

Tree Preservation Order Nomination Form

It should be noted that in accordance with the City's Tree Preservation Order Council Policy, only a landowner may apply for a Tree Preservation Order to protect a tree on their property, or a neighbouring landowner if the canopy of the tree overhangs into their property.

Applicant Details:

Name:

Address:

Suburb:

Contact Number:

Email Address:

Relationship to nominated tree:

Please select:

- ☐ The tree is located on my property, I am the landowner.
- ☐ The tree is located on the neighbouring property, and the canopy of the tree overhangs into my property.

Tree Details:

Address/location of tree:

Common name and/or botanical name of the tree (if known):

Reason for nominating tree:

Please select (can choose more than one):

- ☐ Scientific, Environmental or Biological Significance (e.g. native vegetation, rare or endangered species, connected with native fauna which is recognised at risk by relevant State or federal legislation, significant horticultural value).
- ☐ Cultural or Historical Significance (e.g. located on the City's Local Heritage List/Survey, associated with or attached to a heritage site and directly relates to the heritage value of the site, is connected to or within an Aboriginal Heritage Site).
- ☐ Landscape or Amenity Significance (significantly contributes to the landscape and has become a unique and widely renowned specimen, occurs in a unique and prominent location and acts as a landmark to the local area).

Please describe why you consider the tree has significance to you/the surrounding area/the community or the City of Belmont, and why it should be considered for a Tree Preservation order:

What is the condition of the tree:

- ☐ Good
- ☐ Fair
- ☐ Poor
