

Profile (as it will appear in the election materials)

VIJAY, Tamak

VIJAY, Tamak is eligible to stand for election as a resident of the City of Belmont.

My name is Vijay Tamak and I have chosen to call Belmont home for 15 years with my wife and two children. We have found the community to be incredibly welcoming. I have nominated for Council because I have a vision for Belmont's future and I understand the challenges residents are facing regarding the cost of living and crime. I have a degree in Economics, work at the Department of Transport, volunteer at the City of Belmont, Ascot cricket club, and the Belmont Dad's group.

If elected to Council I will:

Ensure improved efficiency in Council expenditure.

Introduce a security rebate to install residential CCTV.

Provide safer streets with increased CCTV and improved lighting.

Protect existing residents from high rise development with insufficient parking.

Increase tree canopy and greening of suburbs.

Work with State and Federal member to source funding for underground power and safer roads.

I give you my pledge that I will always act with integrity, listen to your needs and stand up for you.
