Background

The Community Service Award was initiated in 1977 to recognise and acknowledge services performed by community members and organisations, with five people receiving the inaugural Award. From 1977 to 2021, there have been 110 awards presented with four recipients receiving the Award twice.

The majority of the Awards have been presented to individuals with only two organisations receiving the Award, those being Nulsen Haven (1982) and Belmont Community Food Centre (2000).

The following Award categories have been defined to include people working in the separate areas of:

- **Aged:** This category applies to an individual/community group who contributes within the aged sector (i.e. pensioner groups, activities and services for seniors).
- **Community Service:** This category applies to an individual/community group who contributes within the community (i.e. emergency service volunteer, support personnel, religious organisations, culturally diverse communities, charity groups, schools).
- **People Who Make a Difference:** This category applies to an individual/community group who has made an exceptional impact, by going above and beyond their duties, and making a significant difference in their local community by assisting another or others.
- **Sport and Recreation (Including Arts and Culture):** This category applies to an individual/community group who contributes to organisations such as sporting and recreational clubs as well as arts and culture clubs and organisations.
- **Youth:** This category applies to an individual/community group who support organisations such as girl guides, scouts, youth clubs, youth centre(s), schools etc.

The Awards are intended to acknowledge the outstanding service given to the community by individual persons and community groups using the following selection criteria:

1. The contribution made should be of benefit to the citizens of the City of Belmont (must have provided services to the residents of the City of Belmont).
2. Remuneration of an incidental nature will not exclude a nominee from eligibility.
3. Nominations can be made in more than one category for any one nominee. Each nomination has to be specific to the category for which the nomination has been submitted.
4. The nomination must be submitted on the provided nomination form.

Officer comment

The 2022 Community Service Awards were conducted using the selection criteria as resolved by Council at its 28 July 2015 Ordinary Council Meeting (Item 10.2).

The Selection Panel comprised of the Mayor, Chairperson of the Standing Committee (Community Vision), the Chief Executive Officer, Director Development and Communities and the Manager Economic and Community Development. The panel convened on Friday, 3 June 2022 to review and assess all applications.

A list of 2022 nominees and categories is provided in Confidential Attachment 1 – 2022 Community Service Award Nominations. The selection panel scoring matrix and recommended Award Recipients are detailed in Confidential Attachment 2 – 2022 Community Service Award Selection Panel Scoring Matrix. A list of previous nominees and recipients is provided under Confidential Attachment 3 – Past Nominations 1977 - 2022

Financial implications

There are no financial implications evident at this time.

Environmental implications

There are no environmental implications associated with this report.

Social implications

The awarding of deserving nominees exemplifies and celebrates high standards of community service contribution through volunteering. This serves to encourage others to strive for high standards of community service, which in turn contributes to community wellbeing and reduces service burdens on the City and other agencies.

Committee Notes

- Local advertising for nominations is undertaken and staff are also encouraged to submit nominations.
- There are set criteria that are required to be met.
- Weightings are applied to the different criteria and, as would be expected, very focused on the City of Belmont community only.
- Awards are based not only on longevity, but also the nature of the activities and breadth of service to the community.
- There are different categories of Community Service Awards and the scoring matrix helps the Panel make a recommendation. Recommendations can only be made on the information received on the Nomination Form.

- The Director Development and Communities undertook to provide the categories for the Awards in 2018, together with the recipients and categories of Awards for 2019.

Officer Recommendation

Carter moved, Marks seconded

That the Standing Committee (Community Vision) recommends that:

- 1. Council endorse recipients of the 2022 Community Service Awards as detailed in Confidential Attachment 10.1.2 – 2022 Community Service Award Selection Panel Scoring Matrix.**
- 2. The decision by Council on the recipients of the 2022 Community Service Awards remains confidential until announced.**
