to donate unwanted toys

I want residents to be the centre of decision making and that their concerns are not ignored. I am passionate about shaping a **strong future** for Belmont. I have the energy, vision, and passion to make a **positive difference** for our community. I need your support and your vote.
