Sports Lighting

Fees & Charges 2021/2022

There are numerous active reserves which have oval/court lighting available to hire for large ball sport training sessions and matches. **This lighting is not suitable for small ball sports such as cricket.**

The latest sporting lights can be operated too is 10pm. Charges for lighting are applicable to all active reserve bookings from 6pm during the winter season (Apr - Sept) and 7pm during the summer season (Oct - March).

Unless otherwise stated, all lights on a reserve are controlled by the one switch and cannot be isolated. Some facilities are operated by swipe card and as such will be charged according to their actual swipe on/off usage times. A bond may apply to access sports lighting.
