

Terms of Reference **Audit, Risk And Improvement** **Committee**

Approved: 20 October 2025 Special Council Meeting

Purpose

The Audit, Risk and Improvement Committee (Committee) assists Council with its' due care and diligence in financial reporting, applying accounting policies, and managing the financial affairs of the City of Belmont (City) as required by the *Local Government Act 1995 (WA)* and associated Regulations including an assessment of the City's management of risk.

The Committee is a formally appointed Committee of Council and is responsible to Council. The Committee does not have any delegated power from Council and cannot make decisions on behalf of Council, nor does the Committee have any executive authority in areas over which the Chief Executive Officer (CEO) has legislative responsibility. The Committee does not have any management functions and cannot involve itself in management processes or procedures.

The Committee reports to Council and provides advice and recommendations on matters relevant to its' terms of reference to facilitate informed decision making by Council on matters that have not been delegated to the CEO.

Objective

The primary objective of the Audit, Risk and Improvement Committee is to accept responsibility for the annual external audit and meet with the Office of the Auditor General (OAG) so that Council can be satisfied with the performance of the City in managing its' financial affairs.

Reports from the Committee assist Council to discharge its' legislative responsibilities of governing the City's affairs, performing the City's functions, determining the City's policies and overseeing the allocation of the City's finances and resources. The Committee assists openness in the City's financial reporting and liaises with the CEO to ensure City's financial accounting systems are effectively managed and legislatively compliant.

The Committee facilitates:

- The enhancement of the credibility and objectivity of internal and external financial reporting;
- Effective management of financial and other risks and the protection of Council assets

- Compliance with laws and regulations as well as use of best practice guidelines relative to the appropriateness and effectiveness of the City's systems and procedures for risk management and internal control;
- Coordination of internal audit with the external audit; and
- Providing an effective means of communication between the external auditor, internal auditor, the CEO and Council.
