

Candidate Details

Ballot paper name	SESSIONS, Deborah
Candidate name	Deborah Louise SESSIONS
District	City of Belmont
Nominating for	Councillor for West Ward
Election type	Ordinary
Enrolment status	SESSIONS, Deborah is eligible to stand for election as a resident of the City of Belmont.

Community means everything to me, and I'm proud to call Rivervale home. As a local Mum and community volunteer, I see the difference this connection makes.

As your West Ward Councillor and now Deputy Mayor, I've worked hard to be available, listen, and get things done. I delivered upgrades to Wilson Park and Peet Park, fought for more public open space in Rivervale, and improved verges across the City.

I'm not tied to any political party; I work only for our community. I'll keep working with local Police and the State Government to fight for community safety and policing resources for Belmont. I'll continue to push for the changes you ask for, like better lighting to make our streets safer and much-needed attention for the Kooyong Shopping Strip.

I've proven I'll work for you every day, not just at election time. I'll make sure that your voices are heard. **Together**, we can keep making Belmont a great place to live, raise our families, and feel proud of.
