Item 10.1 Continued

BACKGROUND

The Community Service Award was initiated in 1977 to recognise and acknowledge services performed by community members and organisations, with five people receiving the inaugural Award. From 1977 to 2019, there have been 110 awards presented with four recipients receiving the Award twice.

The majority of the Awards have been presented to individuals with only two organisations receiving the Award, those being Nulsen Haven (1982) and Belmont Community Food Centre (2000).

The following Award categories have been defined to include people working in the separate areas of:

- **Aged:** This category applies to an individual/community group who contributes within the aged sector (i.e.: pensioner groups, activities and services for seniors).
- **Community Service:** This category applies to an individual/community group who contributes within the community (i.e.: emergency service volunteer, support personnel, religious organisations, culturally diverse communities, charity groups, schools).
- **People Who Make a Difference:** This category applies to an individual/community group who has made an exceptional impact, by going above and beyond their duties, and making a significant difference in their local community by assisting another or others.
- **Sport and Recreation (Including Arts and Culture):** This category applies to an individual/community group who contributes to organisations such as sporting and recreational clubs as well as arts and culture clubs and organisations.
- **Youth:** This category applies to an individual/community group who supports organisations such as girl guides, scouts, youth clubs, youth centre(s), schools etc.

The Awards are intended to acknowledge the outstanding service given to the community by individual persons and community groups using the following selection criteria:

1. The contribution made should be of benefit to the citizens of the City of Belmont (must have provided services to the residents of the City of Belmont).
2. Remuneration of an incidental nature will not exclude a nominee from eligibility.
3. Nominations can be made in more than one category for any one nominee. Each nomination has to be specific to the category for which the nomination has been submitted.
4. The nomination must be submitted on the provided nomination form.
