Purpose

To consider and recommend to Council on matters of strategic environmental importance and relevance to the City of Belmont.

The Committee is a formally appointed Committee of Council and is responsible to that body. The Committee does not have executive powers or authority to implement actions in areas over which the Chief Executive Officer (CEO) has legislative responsibility and does not have any delegated power from Council. The Committee does not have any management functions and cannot involve itself in management processes or procedures.

The Committee is to report to Council and provide appropriate advice and recommendations on matters relevant to its terms of reference in order to facilitate informed decision making by Council in relation to the legislative functions and duties of the local government that have not been delegated to the CEO.

Objective

The primary objectives of the Standing Committee (Environmental) are to undertake review of the City of Belmont Environment and Sustainability Strategy and review outcomes of actions implemented from the [Strategy-associated strategies/-plans](#) requiring Council approval/ endorsement.

The Committee is to provide guidance and assistance to facilitate effective management of the City of Belmont's environmental responsibilities through:

- Development and recommendation of Council environmental policies;
- [5-yearly Annual](#) review of the Environment and Sustainability Strategy;
- Review outcomes of actions implemented from the Environment and Sustainability [Strategy Implementation Plan](#) requiring Council approval/endorsement.

Duties and Responsibilities

The duties and responsibilities of the Committee members will be to –

1. Maintain awareness of current and emerging environmental issues relevant to the City of Belmont and environmental performance of the City;
2. Consider attendance at relevant environmental seminars and conferences, consistent with Council policy;
3. Support and promote Council environmental policies to the community and where relevant their application in Council decision-making;
4. Support and promote the objectives and actions of relevant Council-endorsed strategies and plans, including the Environment and Sustainability Strategy, Urban Forest Strategy and Belmont Foreshore Precinct Plan;
5. Promote and encourage involvement of the community in the City's environmental programs;
6. Consider and give particular attention to environmental implications of Council decision-making, as presented in the agenda reports.
