EMRC Waste Education Program

EMRC Waste Education Officers provide free tours of the Red Hill Waste Management Facility, as well as fun activities at the Red Hill Environmental Education Centre. Officers provide information, waste education talks, courses and workshops for regional schools and community groups. EMRC's Waste Education team coordinate the region's battery and fluorescent light collection program for schools and public places. For more information, visit rgang.org.au or email wasteeducation@emrc.org.au

Bulk Bins, On Demand Collections and Drop-off Days

To order a bulk bin or on demand collection, visit belmont.wa.gov.au or call Suez on 9350 7182. The City's waste contractor Suez will take your bulk bin order and provide a reference number over the phone. Waiting times can vary according to demand.

Green or Blue Bulk Bins

Most residential properties (excluding medium and high density residential) within the City of Belmont are entitled to four free bulk bins each financial year. Residents can choose between blue bins for household material and green bins for garden waste. Residents are encouraged to use the green bins for green waste such as branches, fronds, prunings and lawn clippings (not turf or sods). This is a great way of saving precious landfill as your green waste will be made into mulch.

- **Weekday** blue bulk bins will, on most occasions, be delivered on either Monday or Tuesday and will remain on site for **two evenings and one day**.
- **Weekend** blue bulk bins, on most occasions, will be delivered on a Wednesday or Thursday and will remain onsite over the weekend.
- Green bulk bins will be delivered on a Friday and removed the following Friday.

Where residents need to dispose of much bulkier items, one of their bulk bin entitlements can be exchanged for a tip pass to the Red Hill Waste Management Facility (6x4 trailer).

Tip passes can be picked up at the City of Belmont's Civic Centre at 215 Wright Street, Cloverdale. Tip passes cannot be used for asbestos, mattresses or tyres.

Please remember:

- Leave the bin where it has been placed by the Suez driver.
- Keep the area clear so the Suez driver can easily remove the bin.
- Bins delivered full will be emptied the same day.
- If a bin needs to be emptied by the City due to misuse, the resident will be responsible for costs incurred.

Using bulk bins correctly

- Do not fill the bulk bin over the top of the bin edge.
- Do not have contents sticking out at angles above the top of the bin, as this can interfere with the truck's lifting gear.

Blue Bulk Bin for general waste

Accepted items include:

- ✓ General household material
- ✓ Bulky household items
- ✓ Furniture (except lounge suites)
- ✓ Junk (too large for green-top bin)
- ✓ Timber (treated pine and other)
- ✓ Toys (damaged)

NOT ACCEPTED:

- ✗ Greenwaste

What you **CANNOT** put in either bulk bin

NOT ACCEPTED:

- ✗ Asbestos
- ✗ Hazardous waste of any kind (chemicals and medical waste)
- ✗ Liquid waste of any kind
- ✗ Car parts including tyres
- ✗ Builders waste including bricks, pavers, sand, tiles and concrete
- ✗ Fridges and freezers
- ✗ Lawn with soil and sand

Greenwaste Bulk Bin for greenwaste only

Accepted items include:

- ✓ Loose greenwaste including palm fronds
- ✓ Leaves and prunings (up to 150cm in length and 15cm in diameter)
- ✓ Flowers and bedding plants
- ✓ Weeds and grass clippings (no lawn sods)

NOT ACCEPTED:

- ✗ As this material is made into mulch, DO NOT place greenwaste in plastic bags or contaminate the bin with non-green material.

On Demand Collection Service

Residents can request a collection of one of each of the following item types every financial year. These requests can be made in different months of the financial year (e.g. 1 x bed base in August and 1 x fridge in December):

- 1 x Fridge or freezer
- 1 x Mattress
- 1 x Bed base
- 1 x Lounge suite
- 1 x Other white good item (e.g. stove, washing machine)

Residents cannot swap item allocations (e.g. 3 x mattresses and 2 x fridges) or carry over unused allocations into the following financial year.

Collection requests will be taken by Suez during the first three weeks of each month with collections undertaken during the fourth week of the month. Items awaiting collection should be left out in a visible location near the front of the property line but **NOT ON THE VERGE**, a few days before the start of the fourth week of the month.

To book a collection visit belmont.wa.gov.au, call Suez on 9350 7182 (7:30am to 5:00pm weekdays) or email belmont@suez-env.com.au
