Case Management

One-to-one case management support provides young people with access to information, referral, advocacy, goal setting and informal counselling. It is tailored for each young person based on their individual needs.

This service is available between Monday to Friday, 9:00am to 5:00pm for young people between 12-25 years old. Referrals can be made in Centre or via email: base.belmont@ymcawa.org.au

Centrelink's outreach service is available by appointment. Call 9479 5794 for more information or to make an appointment.

Project Y

Project Y is a youth leadership and development program where young people plan and run real programs and events, build confidence, and make change in their community.

- Help plan and coordinate programs and events.
- Work as a team to design activities and turn ideas into action.
- Help shape and support big youth events across the year.
- Build confidence speaking up and out about things that matter to you.
- Learn leadership skills.
- Get real experience in planning and running programs and events.
- Job-ready skills (teamwork, communication, leadership, organisation) that you can add to your resume!
- Professional references to support job or study applications.
